Technical Certificate in Oil

and Gas Operational
Safety. Concisely written
by a highly experienced
team, this full colour
reference provides
complete coverage of the
syllabus, including
chapters on fire hazards,
risk management and
emergency response. It
will ensure that you are
fully equipped with the
knowledge and

understanding to respond
and deal with the daily
hazards you may face
whilst working in the oil
and gas industry.
Complete with tables,
case studies and self-test
questions, this book will
guide you through the
principles of how to
manage both offshore and
onshore operational risks
to prepare you for your

exam and beyond.

Best Kept Secrets

Routledge

Underneath the oak tree
 Little Miss Daisy is waking
 from her winter rest,
 opening her petals and
 basking in the sunshine.
 In this illustrated book for
 children we follow her
 through the seasons. At

the end of the year, when
 the ground is white with
 snow, Little Miss Daisy will
 be tucked up once again
 in her bed waiting for the
 spring.

Nora Best returns to her
 hometown of Chateau in
 search of a new start but
 finds only trouble. A white

police officer has shoot
 and killed a young Black
 man - the nephew of
 Bobby Evans, another
 Black man shot and killed
 in the sixties. Was it self-
 defense as claimed? Is the
 family connection a
 coincidence? What
 secrets are hidden in
 Chateau?
