KANE MORROW

A History of World Societies John Wiley & Sons

The lively and accessible narrative and the hallmark focus on social and cultural history that has made A History of World Societies one of the most successful textbooks for the world history course is now available in a lower price format. The two-color Value Edition includes the full narrative, the popular "Individuals in Society" feature, and select images and maps. Special Events Wadsworth Publishing Company

Through the use of a consistent analytic framework, this text shows how and why certain school-society issues first arose in this country and how they have changed over time. Introduced and explained in detail in the first chapter, the text's analytic framework focuses on the political economy, the dominant ideology, and existing educational practices that are prevalent in any given historical era. Readings at the end of each chapter are designed for the student to critique using the same analytic framework that the authors employ in the text. In its examination of the evolution of education in the United States, this book tells an engaging historical story. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes

free shipping. Complete system requirements to use Connect can be found here:

The American People Macmillan

This classic text explores the lives and ideas of the social thinkers who have shaped and continue to forge traditions in sociology. Focusing on the great names in the field, it weaves biographical and conceptual details into a tapestry of the history of social thought of the 19th and 20th centuries. Written in a narrative style that is accessible and exciting, this text serves as an excellent supplement for courses in social and sociological theory, the history of social thought, the history of sociology, and introduction to sociology.

A History of World Societies Macmillan Higher Education

This book constitutes the thoroughly refereed post-conference proceedings of the 7th International Workshop on Engineering Societies in the Agents World, ESAW 2007, held in Athens, Greece, in October 2007. The 19 revised full papers were carefully reviewed and selected for inclusion in this book. The papers are organized in topical sections on electronic institutions, models of complex distributed systems with agents and societies; interaction in agent societies; engineering social intelligence in multi-agent systems; trust and reputation in agent societies; analysis, design and development of agent societies.

Society and Technological Change Macmillan Higher Education

Long praised by instructors and students for its accessible regional chapter structure, readability, and sustained attention to social history, the tenth edition of A History of World Societies includes even more built-in tools to engage today's students and save instructors time. This edition features thoroughly revised chapters by new author and Latin American specialist Jerry Dávila, an expanded primary source program in the text and online, and the best and latest scholarship throughout. The tenth edition presents LaunchPad, a new intuitive ebook and course space with LearningCurve adaptive quizzing and a wealth of activities and assessments that help students make progress toward learning

outcomes. LaunchPad features primary source activities, map and visual activities, adaptive and summative quizzing, and a wealth of optional resources, including carefully developed Online Document Projects for each chapter with auto-graded exercises.

Excursions in World Music, Sixth Edition Macmillan Higher Education

Sources of World Societies is an expertly crafted collection of historical sources with a variety of global, cultural perspectives from around the world.

The Book World Prentice Hall

Building on A People's History of the United States, this radical world history captures the broad sweep of human history from the perspective of struggling classes. An "indispensable volume" on class and capitalism throughout the ages—for readers reckoning with the history they were taught and history as it truly was (Howard Zinn) From the earliest human societies to the Holy Roman Empire, from the Middle Ages to the Enlightenment, from the Industrial Revolution to the end of the twentieth century, Chris Harman provides a brilliant and comprehensive history of the human race. Eschewing the standard accounts of "Great Men," of dates and kings, Harman offers a groundbreaking counter-history, a breathtaking sweep across the centuries in the tradition of "history from below." In a fiery narrative, he shows how ordinary men and women were involved in creating and changing society and how conflict between classes was often at the core of these developments. While many scholars see the victory of capitalism as now safely secured, Harman explains the rise and fall of societies and civilizations throughout the ages and demonstrates that history moves ever onward in every age. A vital corrective to traditional history, A People's History of the World is essential reading for anyone interested in how society has changed and developed and the possibilities for further radical progress.

Engineering Societies in the Agents World VIII

A History of Asia is the only text to cover the area known as "monsoon Asia" - India, China, Korea, Japan, and Southeast Asia-- from the earliest times to the present. Written by leading scholar Rhoads Murphey, the book uses an engaging, lively tone to

chronicle the complex political, social, intellectual, and economic histories of this area. Popular because of its scope and coverage, as well as its illustrations, maps, and many boxed primary sources, the new edition of *A History of Asia* continues as a leader in its field.

A History of World Societies, Volume A: From Antiquity to 1500
Penn State Press

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Sources of World Societies, Volume 1 Bloomsbury Publishing USA

"In every chapter, Ferris and Stein use examples from everyday life and pop culture to draw students into thinking sociologically and to show the relevance of sociology to their relationships, jobs, and future goals. Data Workshops in every chapter give students a chance to apply theoretical concepts to their personal lives and actually do sociology.

A History of World Societies Verso Books

The new Concise edition of *A History of World Societies* offers an accessible regional chapter structure, readability, and sustained attention to social history in a brief, affordable text. The Concise Edition features the full narrative of the comprehensive edition, as well as a selection of features and tools to engage today's students and save instructors time. Robust primary sources in print and online help students with historical thinking skills.

