Motor Age

Lists news events, population figures, and miscellaneous data of an historic, economic, scientific and social nature.

Engineering

A true icon of Italian lifestyle, the 500 was actually supposed to be a niche product, but in just few years, its elegance and affordability made it one of the best selling cars, with 4 Millions units manufactured and sold in a 20 years lifespan. ▷ This volume recounts the story of this Italian symbol from the early models, through the iconic 1957 Nuova 500, up to the current version thanks

to the many renderings and original designs included. ▷ The book gathers pictures to witness the relevance of the 500 and its many appearances in art, news, movies and every-day life.

Flight

A visual history of the FIAT 500, the ultimate lifestyle car that has remained a timeless classic and design legend. Considered to be one of the most popular models in automotive

history, the FIAT 500 has become a legend over time. Its innovative features, the original and recognizable design of its bodywork, and its versatility have distinguished it as an automotive icon with enduring appeal. FIAT 500: The Design Book is an invitation to embark on a captivating journey through the main milestones of the 500 project: from the first series in the 1960s

to the public presentation at the Geneva International Motor Show of the Trepùno prototype in 2004, of the new 500 and 500C, the 500L through to the 500X. This visually rich and fascinating book explains not only the genesis and "design metamorphosis" of each model, but also their backgrounds, and explores the contributions of the designers who have helped to develop them with

innovation and foresight.
