NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Learn to Speak Fluent Tagalog (Filipino), the National Language of the Philippines (Downloadable material included) University of Hawaii Press

Tuttle Pocket Tagalog Dictionary is the most up-to-date Tagalog pocket dictionary available. It contains a comprehensive range of contemporary Tagalog words and expressions, including the latest Internet and social media vocabulary. This dictionary is specifically designed to meet the needs of English speakers who are studying or using Tagalog on a daily basis. It contains over 15,000 entries including all the vocabulary (in both directions) needed for everyday use. All headwords are in bold for easy look-up.

(Includes 64 Flash Cards, Downloadable Audio, Wall Chart & Learning Guide) Tuttle Publishing

At last, a way to improve your Tagalog! Written by Joi Barrios as the continuation of her best-selling Tagalog for Beginners book, Intermediate Tagalog is the first intermediate-level book designed specifically for people who already speak or understand some basic Tagalog and now wish to achieve greater fluency in speaking, reading and writing standard Filipino--the national language of the Philippines. The carefully-constructed lessons in this book point out common grammatical errors that English speakers make when speaking Tagalog, and present "real-life" conversations demonstrating how the language is spoken in Manila today. Extensive cultural notes are provided, along with exercises and activities that introduce the use of the Tagalog language in a wide range of everyday situations. The 20 lessons give you all the basic skills needed to speak Tagalog fluently: paglalarawan (the ability to describe people, places and feelings); pagsasalaysay (the ability to tell a story--whether a news story, a folktale, or an anecdote); paglalahad (how to explain something--for example, a custom or tradition, or how to cook a dish); and pangangatuwiran (reasoning and abstract thinking). Each lesson is carefully structured in six key parts: A "real-life" dialogue providing valuable conversational skills. A vocabulary list to expand your familiarity with common, everyday Tagalog words and expressions. A grammar review section (for example, on the correct uses of affixes in various sentence constructions). Insightful cultural notes presenting aspects of the Philippines that may seem "odd" to outsiders, to explain how Filipino culture shapes the way people speak. A reading passage from a story or newspaper article, with comprehension questions. A writing exercise designed to teach a specific writing skill. Using Intermediate Tagalog, you'll be able to talk about yourself, your family and your daily experiences using grammatically correct sentences and a native-speaker level vocabulary.

Lessons in Basic Tagalog for Foreigners and Non-Tagalogs University of Hawaii Press

Basic Tagalog is a friendly and accessible resource, providing beginning language learners with support, structure and thorough explanations. This is the most complete language course available for Tagalog--in one easy volume! This new edition has free online native-speaker audio recordings and dialogues in the

contemporary Manila dialect spoken throughout the Philippines today. All materials have been thoroughly updated with current vocabulary, phrases and real-life expressions used by younger Filipinos. This textbook includes: Over 2,500 Tagalog words and phrases Online audio recorded by native speakers to help with pronunciation Bidirectional dictionary Updated cultural notes and sentence patterns Dialogues with manga illustrations Practical exercises at the end of each lesson Downloadable flashcards Clear and concise grammar explanations This comprehensive language learning course is ideal for both self-study and classroom learners who wish to learn Tagalog the way it is actually spoken.

A Reference for Learners of Tagalog Tuttle Publishing

A comprehensive, one-year introductory textbook for Tagalog, the language spoken in the Philippines. Beginning Tagalog has been designed to meet the specific needs of adult native speakers of English who wish to learn spoken Tagalog, though students with other language backgrounds may be able to follow the course with profit. With fairly intensive class scheduling, and assuming laboratory assignments and home study, the text can be covered in one academic year. The text is designed to accomplish two aims. The first is to impart oral control of Tagalog and, by means of an acquaintance with the major patterns of the language, to provide the means for additional independent study that will lead to a full mastery of the structures and a vocabulary that is sufficiently broad to meet the needs of most students. The second aim is to provide accurate, up-to-date information about the patterns of Filipino culture that will enable a student to understand the social customs, standards, values, and aspirations of the Filipino people, in order to prepare him for sympathetic, enlightened, and useful participation in the context of Filipino society. . . . The text consists of 25 units and appendices. In the first half of the text, the student plays the part of hearer and speaker, with only incidental reading of oral dialogs and drills. From Unit XIII on there is a reading section designated for each unit, correlated with the primarily spoken materials, but designed to promote facility in the orthography and distinctive patterns of the written language. . . The basic format is as follows: A. Basic Dialog B. Cultural and Structural Notes C. Pronunciation Exercises (to Unit XIII) D. Drills and Grammar E. Cumulative Drills F. Visual-Cue Drills G. Comprehension-Response Drills H. Readings (from

Unit XIII)"

Tagalog Vocabulary Book Tuttle Publishing

Basic Tagalog 3ed

Tuttle Publishing

"Basic Tagalog takes a friendly and innovative approach, emphasizing the structure of the Tagalog language rather than just vocabulary. This user-friendly beginner Tagalog book teaches more than 2,000 Tagalog words and expressions with over 500 being added for this new edition. These are spread throughout 44 lessons, the Appendices and the exercises as well as in the Tagalog-English and English-Tagalog vocabulary lists at the back of the book. The added Tagalog vocabulary is meant to keep learners abreast of changes that have occurred in the language since the first edition of Basic Tagalog which was published. This edition has retained all the grammar lessons and the tried-and-tested teaching methodology developed by the author, Paraluman S. Aspillera, for the original version. Her method has proven to be extremely effective for tens of thousands of foreigners and non-Tagalogs who have used this book to learn Tagalog, including many who have successfully learned to speak Tagalog, read Tagalog and write Tagalog through self-study on their own without a teacher. Downloadable audio has also been added to facilitate the correct pronunciation of Tagalog words and phrases. A succinct introduction to the language and a description of the character of Filipinos will hopefully provide learners with a better understanding of the language they are learning. The lessons in Basic Tagalog are intended for a three-month period of intensive study followed by another three months of applied oral communication. In six months (or about 250 hours), it is expected that an average learner should be able to speak, write and understand simple, everyday, conversational Tagalog as spoken by most Filipinos. Highlights of this book include: Over 2,000 Tagalog words and expressions. 44 lessons organized by organized for efficient language absorption. Extensive exercises and activities to reinforce the lessons. Vocabulary lists serve as comprehensive English-Tagalog and Tagalog-English dictionaries. Completely updated and expanded with new materials. Includes downloadable audio. Using Basic Tagalog to study the Tagalog language will further encourage both non-Tagalogs and non-Filipinos to speak Tagalog better. Only then will they appreciate the individuality of the language that reflects the resilience and

