 You can level your character to level 110 in 8 days with this guide. 1-526. The recipes used here require at least level 85 and access to the continent of Pandaria. If your level is not high enough, you can visit my older cooking leveling guide, but what I recommend is just to wait until you reach level 85. It's really easy to level cooking to 520 with this new method.
