return.
Effectively
booted to the
curb Maggie
tries to pick
up the pieces
of her life until

her revival is interrupted by one smoking hot immortal. Arthur Pendragon, legendary King and military leader, has been trapped on the mythical island of Avalon for 1500 years. When he is thrust from captivity to the modern world he has to fight to stay there. Too bad for him, she has more fight than he anticipates. With the help of Maggie and a teenage Merlin, Arthur sets out to

end his torture and free the rest of his comrades from imprisonment.

The Return of King Arthur

Penguin
Set in 130 AD on the Isle of Avalon, a lonely young druid finds more than he expected on a quest for the lost Grail of Avalon--he finds a bewitching Roman beauty. It is a loosely linked sequel to "Celtic Fire," Nash's Golden Heart Award-nominated debut.

The Revenge

of the Shadow King

Untreed Reads
A magnificent epic set against the backcloth of Roman Britain and Celtic legend.

and his three

best friends,

Harley, Ernie,

and

Natalia—who

form the

secret club

The Grey Griffins—seem to be the only people in their very normal Minnesota town to notice that strange things have started to happen. When creatures like goblins and fairies and unicorns, all characters from a card game the Grey Griffins play, begin to make appearances in Max's backyard, Max and his friends know something is terribly wrong. And it's up to them to stop the wicked creatures of

the cards from destroying their town—indeed, their world. A thrilling, new legend is born in the first book of the Grey Griffins' magical adventures.

Avalon Simon and Schuster
In her systematic reassessment of the remaking of the Arthurian past in nineteenth-century British fiction and non-fiction, Inga Bryden examines the Victorian Arthurian revival as a cultural phenomenon,

offering insights into the relationship between social, cultural, religious, and ethnographic debates of the period and a wide range of texts.

Throughout, she adopts an intertextual and historical perspective, informed by poststructuralist thinking, to reveal nineteenth-century attitudes towards the past. Starting with a review of the historical evidence available to

Victorian writers and an examination of how historians of the time represented Arthur, the author connects Victorian accounts of Arthur's quest to contemporary scientific and historical searches for origins and knowledge, and to his appropriation by competing religious movements. She shows how writers explored the dynamics of heroism by recruiting Arthur and his

knights to define codes of chivalric service, and to personify the psychological complexities of love. Finally, the legend of his death and transportation to Avalon is deconstructed and placed in the context of cultural attitudes towards commemorating the dead and theological debates about the afterlife. Inga Bryden engages not only with well-known Arthurian texts by Tennyson,

Swinburne, Morris and Rossetti, but with lesser-known works by Bulwer-Lytton, Robert Stephen Hawker, Sebastian Evans, Diana Maria Mulock, Christiana Douglas and Joseph Shorthouse. *The Blood of Avalon* Harper Collins Fated to love. Fated to die as enemies. The fae told her killing him was the only way to save the world. They lied. From one age to the next, the immortal King Arthur

worked alongside his knighthood to protect the world from evil dragons—until a fellow knight betrayed him and a dark witch trapped his soul. Long ago, Camelot knew Nimue as the Lady of the Lake. In modern day Manhattan, she's the proprietress of Manhattan's hottest paranormal lounge. For a fae, life couldn't be more mundane, until a half-naked, reincarnated King Arthur

stumbles out of the future and into her life again to prophesize the world's end. They were once lovers. Now the faerie courts will want him dead for perverting destiny, and they'll want her to carry out its will. [The Lost Tomb of King Arthur](#) Routledge Retellings of several Arthurian tales follow such plots as Merlin's defeat of Vortigern and Guinevere's sacrifice to a grail-seeking knight, and

include the works of such writers as Melanie Rawn, Judith Tarr, and Katherine Kerr. Original. Penguin The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement." —The New York Times Book Review In Marion Zimmer Bradley's masterpiece,

we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar

struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

The Secret

History of the Grail Dynasty from King Arthur to Prince William

Harper Collins King Arthur is destined to return, and Tom is destined to wake him. When sixteen year old Tom's grandfather mysteriously disappears, Tom stops at nothing to find him, even when that means crossing to a mysterious and unknown world. When he gets there, Tom discovers that everything he

thought he knew about himself and his life was wrong. Vivian, the Lady of the Lake, has been watching over him and manipulating his life since his birth. And now she needs his help. Danger threatens the old forest of Vivian's world. To save it, Tom must wake King Arthur, who's been sleeping for centuries. But first, he's determined to find his grandfather. Tom starts a journey that will change his life forever.

He discovers that fey and magic still exist, and myths are very real. If he wants to survive, he must learn to fight, and find courage he never knew he had. If you love magic, mystery, and Arthurian legend, you'll love Call of the King, book 1 of Rise of the King. Buy now for your next fantasy adventure. *Important Note. This book was previous published as Tom's Inheritance, Tom's

Scotsman

Captain James Arthur Stewart learns he is in fact the reincarnation of the original King Arthur, his destiny is forever altered as he leads England out of dangerous times.

