The Ultimate Book of Shadows for the New Generation This book has everything a teen Witch could want and need between two covers: a magickal cookbook, encyclopedia, dictionary, and grimoire. It relates specifically to today's young adults and their concerns, yet is grounded in the magickal work of centuries past. Information is arranged alphabetically and divided into five distinct categories: (1) Shadows of Religion and Mystery, (2) Shadows of Objects, (3) Shadows of Expertise and Proficiency, (4) Shadows of Magick and Enchantment, and (5) Shadows of Daily Life. It is organized so readers can skip over the parts they already know, or read each section in alphabetical order. Features By the author of the best-

selling Teen Witch and mother of four teen Witches A jam-packed learning and resource guide for serious young Witches All categories are discussed in modern terms and their associated historical roots Includes endnotes and footnotes that cite sources or add clarification A training companion to Teen Witch and To Ride a Silver Broomstick

For those who wish to master the art of magical achievement, there are numerous occult aids which may be of value. Some of these tools are amulets, fetishes, charms, symbols, talismans. These are objects inscribed with a magic incantation or sign that stands for or suggests something else by reason of

relationship, association, convention or accidental resemblance - a visible sign of something invisible. They are worn or carried to avert harm, ward off misfortune, protect against danger, to bring good, insure fortunate events and attract love, luck, and favorable conditions. The seals herein are only the most popular or readily available talismans. The suggestions for uses have been modernized, shortened and simplified to suit the modern user.

Golden Secrets of Mystic Oils Weiser Books

Filled with plenty of hexes for just every purpose, from a general souring of ones life to causing baldness and even death. The spells within this book should only ever be used when they are justified. This is not for the frivolous practitioner

who throws hexes on people for no reason. With over 100 hexes, a few protection and un-hexing recipes this book is everything you've always wanted, but were too afraid to ask about.

American Folk Magick Waveland Press

Discover how to perform Enochian magick with a straightforward guide that shows just what to do. The Essential Enochian Grimoire is an easy-to-read manual that's light enough to carry in a magickal circle yet provides all the details you need to perform the ceremonies. Impeccably researched and clearly organized, this book is the definitive primer on a topic that has captivated esotericists for centuries. Explore the history of Enochian cosmology, the angels and the spirits of the system, the temple setup, and the making and usage of the tools. Learn the secrets of John Dee's classical Enochian system as well as the modern system developed by the Golden Dawn. Practice the rituals of the new and the old...and

summon the angels who guard the gates of heaven. Praise: "Aaron Leitch has done a remarkable job of clarifying the Enochian system for the benefit of both beginners and advanced magicians alike. You will not find a better introduction to Enochian magick anywhere."—Chic and Tabatha Cicero, Chief Adepts of the Hermetic Order of the Golden Dawn and co-authors of *The Essential Golden Dawn* "In the complex and often confusing world of Enochian magick, Aaron Leitch has accomplished the seemingly impossible by bringing clarity and precision while never oversimplifying or speaking down to the reader."—Donald Michael Kraig, author of *Modern Magick* "An indispensable addition to any Enochian magician's bookshelf."—Frater Yechidah, author of

Everything You Need to Know About Working with the Magic of the Elements

For thousands of years, our ancestors believed that the Elements - Earth, Air, Fire, and Water - were the building blocks of the Universe, and their inherent properties and energies could be directed to manifest particular outcomes. This belief grew and evolved over time as part of the Western Mystery Tradition, a body of beliefs that has had significant influence on the dynamic nature-based religion known as Wicca.

Through ritual and magic, Wiccans interact with the primal forces of the Elements in a variety of ways, calling upon them for assistance in the transformation of their realities just as the earliest shamans did in the ancient world. You may already be aware of some aspects of how the Elements figure into Wiccan practice. For example, you may know that each is represented by different ritual tools-the pentacle for Earth, the wand for Air, the cup for Water and the athame for Fire. But did you know that the psychic energies of each Element are found within each and every person on the planet? Or that by connecting spiritually with a particular Element you can help address an imbalance in your life? And let's not forget the all-important Fifth Element,

known in many traditions as Akasha, or simply Spirit, which contains the other four and yet is an Element in its own right. But if all of the above is news to you, don't worry-it really doesn't matter how much you've learned so far about Wicca or the Elements. Elemental Magic was created for both beginners and more experienced Witches alike. In this guide, best-selling author Lisa Chamberlain covers it all: the basics of incorporating the Elements into your rituals, as well as less-often discussed topics like animism, Elemental personalities, and using these forces of nature to help you enhance your magical perception. Indeed, as you will see, an Element-centered practice is a rich and rewarding way to deepen your connection to the Goddess and God, to

