A modern woman in the court of King Richard III is torn between saving the man she loves and stopping a historic

wrong in this time-travel romance. English historian Jayne Lyons has pinned her career hopes on proving that her ancestor, King Richard III, was not the nefarious villain of Shakespeare's tragedy. In fact, she believes he is innocent of the infamous murder of the Princes in the Tower. But while volunteering with the search for his missing grave, Jayne gets a much closer look at

Richard than she expected. Cast back into the brutal 15th century, she suddenly finds herself in the middle of Richard's army camp. Realizing that she may not be able to return home, Jayne begins to adjust to her new life. And the more she gets to know the true Richard, the more she is drawn to him. She even starts entertaining the hope of saving him. But the Princes are missing, and all evidence

points to Richard. When he asks her to spy for him against his enemy, Henry Tudor, she must decide whether to help the man she loves, even though he may be one of history's greatest villains. THE 2018 RONE AWARD WINNER FOR BEST IN TIME TRAVEL *The Woman in the Shaman's Body* Brent Nichols A boy grows to manhood while attempting to subdue the evil he

unleashed on the world as an apprentice to the Master Wizard. *Half-Shell Prophecies* Penguin Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't believe in relationships. Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her

lover before dawn, and repeats. That is until she meets gorgeous local surfer Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to spend more time together

than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy-he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by morning. The problem is, he

won't accept being another one-night stand, and will do anything to prove... Love really does exist.
Summary of the Four Winds by Kristin Hannah

Spells and prophecies sew havoc in the fight for humankind in the 4th novel of the #1 New York Times bestselling author's epic fantasy series. Having taken his rightful place as Lord Rahl, ruler of D'Hara, Richard must once again postpone his

wedding to Kahlan Amnell in order to face the fearsome Imperial Order in a fight for the New World and the freedom of humankind. But while Richard has the brave people of D'Hara at his command, Emperor Jagang of the Imperial Order has a significant advantage: he doesn't fight fair. Jagang invokes a prophecy that binds Richard and Kahlan to a fate of pain, betrayal, and a path to the	Underworld. At Jagang's behest, a Sister of the Dark gains access into the fabled Temple of the Winds and unleashes a plague that sweeps across the lands like a firestorm. To stop the plague, Richard and Kahlan must risk everything they have—and everything they've hoped for. <i>A Wizard of Earthsea</i> Wizard of the Four WindsA Shaman's Story Transform	Your Life and Empower Your Soul through the Mystical Union of Qabalah and Shamanism Take a journey into the Mysteries with Shamanic Qabalah. American epic

about love

and hope, set

during the

Great

Depression, a

time when the

country was in

crisis and at

war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only

option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their

livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land

she loves or leave it behind and go west, to California, in search of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength

of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation. *A Mystical Path to Uniting the Tree of Life & the Great Work* Simon and Schuster Mrs. Beggs decides her new boarder is the cause of the strange

done with fighting. She's hung up her bow, saddled her mule, and headed for home. But children are disappearing from the peaceful village of Raven Crossing. Her search for the children brings her face to face with vicious kidnappers, goblin armies, and mercenary dwarves. A war is brewing, and not just any war. It's a war where the dead don't stay fallen. Hurt,

exhausted, and sick of fighting, Tira will have to take up her bow once again. Somewhere there is a dark wizard manipulating the living and controlling the undead. Tira is saving an arrow just for him. He plans to rule the world, but he hasn't planned on Tira Archer. A distinguished anthropologist—who is also an initiated shaman—reveals the long-hidden female roots of the world's oldest form of religion and medicine. Here is a fascinating expedition into this ancient

tradition, from its prehistoric beginnings to the work of women shamans across the globe today. Shamanism was not only humankind's first spiritual and healing practice, it was originally the domain of women. This is the claim of Barbara Tedlock's provocative and myth-shattering book. Reinterpreting generations of scholarship, Tedlock—herself an expert in dreamwork, divination, and

healing—explains how and why the role of women in shamanism was misinterpreted and suppressed, and offers a dazzling array of evidence, from prehistoric African rock art to modern Mongolian ceremonies, for women's shamanic powers. Tedlock combines firsthand accounts of her own training among the Maya of Guatemala with the rich record of