A History of World Societies, Volume 2 Macmillan Higher Education

British literature underwent profound changes in the period 1900-1940. What role did audiences and channels of book distribution play in this? In this wide-ranging collection, the influence of publishers, distributors, librarians and readers come to the foreground to open up new perspectives on literature and print culture. Rooted in original archival research, chapters include studies of the engagement of canonical writers and bestsellers with the literary marketplace; the influence of international and mobile audiences; publishing practices involving genre, promotion, and censorship; and the significance of spaces of reading including bookshops, circulating libraries and on-board passenger ships. Through a series of detailed case-studies that focus on under-explored aspects of distribution and readership, the contributors open up new perspectives on literature and the British book trade.

The Discovery of Society Macmillan

"Social Statistics for a Diverse Society provides students with a revealing introduction to social science statistics. This Fourth Edition maintains the same informal, conversational writing style, along with the many pedagogical features that made previous editions so successful. It is an excellent textbook for students taking their first course in social statistics and can also be used in a number of sociological research methods courses."--BOOK JACKET.

A History of Asia Springer Science & Business Media

For courses in U.S. History An accessible social history of the U.S. The American People: Creating a Nation and a Society, Concise Edition examines U.S. history as revealed through the experiences of diverse Americans, both ordinary and extraordinary. With a thought-provoking and rich presentation, the authors explore the complex lives of Americans of all national origins and cultural backgrounds, at all levels of society, and in all regions of the country. Retaining the hallmark accessible narrative and eloquent prose of previous editions, the Eighth Edition offers new and updated content that engages students and ensures an up-to-date learning experience. NOTE: This ISBN is for a Pearson Books a la Carte edition: a convenient, three-hole-punched, loose-leaf text. In addition to the flexibility offered by this format, Books a la Carte editions offer students great value, as they cost significantly less than a bound textbook. You can also purchase a loose-leaf print reference to complement Revel The American People: Creating a Nation and a Society, Volume 1 . This is optional.

Teaching Global History Pine Forge Press

In this, the first comprehensive survey of the economies of classical antiquity, twenty-eight chapters summarise the current state of scholarship in their specialised fields and sketch new directions for research. They reflect a new interest in economic growth in antiquity and develop new methods for measuring economic development, often combining textual and archaeological data that have previously been treated separately.

A HISTORY OF WORLD SOCIETIES Routledge

Annotation World History: Cultures, States, and Societies to 1500 offers a comprehensive introduction to the history of humankind from prehistory to 1500. Authored by six USG faculty members with advance degrees in History, this textbook offers up-to-date

original scholarship. It covers such cultures, states, and societies as Ancient Mesopotamia, Ancient Israel, Dynastic Egypt, India's Classical Age, the Dynasties of China, Archaic Greece, the Roman Empire, Islam, Medieval Africa, the Americas, and the Khanates of Central Asia. It includes 350 high-quality images and maps, chronologies, and learning questions to help guide student learning. Its digital nature allows students to follow links to applicable sources and videos, expanding their educational experience beyond the textbook. It provides a new and free alternative to traditional textbooks, making World History an invaluable resource in our modern age of technology and advancement.

Sources of World Societies, Volume 2 Houghton Mifflin

Providing a survey of world societies from antiquity to the present, this edition maintains emphasis on social history and also treats European and non-European political, economic, cultural and intellectual developments from an integrated perspective. Ancillary package available upon adoption.

A History of World Societies, Volume 2: Since 1450 Macmillan Higher Education

More than any other text, *A History of World Societies* introduces students to the families, foods, workplaces, religions, and diversions of peoples of the past through lively, descriptive writing and extensive primary sources that give voice to a wide range of individuals. This hallmark treatment of social history combines with strong political, cultural, and economic coverage and a clear, easy-to-manage organization to provide students with the most vivid account available of what life was like throughout human history. The Eighth Edition welcomes to the author team Merry Wiesner-Hanks and Clare Crowston, experienced world-history teachers and highly regarded scholars who bring additional attention to gender and cultural history. It also expands the text's global perspective by strengthening coverage of non-Western topics and comparisons among world societies. A fresh, colorful look and a completely new map program showcase a narrative that the authors judiciously shortened for even greater power and accessibility. Bedford/St. Martin's is proud to have recently acquired the stellar McKay franchise in World History and Western Civilization. These wonderful books fit well with our publishing philosophy at Bedford/St. Martin's, emphasizing innovation, quality, and a focus

on the needs of students and instructors. We hope to contribute to their future success with the care and attention to detail we give every book we publish.

Social Work, Social Welfare, and American Society Macmillan
The lively and accessible narrative and the hallmark focus on social and cultural history that has made A History of World

Societies one of the most successful textbooks for the world history course is now available in a lower price format. The two-color Value Edition includes the full narrative, the popular "Individuals in Society" feature, and select images and maps.
