**face2face Starter Student's Book with DVD-ROM** Longman  
 face2face is the flexible, easy-to-teach General English course that helps adults and young adults to speak and listen with confidence. face2face is informed by Cambridge English Corpus and its vocabulary syllabus has been mapped to the English Vocabulary Profile, meaning students learn the language they really need at each CEFR level. The course improves students' listening skills by drawing their attention to the elements of spoken English that are difficult to understand. The free DVD-ROM in the Student's Book includes consolidation activities and electronic portfolio for learners to track their progress with customisable tests and grammar and vocabulary reference sections.

Face2face is a general English course for adults and young adults who want to communicate quickly and effectively in today's world. This Workbook Answers section is available separately from the pack, which is a saleable item. The presentation and practice of vocabulary and grammar are of equal importance and there is a strong focus on listening and speaking with an emphasis on 'real world' language for social situations. The listening and reading material provides fresh new angles on universal topics, and students are given numerous opportunities to practise new language through a wide variety of communicative activities, many of which are personalised. face2face is also fully compatible with the Common European Framework of Reference for Languages and gives students

regular opportunities to evaluate their progress. Each self-contained double-page lesson is easily teachable off the page with minimal preparation. The Teachers Books contain optional photocopiable resources and tests, ensuring that the course can be tailored to the needs of different classes. Each level provides approximately 80 hours of core teaching material, which can be extended to 120 hours with the inclusion of the photocopiable resource material and extra ideas in the Teacher's Book. The Student's Books are packaged with a free CD-ROM/Audio CD which offers hundreds of extra practice activities, video sequences, recording capability, customizable texts and much more.