Nature, the Universe, or whatever terms your particular belief system ascribes to the power of All That Is. Foundations of Elemental Magic In order to truly grasp the underlying concepts behind working with the Elements, it's important to learn how these components-Earth, Air, Fire, Water and Spirit-came to be defined in Western magical traditions. You'll also need a close look at each individual Element to understand its inherent properties and its potential to transform your magical practice. You'll find all of this in Elemental Magic and much more: Our earliest civilizations' understandings of the Elements and their relationship to magic How recent scientific observations reflect these ancient concepts The core magical properties of each Element: Earth, Air, Fire, Water and Spirit, and

how we are personally influenced by these energies Ways of attuning with individual Elements for enhanced living and magical practice Elemental relationships with deities, "elemental beings," and spirit animals An overview of Wiccan ritual with a focus on the Elements, including altar layout, casting the circle, and calling the quarters Techniques and magical practices for working with individual Elements Spells, rituals and charms focused on each individual Element In addition, you'll find tables of correspondence covering the magical properties of each Element, as well as associated colors, spell ingredients, ritual tools and more at the end of the guide. Elemental Magic will be a treasured reference, magical guide, and springboard for you to make your

own discoveries about the power of the Elements and the magic they have to offer. Scroll to the top of the page, select the buy button, and receive an exclusive free eBook!

HexCraft Simon and Schuster Expressive works by selected members of the 'People of Goda' of the Clan of Tubal Cain that illustrate the impetus and the mood of the moment. Learn to Work with the Magick of the Dark Moon Shadow magick occupies a critical but often misunderstood role in the rich history of witchcraft. This book explores topics such as the ethical use of animal parts and bones, blood magick, dark moon energy, and other rarely discussed aspects of witchcraft. With a focus on ethically sourcing materials and suggestions for plant-based substitutions, author Kate Freuler provides much-needed information and hands-on techniques to help you strengthen your witchcraft practice, connect to nature, protect yourself (and your kith and kin), and know yourself in a deep way. Within these pages, you will also discover methods for hexing, scrying, sex magick, and working with dark deities in addition to the magickal

use of graveyard dirt and performing spells to assist the crossing of a dying loved one. The shadow work explored in *Of Blood and Bones* reminds us that not everything is love and light, and that facing the dark side supports the quest to achieve spiritual wholeness.

Wicca Spellcraft for Men Three Hands Press

Curses and harmful magic spells are often the first thing which spring to the minds of the uninitiated on hearing the term hoodoo, yet few rootworkers and conjurers are willing to discuss the subject. This simple book provides a variety of harmful and vindictive spells, including candle work and, of course, the famous VOODOO DOLLS. Described too are the methods for preparing and for cleaning up after harmful work to avoid

spiritual backlash.

Backwoods Shamanism Career Press

“For covens who prefer meeting outdoors, perhaps in a garden or a deep forest clearing, *The Green Witch* is a delightful guide to nature magic. It’s filled with practical recipes for herbal blends and potions, the properties of essential oils, and lots of ideas for healing and relaxation.” —Bustle
Discover the power of natural magic and healing through herbs, flowers, and essential oils in this guide to green witchcraft. At her core, the green witch is a naturalist, an herbalist, a wise woman, and a healer. She embraces the power of nature; she draws energy from the Earth and the Universe; she relies on natural objects like stones and gems to commune with the land she lives off of;

she uses plants, flowers, oils, and herbs for healing; she calls on nature for guidance; and she respects every living being no matter how small. In *The Green Witch*, you will learn the way of the green witch, from how to use herbs, plants, and flowers to make potions and oils for everyday healing as well as how crystals, gems, stones, and even twigs can help you find balance within. You’ll discover how to find harmony in Earth’s great elements and connect your soul to every living creature. The green witch focuses on harmony, healing, and balance with the Earth, but also with humanity and yourself. This guide also contains easy-to-understand directions for herbal blends and potions, ritual suggestions, recipes for sacred foods, and information on how to listen to and

commune with nature. Not only will you attune yourself to nature, but you will also embrace your own power. Learn about the world of the green witch and discover what the power of nature has in store for you.

