Shades of Grey (Shades of Grey, #1) by Jasper Fforde  
Shades Of Grey The RoadShades of Grey: The Road to High Saffron (2012, simply titled Shades of Grey originally) is a dystopian novel, the first in the Shades of Grey series by novelist Jasper

Fforde.The story takes place in Chromatacia, an alternate version of the United Kingdom wherein social class is determined by one's ability to perceive colour.Shades of Grey - WikipediaShades of Grey: The Road to High Saffron is Jasper Fforde at his weirdest. It contains a delightfully bizarre and humorous look at a post-apocalyptic world hundreds (if not

thousands...the timeline is a bit vague) years in the future where a future species of "human" lives in a society structured on ones ability to see color.Shades of Grey (Shades of Grey, #1) by Jasper FfordeAnd like the best fairy tales Shades of Grey is both funny and touching and dark and affecting in equal part. It leaves you in turn amused, amazed and

unsettled. There are clear echoes of many other writers and inspiration in Fforde's work - shades of Adams, Pratchett, Magnus Mills and even in the more ridiculous and circular logic of the society he describes, Heller.
