**Andrew's Loose Tooth** Sterling Publishing Company  
 New York Times best seller Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. She provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

WPAs in Transition shares a wide variety of professional and

personal perspectives about the costs, benefits, struggles, and triumphs experienced by writing program administrators making transitions into and out of leadership positions. Contributors to the volume come from various positions, as writing center directors, assistant writing program administrators, and WPAs; mixed settings, including community colleges, small liberal arts colleges, and research institutions; and a range of career stages, from early to retiring. They recount insightful anecdotes and provide a scholarly context in which WPAs can share experiences related to this long-ignored aspect of their work. During such transitions, WPAs and other leaders who function as both administrators and faculty face the professional and personal challenges of redefining who they are, the work they do, and with whom they collaborate. WPAs in Transition creates a grounded and nuanced experiential understanding of what it means to navigate changing roles, advancing the dialogue around WPAs' and other administrators' identities, career paths, work-life balance, and location, and is a meaningful addition to the broader

literature on administration and leadership. Contributors: Mark Blaauw-Hara, Christopher Blankenship, Jennifer Riley Campbell, Nicole I. Caswell, Richard Colby, Steven J. Corbett, Beth Daniell, Laura J. Davies, Jaquelyn Davis, Holland Enke, Letizia Guglielmo, Beth Huber, Karen Keaton Jackson, Rebecca Jackson, Tereza Joy Kramer, Jackie Grutsch McKinney, Kerri K. Written by a Sydney native, English, *The Aussie Way: A Fun Guide to Australia's Colourful Phrases, Words, and Expressions* offers an amusing way for English or non-English speakers around the world to learn the colloquial phrases for which Australia is famous. This user-friendly reference provides words/phrases and meanings/synonyms by using an example sentence. Says the author, "For seven years I housed international students who were attending English language schools in Sydney, and I realised that although they had a good grasp of formal grammar, they struggled to understand not only colloquial English, but many of the commonly used phrasal verbs, which could not be found in a standard English/Spanish, French, etc., dictionary. It was then that I decided to start writing some of them down for future reference and it grew from there."

**Marriage Can Be Like Pulling Teeth** Primary Concepts

Introduces and explains more than 100 expressions which mean something different than the separate words in the group. For example: raise the roof, hold your horses, and beat around the bush.

Whenever a memoirist gives a reading, someone in the audience is sure to ask: How did your family react? Revisiting our pasts and exploring our experiences, we often reveal more of our nearest and dearest than they might prefer. This volume navigates the emotional and literary minefields that any writer of family stories or secrets must travel when depicting private lives for public consumption. Essays by twenty-five memoirists, including Faith Adiele, Alison Bechdel, Jill Christman, Judith Ortiz Cofer, Rigoberto González, Robin Hemley, Dinty W. Moore, Bich Minh Nguyen, and Mimi Schwartz, explore the fraught territory of family history told from one perspective, which, from another angle in the family drama, might appear quite different indeed. In her introduction to this book, Joy Castro, herself a memoirist, explores the ethical dilemmas of writing about family and offers practical strategies for this tricky but necessary subject. A sustained and eminently readable lesson in the craft of memoir, *Family Trouble* serves as a practical guide for writers to find their own version of the truth while still respecting family boundaries.

#1 NEW YORK TIMES BESTSELLER • NOW A STARZ ORIGINAL SERIES Unrivaled storytelling. Unforgettable characters. Rich historical detail. These are the hallmarks of Diana Gabaldon's work. Her New York Times bestselling *Outlander* novels have earned the praise of critics and captured the hearts of millions of fans. Here is the story that started it all, introducing two remarkable characters, Claire Beauchamp Randall and Jamie Fraser, in a spellbinding novel of passion and history that combines exhilarating adventure with a love story for the ages. One of the top ten best-loved novels in America, as seen on PBS's *The Great American Read!* *Scottish Highlands*, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding clans in the year of Our Lord . . . 1743. Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, Claire learns her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. This eBook includes the full text of the novel plus the following additional content: • An excerpt from Diana Gabaldon's *Dragonfly in Amber*, the second novel in the *Outlander* series • An interview with Diana Gabaldon • An *Outlander* reader's guide Praise for *Outlander* "Marvelous and fantastic adventures, romance, sex . . . perfect escape reading."—*San Francisco Chronicle* "History comes deliciously alive on the page."—*New York Daily News*

"Luiselli follows in the imaginative tradition of writers like Borges and Márquez, but her style and concerns are unmistakably her own. This deeply playful novel is about the passion and obsession of collecting, the nature of storytelling, the value of objects, and the complicated bonds of family. . . Luiselli has become a writer to watch, in part because it's truly hard to know (but exciting to wonder about) where she will go next."—*The New York Times* I was born in Pachuca, the Beautiful Windy City, with four premature teeth and my body completely covered in a very fine coat of fuzz. But I'm grateful for that inauspicious start because ugliness, as my other uncle, Eurípides López Sánchez, was given to saying, is character forming. Highway is a late-in-life world traveler, yarn spinner, collector, and legendary auctioneer. His most precious possessions are the teeth of the "notorious

infamous" like Plato, Petrarch, and Virginia Woolf. Written in collaboration with the workers at a Jumex juice factory, *Teeth* is an elegant, witty, exhilarating romp through the industrial suburbs of Mexico City and Luiselli's own literary influences. Valeria Luiselli was born in Mexico City in 1983 and grew up in South Africa. Her work has been translated into many languages and has appeared in publications including the *New York Times*, *Granta*, and *McSweeney's*. Her novel, *The Story of My Teeth*, is the winner of the LA Times Book Prize in Fiction.

This book uses Viktor Frankl's Existential Psychology (logotherapy) to explore the ways some professors use unusually personal scholarship to discover meaning in personal adversity. A psychiatrist imprisoned for three years in Nazi concentration camps, Frankl believed the search for meaning is a powerful motivator, and that its discovery can be profoundly therapeutic. Part I begins with four stories of professors finding meaning. Using the case studies as a foundation, Part II investigates issues of epistemology and ethics in unusually personal research from an existential perspective. The book offers advice for graduate students and faculty who want to live and work more meaningfully in the academy.

Every kid looks forward to losing that first wobbly, jiggly, loose baby tooth. But why do we have baby teeth in the first place? And why do they fall out? And, most of all, is pulling teeth really as painful as well, pulling teeth? From getting and losing their first set of teeth to growing and taking care of their second and last set, kids will learn all about teeth. In addition, there is a great big full-color poster (16 x 22) of a great big open mouth. The book comes with 20 "black hole" tooth-shaped stickers so kids can black out their teeth as they lose them.

In the classroom, knowledge is widely distributed among the students and teacher, but is difficult to share across linguistic and cultural barriers. Seeking paths across these barriers, Lynne Wiltse meticulously explores the question: What is the discourse frame in which students and teachers work? Situated in a grade nine multilingual classroom, her work provides a rich description of the research process in the classroom. At the same time, she draws the reader sequentially through the analysis, revealing inferences in increasing levels of abstraction within a framework of "communities of practice." She highlights issues related to second language acquisition, students' immigration experiences, teaching, and learning, and points the way toward multi-vocal dialogues and practices that can forge a path across cultural and linguistic divides.
