The Definitive Guide to Scalping, Part8: Risk Management
In a recent case study published in the NEJM Catalyst, researchers from Kaiser Permanente reported on a cardiac rehabilitation solution created to fit better into patients' lives. The organization created a tech-enabled, evidence-based rehab program to improve clinical outcomes and expand patient access.
Saving Lives With Virtual Cardiac Rehabilitation
Catalyst keeps a database on women executives. The Executive Leadership Council helps to provide board

opportunities for African-American executives.
