"Full of yearning,
ponderances about art
and what it means to
be an artist, and self-
revelation, *A Scatter of
Light* has a simmering
intensity that makes it
hard to put
down."—NPR An
Instant New York Times

Bestseller *Last Night at
the Telegraph Club*
author Malinda Lo
returns to the Bay Area
with another masterful
queer coming-of-age
story, this time set
against the backdrop
of the first major
Supreme Court
decisions legalizing gay
marriage. Aria Tang
West was looking
forward to a summer
on Martha's Vineyard
with her best
friends—one last round

of sand and sun before college. But after a graduation party goes wrong, Aria's parents exile her to California to stay with her grandmother, artist Joan West. Aria expects boredom, but what she finds is Steph Nichols, her grandmother's gardener. Soon, Aria is second-guessing who she is and what she wants to be, and a summer that once seemed lost becomes unforgettable—for Aria, her family, and the working-class queer community Steph introduces her to. It's the kind of summer that changes a life forever. And almost sixty years after the end of *Last Night at the Telegraph Club*, *A Scatter of Light* also offers a glimpse into Lily and Kath's lives since 1955.

HarperCollins
"Built on her ... Modern Love column, 'When a Couch is More Than a Couch' (9/23/2016), a ... memoir of living meaningfully with 'death in the room' by the 38-year-old great-great-great granddaughter of Ralph Waldo Emerson--mother to two young boys, wife of 16 years--after her terminal cancer diagnosis"--
The Hundred Years' War on Palestine
Simon and Schuster
"Page-turning . . . Set against the political and religious turmoil of the times, the Thoenes' story vividly reimagines the evolving friendship between Jesus and Lazarus." —Publishers Weekly *LAZARUS*—the man Jesus raised from

the dead in one of the most extraordinary encounters with The Living Savior in all of Scripture. But the life of Lazarus holds interest well beyond this miraculous event. Living in Bethany, near Jerusalem, Lazarus witnessed many of the most important events of Jesus's life and ministry. Lazarus owned a vineyard and devoted his life to caring for its vines and fruit. But he encountered another man—Jesus—whose vineyard was the world, its fruit the eternal souls of men. When Lazarus's story and the story of Jesus's crucifixion and resurrection touch in *When Jesus Wept*, we are offered a unique vision into the power and comfort of Christ's love. Brock and Bodie

Thoene's most powerful and climactic writing project to date, *When Jesus Wept*, captures the power and the passion of the men and women who lived through the most important days in the history of the world.

Astronomers have successfully observed a great deal of the Universe's history, from recording the afterglow of the Big Bang to imaging thousands of galaxies, and even to visualising an actual black hole. There's a lot for astronomers to be smug about. But when it comes to understanding how the Universe began and grew up we are literally in the dark ages. In effect, we are missing the first one billion

years from the timeline of the Universe. This brief but far-reaching period in the Universe's history, known to astrophysicists as the 'Epoch of Reionisation', represents the start of the cosmos as we experience it today. The time when the very first stars burst into life, when darkness gave way to light. After hundreds of millions of years of dark, uneventful expansion, one by one these stars suddenly came into being. This was the point at which the chaos of the Big Bang first began to yield to the order of galaxies, black holes and stars, kick-starting the pathway to planets, to comets, to moons, and to life itself. Incorporating the very

latest research into this branch of astrophysics, this book sheds light on this time of darkness, telling the story of these first stars, hundreds of times the size of the Sun and a million times brighter, lonely giants that lived fast and died young in powerful explosions that seeded the Universe with the heavy elements that we are made of. Emma Chapman tells us how these stars formed, why they were so unusual, and what they can teach us about the Universe today. She also offers a first-hand look at the immense telescopes about to come on line to peer into the past, searching for the echoes and footprints of these stars, to take this period in the Universe's history from

the realm of theoretical physics towards the wonder of observational astronomy.

First Light Harper Collins

In the beginning...

