St. Paul's image of the

Christian body was not difficult for a 17th-century European to understand; the organic society was a commonplace of political debate. History of Europe - Absolutism | Britannica Early modern absolutism is believed to have existed across Europe, but largely in the west in states such as Spain, Prussia, and Austria. It is considered to have reached its apogee under the rule of French King Louis XIV from 1643 to 1715, although there are dissenting views—such as that of historian Roger Mettam—suggesting that this was more dream than reality.
