The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Proven effective in the classroom, The Study of Law: A Critical Thinking Approach, now in its Fifth Edition, brings real-world perspective to understanding basic legal concepts and the mechanics of the American legal system. The authors' acclaimed critical thinking approach actively engages students in the process of legal reading, analysis, and critical thinking. The text offers a thorough introduction to core topics and concepts, including sources and classifications of law, the structure of the court system, civil litigation and its alternatives, analyzing and interpreting the law, and substantive law. New to the Fifth Edition: Streamlined with the student in mind. For example, an enhanced explanation of how to brief a case in Chapter 1 (Introduction to the Study of Law), and a clearer discussion of executive orders and memoranda in Chapter 2 (Functions and Sources of Law). Chapter 5 on Civil Litigation and Its Alternatives is edited to focus on the key topics. Updated throughout, including: Chapter 6 (Constitutional

Law): *Packingham v. North Carolina* regarding First Amendment rights as they relate to the internet; *Masterpiece Cakeshop Ltd. v. Colorado Civil Rights Commission*, addressing the balancing act between giving states the right to legislate for the general public good and the individual right to express religious beliefs; *American Legion v. American Humanist Association* with examples of how the Supreme Court applies the Lemon test; and an enhanced discussion of the internet and the U.S. Constitution. Chapter 7 (Torts): Contemporary torts related to the #MeToo movement, cyberbullying, and cybertorts. Chapter 9 (Property and Estate Law): *Matal v. Tam* and expanded discussion of cases related to the Lanham Act. Chapter 10 (Laws Affecting Business): New coverage of public benefit corporations and the Family Medical Leave Act. Chapter 11 (Family Law): expanded discussion of *Obergefell v. Hodges*; *Terrell v. Torres*; and new discussion of DNA testing and its impacts on family law. Chapter 12 (Criminal Law): *Commonwealth v. Carter* Chapter 13 (Criminal Procedure): *Mitchell v. Wisconsin* regarding blood testing without a warrant; *Carpenter v. U.S.* regarding use of cell-site locations without a search warrant New co-author, Marisa Campbell, brings her extensive teaching experience to the book. Professors and students will benefit from: Critical thinking approach introduces students to the study of law, encouraging them to interact with the materials through hypothetical scenarios and exercises, realistic examples, discussion questions and legal reasoning exercises. Strong pedagogy reinforces well-written text presented in an accessible and well-organized format. Edited cases in every chapter teach students how to read and analyze the law. Thorough introduction to substantive law, with chapters on torts, contracts, property and estate law, business law, family law, and criminal law and procedure, and professional responsibility and ethics.

3 things to know about the focus of Dynamic Business Law, 3e: Emphasis on ETHICAL DECISION-MAKING. In chapter 2, the authors introduce a framework for making ethical business decisions that students can use on a regular basis. Following each case there are questions designed to train students to apply this approach. Then repeatedly throughout the chapters, questions about business ethics are raised in the text. This framework is designed to help improve the learning process of students and to give a sense of relevancy to the ethical decision making process. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to further tie in this component. Emphasis on the BUSINESS in business law. Dynamic Business Law emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Students need to understand how the concepts they learn in this course tie into their business careers. Instructors can easily show that the study of business law is best seen as a foundational component of the larger study of business administration.

Today, no business is purely domestic. Even the smallest local firms are affected by global competition and world events. INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 10E provides complete, inviting coverage of the legal implications and ramifications of doing business internationally. Readers examine the cultural, political, economic, and ethical issues that today's global business managers face. With a focus on trade, the licensing of intellectual property, and foreign direct investment, this edition examines the three major forms of doing business in a foreign country. Real examples, precedent-setting cases, managerial implications, and ethical considerations further emphasize key principles. From the legal relationship between parties in an international business transaction to managing risk to the special challenges of conducting business in emerging economies, readers review the most common practices and critical issues in global business law.
