Make Yourself Unforgettable Tor Books

As the daughter of a drug dealer, Wavy knows not to trust people, not even her own parents. It's safer to keep her mouth shut and stay out of sight. Struggling to raise her little brother, Donal, eight-year-old Wavy is the only responsible adult around. Obsessed with the constellations, she finds peace in the starry night sky above the fields behind her house, until one night her star gazing causes an accident. After witnessing his motorcycle wreck, she forms an unusual friendship with one of her father's thugs, Kellen, a tattooed ex-con with a heart of gold. By the time Wavy is a teenager, her relationship with Kellen is the only tender thing in a brutal world of addicts and debauchery. When tragedy

rips Wavy's family apart, a well-meaning aunt steps in, and what is beautiful to Wavy looks ugly under the scrutiny of the outside world. Kellen may not be innocent, but he is the fixed point in Wavy and Donal's chaotic universe. Instead of playing it safe, Wavy has to learn to fight for Kellen, for her brother, and for herself. About the Author Bryn Greenwood is a fourth-generation Kansan, one of seven sisters, and the daughter of a mostly reformed drug dealer. She earned a MA in Creative Writing from Kansas State University. She is the New York Times bestselling author of the novels *The Reckless Oath We Made*, *All the Ugly and Wonderful Things*, *Last Will*, and *Lie Lay Lain*. She lives in Lawrence, Kansas. The Dale Carnegie Course Hartwood Publishing Group

Have you ever walked away from a conversation full of doubts and insecurities? Do you feel as if you've lost a little ground after every staff meeting? Most people are either too passive or too

aggressive in their business lives, and they end up never getting the support, recognition, or respect that they desire. The business leaders and trainers from Dale Carnegie Training® have discovered that applying appropriate assertiveness to all interactions is the most effective approach to creating a successful career. The 5 Essential People Skills shows how to be a positively assertive, prosperous and inspired professional. Readers learn to:

- Relate to the seven major personality types
- Live up to their fullest potential while achieving personal success
- Create a cutting-edge business environment that delivers innovation and results
- Use Carnegie's powerhouse Five-Part template for articulate communications that grow business
- Resolve any conflict or misunderstanding by applying a handful of proven principles

Once readers know and can employ these powerful skills, they will be well on their way to a new level of professional and personal achievement.

Unforgettable Journeys Penguin

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

In celebration of its highly anticipated Broadway revival, Ntozake Shange's classic, award-winning play centering the wide-ranging experiences of Black women, now with introductions by two-time National Book Award winner Jesmyn Ward and Broadway director Camille A. Brown. From its inception in California in 1974 to its Broadway revival in 2022, the Obie Award-winning for colored girls who have considered suicide/when the rainbow is enuf has excited, inspired, and transformed audiences all over the country for nearly fifty years. Passionate and fearless, Shange's words reveal what it meant to be a woman of color in the 20th century. First published in 1975, when it was praised by *The New Yorker* for "encompassing...every feeling and experience a woman has ever had," for colored girls who have considered suicide/when the rainbow is enuf will be read and performed for generations to come. Now with new introductions by Jesmyn Ward and Broadway director Camille A. Brown, and one poem not included in the original, here is the complete text of a groundbreaking dramatic prose poem that resonates with unusual beauty in its fierce message to the world.

The Unforgettable Guinevere St. Clair Penguin UK

THIS IS A BOOK ABOUT SELF-SABOTAGE. Why we do it, when we do it, and how to stop doing it-for good. Coexisting but conflicting needs create self-sabotaging behaviors. This is why we resist efforts to change, often until they feel completely futile. But by extracting crucial insight from our most damaging habits, building emotional intelligence by better understanding our brains and bodies, releasing past experiences at a cellular level, and learning to act as our highest potential future selves, we can step out of our own way and into our potential. For centuries, the mountain has been used as a metaphor for the big challenges we face, especially ones that seem impossible to overcome. To scale our mountains, we actually have to do the deep internal work of excavating trauma, building resilience, and adjusting how we show up for the climb. In the end, it is not the mountain we master, but ourselves.