Reinventing King Arthur

Baen Books
The King had a good head on his shoulders—for the moment, anyway. Everyone agreed that King Jorian of Xylar had been a good and just ruler. In fact, many also agreed that, in this

case, it was a pity that the laws of Xylar decreed that each randomly chosen King must reign for only five years and then, after due pomp and ceremony, have his head cut off! Understandably, Jorian himself was wholeheartedly in agreement with the second sentiment, so with the help of a spell provided by the wizard Karadur, he escaped from the beheading ceremony with

his head still on his shoulders. Unfortunately, his beloved wife, Queen Estrildis, was left behind, and getting her out of Xylar would be anything but simple—particularly with the Royal Guard of Xylar hot on the trail of their fugitive monarch. With Karadur's magic, Jorian might be able to pull off the rescue. But first, he would have to locate a trove of ancient spells, deal with an enemy wizard, steal an item from a 500-

year-old (but still beautiful) princess who turns into a giant serpent at inopportune moments, repair the giant tower clocks of Iraz to fulfill a prophecy, break a pirate siege, and finally fly back to Xylar in an enchanted bathtub and whisk away his beloved Estrildis before the Royal Guard notices that their King (not to mention his head) has returned. Then things began to get complicated... At the

publisher's request, this title is sold without DRM (Digital Rights Management). Book One of the Pendragon Cycle Del Rey Books This book reveals the true identity of Arthur, and locates his courts and long-forgotten battle sites such as Badon and Camlan. It also uncovers the secret of the mysterious Isle of Avalon and Arthur's resting place in a Breton church. The authors present a convincing

and conclusive answer to the puzzle of King Arthur. Glossary of terms in Welsh and English. Bibliography. Index. 78 illustrations. The Final Discovery of King Arthur Mountolive Publishing The Once and Future King returns in this modern day young adult action and adventure story. If you are familiar with the legends and have seen the excellent movie "Excalibur,"

then this is the sequel to those events. Sixteen year-old Brian Braddock is having visions of a time long lost, a time and place that he feels somehow strangely connected to. As he strives to figure out what is happening to him he meets a man who reveals himself to be the legendary sorcerer Merlin, he who was the mentor and advisor to one of the greatest leaders the world has ever known. Merlin

informs Brian that he is the vessel of the renowned King Arthur and that it is time for the Once and Future King to live once again. As the sword in the stone appears in front of the United Nations Building signaling a new era, an adventure begins where Brian, Merlin and the regrouped Knights of the Round Table set forth to bring about the peaceful and harmonious world that Arthur had

always envisioned. However, an evil long thought lost has returned from Arthur's past to attempt to thwart his plans. Arthur and his knights now live once again to fight once more not just for the peace of a nation, but for the peace of a world. *The Return of King Arthur* Harper Voyager It has been foretold: In the hour of Britain's greatest need, King Arthur will return to

rescue his people. In Portugal, the reprobate King Edward the Ninth has died by his own hand. In England, the British monarchy teeters on the edge of total destruction. And in the Scottish Highlands, a mystical emissary named Mr. Embries—better known as “Merlin”—informs a young captain that he is next in line to the throne. For James Arthur Stuart is not the commoner he has always

believed himself to be—he is Arthur, the legendary King of Summer, reborn. But the road to England’s salvation is dangerous, with powerful enemies waiting in ambush. For Arthur is not the only one who has returned from the mists of legend. And Merlin’s magic is not the only sorcery that has survived the centuries. AVALON “A rousing postscript to Lawhead’s bardic

Pendragon Cycle . . . Playing off snappy contemporary derring-do against the powerful shining glimpses of the historical Arthur he created, Lawhead pulls off a genuinely moving parable of good and evil.”—Publishers Weekly [The Arthurian Legends in Victorian Culture](#) Montlake Romance Chaos ensues as Rome abandons Britain, leaving native

Britons alone to defend their shores from the growing Saxon invasion. Set in 5th Century Britain, this retelling of the traditional legends of Merlin, King Arthur, and Avalon, blends a mixture of historical fact with Arthurian fantasy. Refreshingly innovative, the tale spans the mysterious birth of Merlin, climaxing with the conception of Arthur, the legendary future king of Britain. A young Merlin

advises three High Kings: to fight through the bedlam, fight for the right to rule, fight to save the future treasure of Britain! Interlacing love, revenge, mystery and murder, with a dash of humor, this coming of age adventure is a guide through the shrouded tales that embrace the Sons of Avalon. [A Novel of Trystan & Isolde](#) Lion Fiction "The Once and Future King" by T. H. White. Published by

Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. *King Stag* Udon Entertainment Book 2 of the Pendragon cycle. A magnificent epic set against the backcloth of Roman Britain and Celtic legend. This is Merlin's story, the story of the Island of the Mighty of warring battlechiefs and bloody Saecsen invaders, of the hidden Hill

Folk, and the waning power of Rome. Merlin: Respected, feared, and hated by many, he was to have a higher destiny. It was he who was to prepare the way for the momentous event that would unite the Island of the Mighty, the coming of a king, Arthur Pendragon, who will usher in the Kingdom of Summer. **Avalon:** Weiser Books The story of King Arthur and the quest for the Holy

Grail is well known; less so is that of the coming of Christianity to Britain at around the time of the Roman invasion. It is generally assumed that both these legends revolve around town of Glastonbury, yet the paucity of evidence for this assumption has always been troubling to those who like their history to be founded on fact. In this extraordinary book, Adrian

<p>Gilbert reveals the location to be not just of the true 'Avalon' or 'Glastonbury' but of many other sites crucial to the Arthurian legend. He shows how the core teachings of Christianity were kept secret by a dynasty of Welsh kings and saints and later (after the</p>	<p>Norman invasions) by their surviving descendants. For centuries this remnant of the Britanno-Welsh nobility, still living in 'Avalon', kept alive a hope: they prayed that one day a new Arthur, one with the holy blood of the family of Mary flowing in his veins, would sit once</p>	<p>more on the throne of Britain. Extraordinary as it may seem, this hope may soon be realised - for through the late Diana, Princess of Wales, our own Prince William, whose middle name is indeed Arthur, is so descended.</p>
