Competitive examination preparation takes enormous efforts & time on the part of a student to

learn, practice and master each unit of the syllabus. To check proficiency level in each unit, student

must take self-assessment to identify his/her weak areas to work upon, that eventually builds

confidence to win. Also performance of a student in exam improves significantly if student is familiar

with the exact nature, type and difficulty level of the questions being asked in the Exam. With this

objective in mind, we are presenting before you this book containing unit tests. Some features of the

books are- The complete syllabus is divided into logical units and there is a self- assessment tests

for each unit. Tests are prepared by subject experts who have decade of experience to prepare

students for competitive exams. Tests are as per the latest pattern of the examination. Detailed

explanatory solution of each test paper is also given. Student is advised to attempt these Tests once

they complete the preparation/revision of unit. They should attempt these Test in exam like

environment in a specified time. Student is advised to properly analyze the solutions and think of

alternative methods and linkage to the solutions of identical problems also. We firmly believe that

the book in this form will definitely help a genuine, hardworking student. We have put our best

efforts to make this book error free, still there may be some errors. We would appreciate if the same

is brought to our notice. We wish to utilize the opportunity to place on record our special thanks to

This volume reports research that informs the development of reading and listening assessment in IELTS. This volume brings together a set of eight IELTS-related research studies - four on reading and four on listening - conducted between 2005 and 2010. Findings from these studies provide valuable evidence on the validity, reliability, impact and practicality of the IELTS test; they are also instrumental in highlighting aspects needing attention, and thus directly inform the continuing evolution of the IELTS reading and listening tests. The volume reviews and comments on the specific contribution of each study to the ongoing process of IELTS reading and listening test design and development.