flexibility of Filipinos all around the world. In the end, such learning will improve daily interactions and communications between non-Filipinos and Filipinos--whether in business, education, tourism, social or civic endeavors."

Fluent in 3 Months Innovative Language Learning

Over the last twenty years or so, most of the work on the syntax of Philippine languages has been focused on the question of whether or not these languages can be said to have grammatical subjects, and if so which argument of a basic transitive clause should be analysed as being the subject. Paul Kroeger's contribution to this debate asserts that grammatical relations such as subject and object are syntactic notions, and must be identified on the basis of syntactic properties, rather than by semantic roles or discourse functions. A large number of syntactic processes in Tagalog uniquely select the argument which bears the nominative case. On the other hand, the data which have been used in the debate to assert the ambiguity of subjecthood are best analysed in terms of semantic rather than syntactic constraints. Together these facts support an analysis that takes the nominative argument as the subject. Kroeger examines the history of the subjecthood debate and uses data from Tagalog to test the theories that have been put forth. His conclusions entail consequences for certain linguistic concepts and theories, and lead Kroeger to assert that grammatical relations are not defined in terms of surface phrase structure configurations, contrary to the assumptions of many approaches to syntax including the Government-Binding theory. Paul Kroeger is presently doing fieldwork in Austronesian languages and teaching linguistics to fieldworkers from around the world.

(MP3 Downloadable Audio Included) Center for the Study of Language (CSLI)

It's amazing how 100 key words and phrases provide instant communication! Do you want to speak simple Tagalog but are too busy to study it? Are you visiting the Philippines for a short time and want a Tagalog phrase book to help you communicate? If so, this is the book for you—it's the quickest and easiest way to learn the most common Filipino language. Its tiny 0.4 x 4.1 x 5.9 inches size makes it incredibly convenient to travel with but without losing the most essential content for communication. The idea of Instant Tagalog is simple—learn 100 words and phrases and say 1,000 things. The trick is knowing which 100 words to learn, but

the authors Jan Gaspi and Sining Marfori have solved the problem, choosing only those words you'll hear again and again. Even with a vocabulary this small, you'll be surprised how quickly and fluently you too can communicate in the Tagalog language. Added features include an easy-to-use pronunciation guide and Tagalog dictionary for quick reference. Here's a sample of what you'll be able to do: Meet people. Go shopping. Ask directions. Ride the subway. Order food and drinks. And much more.

PART OF A SET, which includes: Course Books 1-3, Workbooks 1-3, Essential Tagalog Grammar (a comprehensive grammar reference) and the Course Audio (7 CDs, or downloadable MP3s). Together, this fully integrated suite of learning materials provides all the essential elements you need to learn Tagalog in a fast, fun

and easy way and to speak Tagalog fluently. At a pace of 15-30 minutes a day, you'll progress very quickly. In just 6 months (roughly 70 hours), you'll be able to understand and participate in everyday Tagalog conversations. --- Lively Stories, Literal and Natural Translations, Pronunciation Marks --- Through lively stories and dialogues taken from everyday life in the Philippines, you'll learn useful Tagalog sentences from day one. In the dialogues, every Tagalog sentence is broken down into manageable chunks. Every word has a literal translation, and every sentence has a natural translation, showing you what each word means and how the sentence fits together. This will greatly help you understand how Tagalog works. It will also save you a lot of time, because you don't need to look up words. All Tagalog words and sentences in the learning materials have translations and pronunciation marks, so you'll know what every word means and how to pronounce it. --- "Whole" Language Learning --- The dialogues are also an ideal way to learn the "whole" language intuitively, with all its nuances, emotions, typical expressions and choice of words. By learning vocabulary and expressions in a meaningful context, you'll remember them more easily and you'll be able to use them in the right situations. --- Comprehensive Grammar Reference, Lesson Notes --- The cultural and grammatical notes in the lessons, paired with the comprehensive grammar reference, will give you an in-depth understanding of the language, using short, simple explanations and plenty of practical examples. You'll find the grammar reference a valuable resource, even long after you have reached fluency. --- Course Audio --- By listening to the audio tracks and repeating them out loud, you'll learn the correct Tagalog pronunciation and natural intonation. Doing this will also help you memorize the sentences. --- Workbooks --- The exercises in the workbooks are very effective at reinforcing the vocabulary and sentence patterns you have learned in the lessons. They are also a great way to test your progress. You can check your answers against the answer key provided at the end of each workbook. --- Well-thought-out Structure, Learner's Perspective --- The course has a well-thought-out structure that introduces useful material early on while still being easy to follow. It has been co-authored by a non-native speaker and carefully designed from the perspective of the learner. --- Level --- Learning Tagalog: Fluency Made Fast and

Easy is suitable for beginners as well as intermediate learners. Advanced learners can take it as a refresher. --- Free videos and downloads --- For free videos, free downloads and more information, visit LearningTagalog.com.