Three brothers – Gabriel, Michael and Lucifer. Royalty.

Archangels. United in devotion to their father and all his works. But when Lucifer learns of their father’s latest creation – a new race, fashioned from crude matter and yet made in his image – he is consumed with resentment. Why have he and his angelic kind been overlooked? After a bitter confrontation, Lucifer is cast out, doomed to an eternity of exile and punishment.

Unrepentant, he vows he won’t suffer alone. Mankind has made a

powerful enemy – one determined to lure it into darkness and torment any way he can... “There could be no bigger canvas for film-making.” – Mark Ordesky (Executive Producer – Lord of the Rings); “Alec not only re-frames pre-history; she also imaginatively illustrates how the realm of spirit impacts the contemporary material world.” Ileen Maisel (Executive Producer for the Golden Compass) “This is the best work of fiction I have read since the last installment of Dean Koontz’ Frankenstein series” Jim McDonald – 1340Mag – Online Entertainment Magazine.

A. D. Chronicles
Training rescued
hoomans is a stressful

and tiring job, but someone has to do it. Get ready for lots of laughs and awww-moments, because The Finn Chronicles is a unique story told by an extraordinary dog. He's irreverent, funny, and full of sass. Based on his real life, join Finn as he issues weekly reports back to the K9 Rescue Headquarters on the strange behaviors and rituals of his rescue-hoomans. With sarcastic wit, he observes the curious world around him, heroically saves his unwitting hoomans from dangers (see also: evil electric toothbrush), and shares his musings about the often-lackluster level of service he feels he receives.

to Darkness Gwen Romack
A.D. 3485 When it comes to First Contact, there are no second chances. Taylor went along for the ride to help her mother survey a new planet, and the offer of a few extra course credits for doing field work certainly didn't hurt. A planet on the edge of disputed territory, sure, but the war with the Xathen had ended thirty years ago, and the Commonwealth had won. It didn't matter that the first survey ship failed to return, things like that happened during wartime. But this was just term break, with two whole months to work alongside her mother and get to know her better while she sharpened her Xenobiology skills in a

verdant paradise. With any luck, she would graduate early. But Taylor messed up, big time. Now she was lost, alone and struggling to survive, stranded ten thousand light-years from home.

Second Touch

Bantam

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon,

and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the

first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. *Shiloh Autumn Tyndale*
House Pub
What if you could change your life-- without changing your life? Gretchen had a good marriage, two healthy daughters, and

work she loved--but one day, stuck on a city bus, she realized that time was flashing by, and she wasn't thinking enough about the things that really mattered. "I should have a happiness project," she decided. She spent the next year test-driving the wisdom of the ages, current scientific studies, and lessons from popular culture about how to be happier. Each month, she pursued a different set of resolutions: go to sleep earlier, quit nagging, forget about results, or take time to be silly. Bit by bit, she began to appreciate and amplify the happiness that already existed in her life. Written with humour and insight, Gretchen's story will inspire you to start your own

happiness project. Now in a beautiful, expanded edition, Gretchen offers a wealth of new material including happiness paradoxes and practical tips on many daily matters: being a more light-hearted parent, sticking to a fitness routine, getting your sweetheart to do chores without nagging, coping when you forget someone's name and more.

The Fall of Lucifer

Atria Books/Beyond Words

In 1987, medical transcriptionist Patricia Pereira suddenly started receiving telepathic communications from the star Arcturus and was requested to begin a series of galactically inspired manuscripts. The mission of this series of books is to

awaken us to our individual and collective spiritual obligation for the health and well-being of our planet and all creatures who live upon her. Philosophical in cope, the essays in these books provide pragmatic, practical suggestions for emotional, mental physical, and spiritual transformation. They remind us of our familial relationships to beings of light who inhabit the great star nations. This book, the first in a series of four, provides practical suggestion to help us shift our emotional, physical, and spiritual states so that we can prepare to take our future place in the Universal Community. *Only the River Runs Free* Macmillan
When the cotton

market collapses on October 1, 1931, the families of Shiloh, Arkansas must learn to struggle through the Great Depression.

