Tasting Table calls the Instant Pot “the hottest kitchen tool since George Foreman’s pint-size grill” and everyone from Ruth Reichl to top food bloggers rave about its efficiency, convenience, and affordability. Now, with this licensed cookbook—one of the most comprehensive published to date—you can discover exactly how much this miracle appliance can do. This full-color cookbook features recipes for all the functions of the Instant Pot, from everyday staples to surprising new dishes. You’ll find more than 175 recipes for everything from breakfast to dessert, including delicious soups and stews, vegetable mains and sides, jams and

yogurts—even an entire cheesecake. This must-have cookbook is the perfect companion to the best-selling kitchen appliance to come along in decades.

GO Math! combines fresh teaching approaches with never before seen components that offer everything needed to address the rigors of new standards and assessments. The new Standards Practice Book, packaged with the Student Edition, helps students achieve fluency, speed, and confidence with grade-level concepts. GO Math! is the first K-6 math program written

to align with the Common Core. With GO Math! you will hit the ground running and have everything you need to teach the Common Core State Standards. GO Math! combines fresh teaching approaches with everything needed to address the rigors of the Common Core Standards. Using a unique write-in student text at every grade, students represent, solve, and explain -- all in one place. - Publisher.

HMH Books For Young
Readers

When a bus driver
takes a break in this
hilarious Caldecott
Honor-winning picture
book, he gives the
reader just one
instruction: "Don't let
the pigeon drive the
bus!" But, boy, that
pigeon tries every trick
in the book to get in
that driving seat: he
whines, wheedles, fibs
and flatters. Will you
let him drive? Told
entirely in speech
bubbles, this brilliantly
original and funny
picture book demands
audience participation!
