SCHWARTZ JAEDEN

The Order of St. Lazarus of Jerusalem in England, C.1150-1544 Cambridge University Press

In twelfth-century Jerusalem, orphaned sixteen-year-old Pagan is assigned to work for Lord Roland, a Templar knight, as Saladin's armies close in on the Holy City.

Jerusalem Destiny Books

An authoritative history of the Knights of St. John, from Jerusalem to Malta, told by the bestselling author of *The Great Siege*. Known by many names through their centuries-long career, The Knights Hospitaller of Saint John dedicated themselves to defending the poor and sick. First formed in Jerusalem during the Crusades of the eleventh century, the Order of Saint John grew in wealth and power rivaled only by the Knights Templar. They survived exile from the Holy Land, settling first in Rhodes and then in Malta, which they famously defended against the Ottoman Empire's epic invasion of 1565. Even after losing Malta to Napoleon Bonaparte two centuries later, the Order of Saint John continued its mission. Ernle Bradford, whose bestselling book *The Great Siege* recounts their historic battle for Malta, follows the Knights of Saint John through centuries of war, politics, rivalry, and perseverance in *The Shield and the Sword*.

The Templars Cambridge University Press

Part travelogue/part historical mystery about the most famous traveler--and chronicler-- in medieval Europe. Giles Milton's first book, *The Riddle and the Knight*, is a fascinating account of the legend of Sir John Mandeville, a long-forgotten knight who was once the most famous writer in medieval Europe. Mandeville wrote a book about his voyage around the world that became a beacon that lit the way for the great expeditions of the Renaissance, and his exploits and adventures provided inspiration for writers such as Shakespeare, Milton, and Keats. By the nineteenth century however, his claims were largely discredited by academics. Giles Milton set off in the footsteps of Mandeville, in order to test his amazing claims, and to restore Mandeville to his rightful place in the literature of exploration. "Erudite, witty and adventurous" (*The Mail on Sunday*), *The Riddle and the Knight* is a brilliant piece of detective work.

The Knight Templar Penguin

Balian has survived the devastating defeat of the Christian army on the Horns of Hattin, and walked away a free man after the surrender of Jerusalem, but he is baron of nothing in a kingdom that no longer exists. Haunted by the tens of thousands of Christians now enslaved by the Saracens, he is determined to regain what has been lost. The arrival of a vast crusading army under the soon-to-be-legendary Richard the Lionheart offers hope -- but also conflict, as natives and crusaders clash and French and English quarrel.

The Road to Jerusalem Book One of the Crusades Trilogy Harper Collins

The Road to Jerusalem Lexington Books

A breathtaking and sweeping epic of a family at its breaking point, *Devil's Brood* shows how Henry II and Eleanor of Aquitaine—two monumental figures once bound by all-consuming love—became the bitterest of adversaries... A.D. 1172. Henry II's three eldest sons conspire against him and align themselves with his greatest enemy, King Louis of France, but it's Eleanor of Aquitaine's involvement in the plot to overthrow her husband that proves to be the harshest betrayal. As a royal family collapses and a marriage ends in all but name, the clash between these two strong-willed and passionate souls will have far-reaching and devastating consequences throughout Christendom.

A lavishly illustrated, comprehensive look at the mysterious history of the Order of the Knights Templar • Presents the myths and historical truths of the Knights Templar, the elite warrior army of the pope who were destroyed as heretics some 700 years ago • Examines the evidence of the Templar connections to the Assassins and the Cathars • Includes more than 170 period illustrations and contemporary photos of former Templar strongholds in Europe and Jerusalem Despite the increasing scholarship devoted to the study of the Templar order, founded in 1119, the mystery surrounding the Templars endures. Secret societies from the Freemasons to the Ordo Templi Orientis claim descent from this religious order of warrior-monks. As the private army of the pope, the Knights Templar were initially established to protect Christian pilgrims traveling to the Holy Land but grew to become one of the most powerful organizations in the Middle Ages. With period illustrations from manuscripts from the Crusades, interpretive romantic paintings from the 18th and 19th centuries, and contemporary photos by Steven Brooke and others of former Templar strongholds in Europe and Jerusalem, James Wasserman, author of the bestselling *The Templars and the Assassins*, provides a fascinating history of the Order and the many mysteries and legends that surround it. Wasserman presents the evidence for the Templar connection to mystical Islamic organizations such as the Assassins as well as their ties to "heretical" groups such as the Cathars, who were targeted by a crusade in southern France to expunge the challenge they presented to the orthodoxy of their time. In addition to providing an overview of the Templars' actions during the Crusades, Wasserman revisits the trial and the charges leveled against them, showing how the Order was ruthlessly crushed. He also explores the nature of the treasure they left behind, which has fueled popular imagination for centuries.

Born in 1150 to an aristocratic Swedish family, handsome Arn Magnusson is educated at a Cistercian monastery. As well as training to be a monk, he is to be a warrior, and becomes a master archer and swordsman under the tutelage of the giant Brother Guilbert, a former knight. But Arn is innocent in the ways of the world, and when two beautiful sisters cross his path, despite falling desperately in love with one of them, Cecilia, he is seduced by the other. Such a crime is punishable by both civil and clerical authorities, and, while Cecilia is banished to spend twenty years as a nun, Arn is sentenced to serve the same period as a Knight Templar in the Holy Land. As an occupation officer in Palestine, he discovers that the infidel Saracens don't appear to be brutish and uncivilised as they are portrayed in Christian propaganda. On the contrary, in love and war he learns from the example of his noble adversary Saladin that there's another side to the teachings of the Cistercians

Here is the tale of Godfrey de Montferrat, a boy who became both a monk and a knight who swore an oath to defend the Kingdom of Jerusalem. It is also the tale of that kingdom, which men called Outremer-The Land Beyond the Sea. With the miraculous success of the First Crusade, all said that the heroic tales of old had come to life in that place. By Godfrey's time—the late 12th century—the Kingdom is dying, chivalry fading, hope growing cold, and foes pressing hard from every side. But Godfrey stands in contradiction to the prevailing rot—a young man striving to live up to the heroic ideal. Surrounded by greed and corruption, Godfrey must determine where his true loyalties lay: to friends? to prince? to love? to God? Around Godfrey swirl the loves, betrayals, triumphs, and disasters of the Kingdom's waning years. Knight of the Temple weaves together an exciting, multi-layered and historically faithful tale of the Land Beyond the Sea. From the desert wastes of Egypt, to the bustling streets of medieval Antioch, to the Holy City of Jerusalem itself, Nathan Sadasivan paints a vivid portrait of the Crusades strewn with unforgettable characters - Amalric, the ill-tempered King of Jerusalem; Malik, the proud young Saracen; Jacques, Godfrey's childhood friend; Tristan, the single-minded swordmaster, and Andronicus, the enigmatic Byzantine prince, among many others Knight of the Temple is the first book in the Crown of the World trilogy.

[The Road to Jerusalem](#) Harper Collins

The Crusades is an authoritative, accessible single-volume history of the brutal struggle for the Holy Land in the Middle Ages. Thomas Asbridge—a renowned historian who writes with “maximum vividness” (Joan Acocella, *The New Yorker*)—covers the years 1095 to 1291 in this big, ambitious, readable account of one of the most fascinating periods in history. From Richard the Lionheart to the mighty Saladin, from the emperors of Byzantium to the Knights Templar, Asbridge's book is a magnificent epic of Holy War between the Christian and Islamic worlds, full of adventure, intrigue, and sweeping grandeur.
