## **BRIGGS BRODY**

---

**The Witch Next Door** Hachette UK  
A fun-filled activity book starring the one-and-only Mildred Hubble, positively the worst witch at Miss Cackle's Academy for witches! Mildred often gets her spells wrong but she always tries her best, especially in this book packed with word games, puzzles, crosswords, wordsearches, top tips and spells!  
*Peace at Last* Walker  
With Valentine's Day fast approaching,

Preston High is feeling the love! When Pedro decides to ask out the girl he likes, Napoleon convinces his friend he'll need to up his "cool factor" first--and Napoleon's schemes never go quite as planned! Will this Valentine's Day end in broken hearts? We don't know, stop asking, gosh!  
*The Worst Witch at School* Candlewick Press  
Loveable but accident-prone Mildred Hubble is possibly the worst witch ever to go to Miss Cackle's Academy for Witches... Mildred is in deep water on the school trip. This title is a story of life at a magical boarding school.

*The Worst Witch Saves the Day*  
Candlewick Press  
Presents two stories about Mildred Hubble, who can't seem to keep out of trouble during her first and second semesters at Miss Cackle's Academy for Witches.  
**Napoleon Dynamite: Valentine's Day Special** Penguin UK  
Back in print! Norman Bridwell's funny and charming story about appreciating individual differences.  
*Mr. Large in Charge* Candlewick Press  
Presents two stories about Mildred Hubble, who can't seem to keep out of trouble during her first and second semesters at

Miss Cackle's Academy for Witches.  
Original.

*The Worst Witch* Scholastic Inc.

This introductory creative writing text uses a unique, multi-genre approach to provide students with a broad-based knowledge of their craft, treating them as professional writers. Beginning by discussing elements common to all genres, this book underscores the importance of learning good writing habits before committing to a genre, encouraging writers to look beyond their genre expectations and learn from other forms. The book then devotes one chapter to each of the major literary genres: fiction, poetry, drama and creative nonfiction. These style-specific sections provide depth as they compare the different genres, furnishing students with a comprehensive understanding of creative writing as a discipline and fostering creativity. The discussion concludes with a chapter on digital media and an appendix on literary citizenship and publishing. With exercises at the end of each chapter, a glossary of literary terms, and a list of resources for further study, *A Writer's Craft* is the ideal companion to an introductory creative

writing class.

*A Scientific Guide to Growing Up* Viking  
Canada

Mildred Hubble, possibly the worst student at Miss Cackle's Academy for Witches, is back for a new adventure. After her nemesis, Ethel Hallow, steals her enchanted tortoise, Einstein, Mildred must fly through a violent thunderstorm to rescue him. Illustrations.

Squirrel Hill Magical Adventures of the  
Wors

Mildred Hubble's first term at Miss Cackle's Academy for Witches starts badly when, unlike her classmates, she can't control her broom, her kitten, or her spells.

A Writer's Craft Candlewick Press

The definitive guide to the life of the first woman to play a major role in Greek political history, this is the first modern biography of Olympias. Presenting a critical assessment of a fascinating and wholly misunderstood figure, Elizabeth Carney penetrates myth, fiction and sexual politics and conducts a close examination of Olympias through historical and literary sources, and brings her to life as she places the figure in the context of her own ancient, brutal political world.

Individual examinations look at: the role of Greek religion in Olympias' life literary and artistic traditions about Olympias found throughout the later ancient periods varying representations of Olympias found in the major ancient sources. An absolutely compelling read for students, scholars, and anyone with an interest in Greek, Classical, or women's history.

**Three Cheers for the Worst Witch**

HarperCollins

Danielle needs a perfect friend, but sometimes making (or creating) one is a lot easier than keeping one! Sometimes making a friend is a lot easier than keeping one! Sixth grade was SO much easier for Dany. All her friends were in the same room and she knew exactly what to expect out of life. Now that she's in seventh grade, she's in a new middle school, her friends are in different classes and forming new cliques, and she is totally, completely lost. What Dany really needs is a new best friend! So when she inherits a magic sketchbook from her eccentric great-aunt in which anything she sketches in it comes to life, she draws Madison, the most amazing, perfect, and awesome best friend ever. The thing is,

even when you create a best friend, there's no guarantee they'll always be your best friend. Especially when they discover they've been created with magic!

*A Bad Spell for the Worst Witch* Magical Adventures of the Wors

A piercing portrait of the struggles and triumphs of one of America's renowned Jewish neighborhoods in the wake of unspeakable tragedy that highlights the hopes, fears, and tensions all Americans must confront on the road to healing. Squirrel Hill, Pittsburgh, is one of the oldest Jewish neighborhoods in the country, known for its tight-knit community and the profusion of multigenerational families. On October 27, 2018, a gunman killed eleven Jews who were worshipping at the Tree of Life synagogue in Squirrel Hill--the most deadly anti-Semitic attack in American history. Many neighborhoods would be understandably subsumed by despair and recrimination after such an event, but not this one. Mark Oppenheimer poignantly shifts the focus away from the criminal and his crime, and instead presents the historic, spirited community at the center of this heartbreak. He speaks with

residents and nonresidents, Jews and gentiles, survivors and witnesses, teenagers and seniors, activists and historians. Together, these stories provide a kaleidoscopic and nuanced account of collective grief, love, support, and revival. But Oppenheimer also details the difficult dialogue and messy confrontations that Squirrel Hill had to face in the process of healing, and that are a necessary part of true growth and understanding in any community. He has reverently captured the vibrancy and caring that still characterize Squirrel Hill, and it is this phenomenal resilience that can provide inspiration to any place burdened with discrimination and hate.