Songs Of The Arcturians A. D.

Chronicles
Follow Wisdom as he narrates the creation of the universe with two angels at his side. The miraculous touch of God's word flows out, making everything we see come into existence. It is now that the Creator starts the cosmic clock of time. Witness the creation of the most beautiful and enticing of all angels called MERIBEL (Satan) as it transforms into a false jealous god, attempting to create a "perfect" universe of its own. See angels fall and join in that false teaching, following

their powerfully built and beautiful master. Your guide Wisdom reveals evil entering the world of humans, wreaking havoc along mankind's history with stories of Adam and Eve, Noah, Jesus, Joan of Arc, and the US Civil War—eventually up to the present day. The fallen angels called Mites then prepare for what they think will be an eternity of keeping humans from knowing the truth about their Creator. After being indoctrinated and assigned to an area of planet Earth known as the Bible Belt, two little Mites attempt to destroy the faith of humans they contact. News reaches the duo of a galaxy-wide symposium by their dark leadership. They become concerned not having reached their

assigned misguidance quota preventing humans converting to the truth by accepting the God of the universe. Our two Mites are fearful of the consequences of this meeting. Their trip to this conference proves most eventful when MERIBEL himself shows up.

THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is

a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty

around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply

moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Seventh Day A. D. Chronicles

In this bestselling series Bodie and Brock Thoene have thrilled readers with an epic tale chronicling the struggle for the world's holiest and most turbulent city. As *Jerusalem's Hope* opens, strategist Moshe Sachar remains hidden in a secret tunnel beneath the Temple Mount, safely removed from the chaos of Israel's 1948 war of independence, while the funeral of an

elder rabbi proceeds above him. Using the instructions the rabbi gave him before his death, Moshe opens another sacred scroll and is once again transported to the dramatic biblical story of a charismatic but mysterious prophet. As word of the miracles performed by this seer spreads, bloody violence erupts, threatening the future of the Roman state and revealing the prophet's surprising identity.

Twelfth Prophecy

Bloomsbury Publishing
USA

Abigail, a Samaritan woman, is threatened by the residents in her village because she is pregnant by a man other than her elderly husband and, seeking help, only feels love and kindness for the first time when she

speaks with Yeshua of Nazareth.

Tenth Stone Zion

Chronicles (Paperback)

The forgotten

protagonist of this true account aspired to be a cubist painter in his native Kyiv. In a Europe remade by the First World War, his talents led him to different

roles—intelligence operative, powerful statesman, underground activist, lifelong conspirator.

Henryk Józewski

directed Polish intelligence in Ukraine, governed the

borderland region of Volhynia in the interwar years, worked in the anti-Nazi and anti-Soviet

underground during the Second World War, and conspired against Poland's Stalinists until his arrest in 1953. His

personal story, important in its own right, sheds new light on the foundations of Soviet power and on the ideals of those who resisted it. By following the arc of Józewski's life, this book demonstrates that his tolerant policies toward Ukrainians in Volhynia were part of Poland's plans to roll back the communist threat. The book mines archival materials, many available only since the fall of communism, to rescue Józewski, his Polish milieu, and his Ukrainian dream from oblivion. An epilogue connects his legacy to the disintegration of

the Soviet Union and the democratic revolution in Ukraine in 2004.

Lord of Light A. D. Chronicles

Mary and Yosef begin their fateful journey to Jerusalem while King Herod ponders a prophecy about a rival to his throne.

Jerusalem Vigil Penguin

In first-century Jerusalem, questions arise concerning the identity of Yeshua of Nazareth, while Zahav finds herself waiting for the Messiah and Manaen, blinded by violence, and Susanna, struggle to overcome the evil surrounding them.
