 Bosnak: 9780060828356 ... 20 Times a Lady is the story of an
 incredibly flawed woman named Delilah who, through a series of
 hilarious circumstances ends up on a journey to reconnect with
 the 20 men she's been um, intimate with. While the plot was
 highly implausible, I felt I am a fan of chick-lit. I love reading
 about the journey of flawed women seeing as how I am one. 20

 silly rules and that makes you smile at the end, then I believe this