#### **First Prize for the Worst Witch**

Candlewick Press

This story of two girls trying to banish a witch is “full of wonderful fun, excitement, and humor” (Library Journal). Old Witch likes nothing better than to fly around on her broomstick, crying “Heh-heh!” and casting abracadabras. But now she has been sent away . . . by two young girls. Amy and Clarissa have decided that Old Witch is just too mean and wicked. So, drawing a rickety old house upon a barren

glass hill, they exile Old Witch there with a warning: She better be good, or else no Halloween! But to give Old Witch some company, they draw her a Little Witch Girl and a Weeny Witch Baby . . . Old Witch tries to be good, but anyone would get up to no good in a place as lonely as the glass hill. And Amy and Clarissa are about to find that out, when Old Witch magics them into her world of make-believe-made-real, in “a very special book that is certain to give boundless pleasure—at any time of the year” (The Horn Book). “A classic for Halloween.” —Library Journal

#### **Meltdown!** HMH

FIND YOUR FEET. DISCOVER YOUR QUIRKS. GROW UP PERFECTLY WEIRD, PERFECTLY YOU. Did you know that ... \* Finding your confidence is a lot like programming a computer? \*

Understanding photosynthesis can teach you about following your passions? \* Peer pressure and Isaac Newton have more in common than you might think? Well, welcome to Dr Camilla Pang's scientific survival guide to growing up! As a child Camilla loved patterns and putting things in order. She was obsessed with Stephen Hawking. And the only language she really

understood was science. Diagnosed with autism age 8, Camilla saw the world very differently. But with science as her sidekick, she was able to translate ideas she could understand (like gravity, photosynthesis and algorithms) onto things she couldn't (like peer pressure, emotions and finding your voice). Today, Camilla is a scientist and an award-winning author, and she is here to share her scientific survival guide with you - so you can grow up with the courage to be yourself, no matter how different you feel or how tricky you might find it to connect. Because the hard part of growing up isn't dealing with other people (their opinions, their popularity or their exam results). No, the hard part is you: learning who you are and what makes you tick. And the really hard part is accepting that it's completely normal to be perfectly weird. In fact, it's essential to growing up happy.

*The Worst Witch* Large Family

Marlon, the monster, loves his dummy. He calls it his 'noo-noo'. His mum, granny and all the other monsters say he's too old for a dummy. But Marlon's not giving up his noo-noo until he wants to.

INSTANT NEW YORK TIMES BESTSELLER // WINNER OF THE SABEW BEST IN BUSINESS

AWARD A Book of the Year: Fortune, Foreign Affairs, The Times (London), Cosmopolitan, TechCrunch, WIRED "The ultimate takedown." - New York Times

Book Review Award-winning New York Times reporters Sheera Frenkel and Cecilia Kang unveil the tech story of our times in a riveting, behind-the-scenes exposé that offers the definitive account of Facebook's fall from grace. Once one of Silicon Valley's greatest success stories, Facebook has been under constant fire for the past five years, roiled by controversies and crises. It turns out that while the tech giant was connecting the world, they were also mishandling users' data, spreading fake news, and amplifying dangerous, polarizing hate speech. The company, many said, had simply lost its way. But the truth is far more complex. Leadership decisions enabled, and then attempted to deflect attention from, the crises. Time after time, Facebook's engineers were instructed to create tools that encouraged people to spend as much time on the platform as possible, even as those same tools boosted inflammatory rhetoric, conspiracy theories, and partisan filter bubbles. And while consumers and lawmakers focused their outrage on privacy breaches and misinformation, Facebook solidified its role as the world's most voracious data-mining machine,

posting record profits, and shoring up its dominance via aggressive lobbying efforts. Drawing on their unrivaled sources, Sheera Frenkel and Cecilia Kang take readers inside the complex court politics, alliances and rivalries within the company to shine a light on the fatal cracks in the architecture of the tech behemoth. Their explosive, exclusive reporting led them to a shocking conclusion: The missteps of the

last five years were not an anomaly but an inevitability—this is how Facebook was built to perform. In a period of great upheaval, growth has remained the one constant under the leadership of Mark Zuckerberg and Sheryl Sandberg. Both have been held up as archetypes of uniquely 21st century executives—he the tech “boy genius” turned billionaire, she

the ultimate woman in business, an inspiration to millions through her books and speeches. But sealed off in tight circles of advisers and hobbled by their own ambition and hubris, each has stood by as their technology is coopted by hate-mongers, criminals and corrupt political regimes across the globe, with devastating consequences. In *An Ugly Truth*, they are at last held accountable.