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Make Yourself Unforgettable HarperCollins

A New York Times bestseller • A New York Times Notable Book "The tale of how Konnikova followed a story about poker players and wound up becoming a story herself will have you riveted, first as you learn about her big winnings, and then as she conveys the lessons she learned both about human nature and herself." —The Washington Post It's true that Maria Konnikova had never actually played poker before and didn't even know the rules when she approached Erik Seidel, Poker Hall of Fame inductee and winner of tens of millions of dollars in earnings, and convinced him to be her mentor. But she knew her man: a famously thoughtful and broad-minded player, he was intrigued by her pitch that she wasn't interested in making money so much as learning about life. She had faced a stretch of personal bad luck, and her reflections on the role of chance had led her to a giant of game theory, who pointed her to poker as the ultimate master class in learning to distinguish between what can be controlled and what can't. And she certainly brought something to the table, including a Ph.D. in psychology and an acclaimed and growing body of work on human behavior and how to hack it. So Seidel was in, and soon she was down the rabbit hole with him, into the wild, fiercely competitive, overwhelmingly masculine world of high-stakes Texas Hold'em, their initial end point the following year's World Series of Poker. But then something extraordinary happened. Under Seidel's guidance, Konnikova did have many epiphanies about life that derived from her new pursuit, including how to better read, not just her opponents but far more importantly herself; how to identify what tilted her into an emotional state that got in the way of good decisions; and how to get to a place where she could accept luck for what it was, and what it wasn't. But she also began to win. And win. In a little over a year, she began making earnest money from tournaments, ultimately totaling hundreds of thousands of dollars. She won a major title, got a sponsor, and got used to being on television, and to headlines like "How one writer's book deal turned her into a professional poker player." She even learned to like Las Vegas. But in the end, Maria Konnikova is a writer and student of human behavior, and ultimately the point was to render her incredible journey into a container for its invaluable lessons. The biggest bluff of all, she learned, is that skill is enough. Bad cards will come our way, but keeping our

focus on how we play them and not on the outcome will keep us moving through many a dark patch, until the luck once again breaks our way.

The Untethered Soul (EasyRead Super Large 18pt Edition) Simon and Schuster

The instant Wall Street Journal, USA Today, and international bestseller “While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I’ve found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition.” —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. Ego Is the Enemy draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, “you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you’ve set out to achieve.”

“100 percent unforgettable.” —Kirkus Reviews (starred review)
 “Part mystery, part study of the human heart, and one pierced with rays of hope.” —Booklist (starred review) “A big-hearted adventure about coming home.” —Publishers Weekly A ten-year-old girl is determined to find her missing neighbor, but the answers lead her to places and people she never expected—and maybe even one she’s been running away from—in this gorgeous debut novel that’s perfect for fans of *The Thing About Jellyfish*. Guinevere St. Clair is going to be a lawyer. She was the fastest girl in New York City. She knows everything there is to know about the brain. And now that she’s living in Crow, Iowa, she wants to ride into her first day of school on a cow named Willowdale Princess Deon Dawn. But Gwyn isn’t in Crow, Iowa, just for royal cows. Her family has moved there, where her parents grew up, in the hopes of jogging her mother Vienna’s memory. Vienna can no longer remember anything past the age of thirteen, not even that she has two young daughters. Gwyn’s father is obsessed with finding out everything he can to help his wife, but Gwyn’s focused on problems that seem a little more within her reach. Like proving that the very strange Gaysie Cutter who lives next door is behind the disappearance of her only friend, Wilbur Truesdale. Gwyn is sure she can crack the case, but when she does she finds that not all of her investigations lead her to the places she would have expected. In fact they might just lead her to learn about the mother she’s been doing her best to forget...
