# Data Scientist The Definitive Guide To Becoming A Data Scientist English Edition

---

Patrick J. McGovern Foundation and Cloudera Foundation Announce Historic Merger

Duke professors' quantum computing startup going public in \$2B offering

Kettering University Professor Publishes Definitive Book on Tribology

Read to succeed -- in math; study shows how reading skill shapes more than just reading

Scientists discover X-rays coming from Uranus

Labcorp Named to Fast Company's List of the World's Most Innovative Companies for 2021

The definitive guide to lowering your phone, Internet and cable bills

The Compact NASA Atlas of the Solar System

Data Scientist The Definitive Guide

New multiple sclerosis subtypes identified using artificial intelligence

UCL scientists use AI to identify three new multiple sclerosis subtypes  
Regeneron Covid-19 Antibody Drug Reduced Risk of Hospitalization, Death by 70% in Late-Stage Trial  
Study examines possible link between diet and dementia  
Abortion and the Law in America  
WHO's "exciting adventure" to find the origins of COVID-19 runs into trouble  
Cloudera Foundation merger strengthens data science and AI support for nonprofits  
RPT-Scientists probe new theories on whether AstraZeneca shot linked to blood clots  
Coming Soon: An Update to the Definitive Book on U.S. Tornadoes
