year-old orphan, bouncing
from one high school to

Written by Gad, seer of King David, about 1000 BC, this book of prophecy is recommended reading by the Bible, but was never included in the Canon. It was thought to have been lost over three millennia ago. The books of Gad, Nathan, Ahijah, Shemaiah and Iddo are referred to as "The Lost Five." This long-lost book includes two revealing sermons given by King David. We have a prophecy that outlines the end times beginning with

the Rapture, the seven-year tribulation and the establishment of Christ's millennial reign. More intriguing than that, it actually reveals who Mystery Babylon is and how it tries to destroy the Jews though a union with Islam, both groups having different replacement theology religions. There are also two discussions on how the Law of Moses views Gentiles. Do they keep the whole Law or not? This book is a real eye-opener for those who are interested in Bible prophecy and Messianic

Judaism. Brought to you

In another series that promises to be as entertaining as the previous ones, A THRONE OF SISTERS presents us with the tale of two sisters (Sophia and Kate), orphans, fighting to

survive in a cruel and demanding world of an orphanage. An instant success. I can hardly wait to put my hands on the second and third books!" - Books and Movie Reviews (Roberto Mattos) A bundle of the first three books in Morgan Rice's new fantasy series A THRONE FOR SISTERS (A THRONE FOR SISTERS, A COURT FOR THIEVES, and A SONG FOR ORPHANS). Here are three bestselling novels, all in one convenient file, which offer a great introduction to the A THRONE FOR

SISTERS series. Over 250,000 words of reading, all for an incredible price—it also makes the perfect gift! In A THRONE FOR SISTERS (Book one), Sophia, 17, and her younger sister Kate, 15, are desperate to leave their horrific orphanage. Orphans, unwanted and unloved, they nonetheless dream of coming of age elsewhere, of finding a better life, even if that means living on the streets of the brutal city of Ashton. Sophia and Kate, also best friends, have each other's

backs—and yet they want different things from life. Sophia, a romantic, more elegant, dreams of entering court and finding a noble to fall in love with. Kate, a fighter, dreams of mastering the sword, of battling dragons, and becoming a warrior. They are both united, though, by their secret, paranormal power to read other's minds, their only saving grace in a world that seems bent to destroy them. In *A COURT FOR THIEVES* (A Throne for Sisters—Book Two), Sophia, 17, finds her

world upside down as she is cast from the romantic world of aristocracy and back to the horrors of the orphanage. This time the nuns seem intent on killing her. Yet that doesn't pain her as much as her broken heart. Will Sebastian realize his mistake and come back for her? Her younger sister Kate, 15, embarks on her training with the witch, coming of age under her auspices, mastering the sword, gaining more power than she ever imagined possible—and determined

to embark on a quest to save her sister. She finds herself immersed in a world of violence and combat, of a magic she craves—and yet one that may consume her. In *A SONG FOR ORPHANS* (A Throne for Sisters—Book Three), Sophia, 17, journeys in search of her parents. Her quest takes her to foreign and strange lands—and to a shocking secret she could never imagine. Kate, 15, is summoned by the witch, as her time has come to repay the favor. But Kate is changing, coming of

age, become ever more powerful—and what will become of Kate if she makes a deal with darkness? Sebastian, a romantic, follows his heart, throwing it all away to reject his family and find Sophia. But Lady D'Angelica is still bent on killing her—and may have other plans. A THRONE FOR SISTER is a dazzling new fantasy series rife with love, heartbreak, tragedy, action, adventure, magic, sorcery, dragons, fate and heart-pounding suspense. A page turner, it is filled

with characters that will make you fall in love, and a world you will never forget. Book #4 in A THRONE FOR SISTERS will be released soon!

Confessions Morgan Rice The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these

visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimension—the visionary world of the seer. You will discover the prophetic power of dreams, visions, and life under the open heavens. How does visionary revelation "happen?" Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer,

or is this a prophetic dimension reserved for the specially-gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God, because The Seer's goal is to reveal the man Christ Jesus! *The Obsidians (Oliver Blue and the School for Seers—Book Three)* Awakening Media, Incorporated
Seer's Quest is the first book in a fantasy action-adventure trilogy, set in the world of Traldoren. A diverse group of

mercenaries are brought together to retrieve information that has been lost for thousands of years. They discover what they have been paid to do might not be so simple and straightforward as they first thought. Unwittingly, they are led on the quest with many twists, turns, and subplots. Just what the divine gambit is about, why these mercenaries have become part of it, and who really understands its full implications is obscured until it is gradually

revealed in the next volumes in this trilogy. [The Seer's Dictionary: Your A-Z Guide to Understanding Seer Language](#) Katherine Bennet Author

For as long as he can remember, Blake K. Healy has seen angels and demons. He sees them as clearly as he would see you if you were standing right in front of him. He sees angels dancing in worship services and whispering words of encouragement in people's ears. He also sees demons latching on to people and perpetuating addiction and bitterness in their hearts. The Veil chronicles

how Blake matured in this gifting, while overcoming the fear and confusion of what he saw, how he learned to use his gift of seeing for God's glory, and how to teach others to do the same. This new and updated version of *The Veil* also includes a brief guide on how to begin growing in the gift of seeing in the spirit yourself, as well as an appendix of scriptural references to the spirit realm and angels, along with Blake's commentary on these passages.

The fresh, profound, and new concepts taught in this book, take a mystical subject (seers and the spirit realm) and make them relevant for everyday life. This book takes some of the difficult material presented in other "seer" books and makes it easy to understand, removes the "spookiness," and provides practical application of a dimension that is biblically based and scripturally sound. Get ready to enter the world of a seer! In this

groundbreaking and revelatory book, Jonathan Welton describes his unique journey about how God opened his spiritual eyes. He shares how you too can activate this gift in your life.
