*Mathematical Literacy in Today's World* John Wiley & Sons

Filled with real-world case studies and examples of ethical dilemmas, *Understanding Business Ethics*, Third Edition prepares students and managers alike to make ethical decisions in today's complex, global environment. Bestselling authors Peter A. Stanwick and Sarah D. Stanwick explain the fundamental importance of ethical leadership, decision making, and strategic planning while examining emerging trends in business ethics such as the developing world, human rights, environmental sustainability, and technology. In addition to presenting information related to the Association to Advance Collegiate Schools of Business (AACSB), the text's 26 real-world cases profile a variety of industries, countries, and ethical issues in a way that is relevant and meaningful to students' lives. The Third Edition features new cases from well-known companies such as Disney and General Motors, new coverage of emerging topics such as big data and social media, expanded coverage of corporate social responsibility, and more. Using an applied approach, this text helps students understand why and how business ethics really do matter!

Enhances your Teaching—The authors are dedicated to supporting your teaching and your student's learning, which is why they listen to YOU and develop resources based on YOUR suggestions and course needs. This is the only author-team on the market that carefully review each and every resource to ensure cohesion. Accessible to All—This learning program has moved toward tighter compliance with the Web Content Accessibility Guidelines, and provides students the opportunity to learn regardless of learning style or disability. What's more, it earned a perfect score of 100 points possible by Quality Matters, an independent organization that reviews and certifies the quality of online courses and online components. Choose a platinum experience. Choose *Understanding Business*.

*Understanding Management* Penguin

The updated edition of a widely used textbook that covers fundamental features of bonds, analytical techniques, and portfolio strategy. This new edition of a widely used textbook covers types of bonds and their key features, analytical techniques for valuing bonds and quantifying their exposure to changes in interest rates, and portfolio strategies for achieving a client's objectives. It includes real-world examples and practical applications of principles as provided by third-party commercial

vendors. This tenth edition has been substantially updated, with two new chapters covering the theory and history of interest rates and the issues associated with bond trading. Although all chapters have been updated, particularly those covering structured products, the chapters on international bonds and managing a corporate bond portfolio have been completely revised. The book covers the basic analytical framework necessary to understand the pricing of bonds and their investment characteristics; sectors of the debt market, including Treasury securities, corporate bonds, municipal bonds, and structured products (residential and commercial mortgage-backed securities and asset-backed securities); collective investment vehicles; methodologies for valuing bonds and derivatives; corporate bond credit risk; portfolio management, including the fundamental and quantitative approaches; and instruments that can be used to control portfolio risk.

Includes glossary & index.

*The Legal and Business Essentials All Filmmakers Should Know* CRC Press

*Understanding the Business of Entertainment: The Legal and Business Essentials All Filmmakers Should Know* is an indispensable guide to the business aspects of the entertainment industry, providing the legal expertise you need to break in and to succeed. Written in a clear and engaging tone, this book covers the essential topics in a thorough but reader-friendly manner and includes plenty of real-world examples that bring business and legal concepts to life. Whether you want to direct, produce, write, edit, photograph or act in movies, this book covers how to find work in your chosen field and examines the key provisions in employment agreements for creative personnel. If you want to make films independently, you'll find advice on where to look for financing, what kinds of deals might be made in the course of production, and important information on insurance,

releases, and licenses. Other topics covered include: Hollywood's growth and the current conglomerates that own most of the media How specific entertainment companies operate, including facts about particular studios and employee tasks. How studios develop projects, manage production, seek out independent films, and engage in marketing and distribution The kinds of revenues studios earn and how they account for these revenues How television networks and new media-delivery companies like Netflix operate and where the digital revolution might take those who will one day work in the film and TV business As an award-winning screenwriter and entertainment attorney, Gregory Bernstein give us an inside look at the business of entertainment. He proves that knowing what is behind filmmaking is just as important as the film itself.

Atlas of the Heart John Wiley & Sons

Competing for Advantage SAGE

**#1 NEW YORK TIMES BESTSELLER** • In her latest book, Brené Brown writes, "If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection." In *Atlas of the Heart*, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown's extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this research, as well as on Brown's singular skills as a storyteller, to show us how accurately naming an experience doesn't give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, "I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves."

Understanding PeopleSoft 8 Currency

**#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME** The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

*Product Management: Understanding Business Context and Focus* McGraw-Hill Education  
Product management starts here. Before building and managing products in mid-to-large organisations, product people need to understand the organisation's aims, strategies and culture and what they mean for them. Product Management: Understanding Business Context and Focus explores how business context and focus relate to, and impact, product management, from the organisation's vision statement to objectives, strategy, values and culture. Looking specifically at what each encompasses, the book examines the different approaches taken by organisations and how this flows down to and can be navigated by product people. Product Management: Understanding Business Context and Focus is the second of a four book series. Together, the books are designed to provide a straight-talking and pragmatic approach to the creation, delivery and management of products in such a way that creates value for your customers and business.

*Advanced Accountancy Volume-II, 10th Edition* Cengage Learning

**Understanding Business** Human Kinetics

This thoroughly revised edition of Mooney, Knox, and Schacht's text uses a theoretically balanced, student-centered approach to provide a comprehensive exploration of social problems. UNDERSTANDING SOCIAL PROBLEMS, Tenth Edition, progresses from a micro to macro level of analysis, focusing first on problems related to health care, drugs and alcohols, families, and crime, and then broadening to the larger issues of poverty and inequality, population growth, aging, environmental problems, and conflict around the world. The social problem in each chapter is framed in a global as well as a U.S. context. In addition, the three major theoretical perspectives are applied to the problem under discussion, and its consequences -- as well as alternative solutions -- are explored. Pedagogical features such as The Human Side and Self and Society enable students to grasp how social problems affect the lives of individuals and apply their understanding of social problems to their own lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