The magickal methods and esoteric knowledge of medieval Europe (476 to 1453 C.E.) form the ancestral backbone of modern ceremonial magick. To understand medieval magick, it's necessary to know the primary repositories of this knowledge--the grimoires of spells, incantations, and ritual instructions for working with angels and conjuring spirits. And to understand the grimoires, you must delve into the life and times of the

magicians who wrote them. Scholar and magician Aaron Leitch sheds light upon the greatly misunderstood subject of the medieval mage in this comprehensive reference manual. In addition, he provides valuable comparisons among the magical practices described in the grimoires and various shamanic methods of working with the spirit world.

Hex Signs Llewellyn Worldwide

The mid-twentieth century saw the birth of popular occultism in Europe and the New World, including an interest in witchcraft. Chief among these was Wicca, a recension of ceremonial magic and nature worship advanced by Gerald Gardner and Alex Sanders, now widely regarded as a religion. However, lesser-known streams of the witch-current thrived the shadows, having older

historical roots, and linked to a body of practice - witch-bottles, knotted cord spells, curses, exorcisms, sexual magic, and charms ranging from the conjuration of angels to protection for livestock and hearth. This is Traditional Witchcraft, whose origin in part lies with the sorcery of the cunning-folk of Britain and Colonial America. Eschewing the popular occult limelight, its perpetuation as a mystery-cult continues as a largely closed group of initiates. Now revised and expanded, the second edition of CHILDREN OF CAIN is the definitive history of Traditional Witchcraft and its key operatives in Britain and the United States, and is based on over forty years of research and private collaboration with practitioners of this mysterious form of folk magic.

"Based on the journals of Dr. John Dee and Edward Kelley."

Secrets of Magical Seals Llewellyn Worldwide

Read worldwide for her wisdom, authenticity, and skillful prose, South African-born Bessie Head (1937-1986) offers a moving and magical tale of an orphaned girl, Margaret Cadmore, who goes to teach in a remote village in Botswana where her own people are kept as slaves. Her presence polarizes a community that does not see her people as human, and condemns her to the lonely life of an outcast. In the love story and intrigue that follows, Head brilliantly combines a portrait of loneliness with a

rich affirmation of the mystery and spirituality of life. The core of this otherworldly, rhapsodic work is a plot about racial injustice and prejudice with a lesson in how traditional intolerance may render whole sections of a society untouchable.

Voodoo Sorcery Grimoire Penguin

Sometimes the only way to get justice is to make it for yourself. Many modern witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those types of spells. This spell book is different. This spell book is wicked.

There are times when you will be hurt by someone you loved, betrayed by someone you trusted, maligned by someone you thought was your friend. Times when the magic of light and love

just will not do. Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as "white magic" or "black magic". Magic is what you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk all over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find: Agony of Acne Curse - to give someone a pimple Sour Break Up Spell - to end a relationship Banish Your Ex Hex - to drive them away forever Business Butcher Curse - to destroy a business Liar's Lamentation - to find out who has been spreading lies And over 50 other spells that use simple ingredients and

provide step-by-step directions that a beginner can follow. The next time someone wrongs you, will you turn the other cheek? Or will you be wicked?

Spellcraft, Hexcraft and Witchcraft

Independently Published

This is the first book to combine both these important subjects. In an easy-to-read style, the author will unlock for the serious New Age student the secret code which will bring about positive results in the area of personal spiritual growth as well as with everyday matters. Here are psalms you can read aloud or to yourself, along with the specific coloured candles to burn which: attract a new lover into your life; provide you with a new job or rise; rekindle an old affair; beat the odds and win at games of chance; gain great knowledge and

wisdom.
