An acclaimed poet's "gripping" memoir of an accidental tragedy, a childhood haunted by guilt, and a quest to find healing through art (Publishers Weekly).
When Gregory Orr was twelve years old, he shot and killed his brother in a hunting accident. From the immediate aftermath—a period of shock, sadness, and isolation—it quickly became clear that support and guidance would not be coming from his distant mother. Nor would it come from his father, a philandering country doctor addicted to amphetamines. Left to his

own devices, the boy suffered. Guilt weighed on him throughout a childhood split between the rural Hudson Valley and jungles of Haiti. As a young man, his feelings and a growing sense of idealism prompted him to activism in the civil rights movement, where he marched and was imprisoned, and then scarred again by a terrifying abduction. Eventually, Orr's experiences led him to understand that art, particularly poetry, could work as a powerful source of healing and meaning to combat the trauma he carried. Throughout *The Blessing*, Orr articulates his journey in language as lyrical as it is authentic, gifting us all with a singular tale of survival, and of the transformation of suffering into art. "Even a chaotic and hapless family, it seems, can confer a blessing—the strength to live in the world as it is, and the wisdom to love people as they are. The book is not so much about surviving pain so much as developing a writer's instinct for transforming

it." —Kathleen Norris, New York Times–bestselling author of *The Cloister Walk* [The Age of the Divine Mother](#) Createspace Independent Publishing Platform

Mother's Night had passed unmarked for many years for Betani and her children. After all, there was little to celebrate when living on the streets. This year was different. For the first time they are going to celebrate Mother's Night and holiday cheer fills their small apartment despite the tight control of the warders who have risen to power in the poor districts. Despite her limited means, when a triad shows up on her doorstep during a snowstorm with their poisoned lead male, she can't turn them out. Having a triad in her home makes her dream for the impossible, of just maybe having her family

grow...if one of them would just make a move. With a triad who longs for a family, and a clash of cultures where the males wait on their female's desires, will this triad and their hoped-for human mate and offspring find their holiday wishes come true? Love and a bit of holiday magic is in their air.

Charlotte Hubbard celebrates the joys and challenges of motherhood in this inspirational novel set in the warmth and tradition of an Amish Missouri farm community. As a young girl, Leah Otto was captivated by Jude Shetler's good looks and talent as an auctioneer. So when Jude, now a widower with three children, begins to court her, Leah doesn't hesitate. Other men may not appreciate her tomboy ways, but Jude values Leah's practical nature and her skill with the animals she tends, and both enter the marriage with optimism. Yet three months later, Leah feels as if her world is coming down around her. Her twin teenage step-daughters are pushing far too many boundaries, while the five-year-old deeply misses his

mother. Leah, more at ease in a barn than a kitchen, struggles with her housekeeping duties. . . Then a baby is abandoned on their doorstep. Caring for the infant renews Leah's strength to pull her family together. With Jude's steadfast support, Leah finds that what she once thought of as a happy ending may be something even better—the beginning of a life rich in love, faith, and unexpected blessings. "A satisfying story of belonging, love of family, and love for God."

The Gift of an Ordinary Day is an intimate memoir of a family in transition—boys becoming teenagers, careers ending and new ones opening up, an attempt to find a deeper sense of place, and a slower pace, in a small New England town. It is a story of mid-life longings and discoveries, of lessons learned in the search for home and a new sense of purpose, and the bittersweet intensity of life with teenagers—holding on, letting go. Poised on the threshold between family life as she's always known it and her older son's departure for college, Kenison is surprised to

find that the times she treasures most are the ordinary, unremarkable moments of everyday life, the very moments that she once took for granted, or rushed right through without noticing at all. The relationships, hopes, and dreams that Kenison illuminates will touch women's hearts, and her words will inspire mothers everywhere as they try to make peace with the inevitable changes in store.

"Do you know why I write so much? Because as long as you read, we are together." -- Raizel Garncarz (Sala's sister), April 24, 1941 Few family secrets have the power both to transform lives

and to fill in crucial gaps in world history. But then, few families have a mother and a daughter quite like Sala and Ann Kirschner. For nearly fifty years, Sala kept a secret: She had survived five years as a slave in seven different Nazi work camps. Living in America after the war, she kept from her children any hint of her epic, inhuman odyssey. She held on to more than 350 letters, photographs, and a diary without ever mentioning them. Only in 1991, on the eve of heart surgery, did she suddenly present them to Ann and offer to answer any questions her daughter wished to ask. It was a life-changing moment for her scholar, writer, and entrepreneur daughter. We know surprisingly little about the vast network of Nazi labor camps, where imprisoned Jews built railroads and highways, churned out munitions and materiel, and otherwise supported the limitless needs of the Nazi war machine. This book gives us an insider's account: Conditions were brutal. Death rates were high. As the war dragged on and the Nazis retreated, inmates were force-marched across hundreds of miles, or

packed into cattle cars for grim journeys from one camp to another. When Sala first reported to a camp in Geppersdorf, Poland, at the age of sixteen, she thought it would be for six weeks. Five years later, she was still at a labor camp and only she and two of her sisters remained alive of an extended family of fifty. In the first years of the conflict, Sala was aided by her close friend Ala Gertner, who would later lead an uprising at Auschwitz and be executed just weeks before the liberation of that camp. Sala was also helped by other key friends. Yet above all, she survived thanks to the slender threads of support expressed in the letters of her friends and family. She kept them at great personal risk, and it is astonishing that she was able to receive as many as she did. With their heartwrenching expressions of longing, love, and hope, they offer a testament to the human spirit, an indomitable impulse even in the face of monstrosity. Sala's Gift is a rare book, a gift from Ann to her mother, and a great gift from both women to the world.

Mother's Gift My Mother Told Me is a memory journal that offers a window into a mother's heart. With prompts, inspirational quotes and beautiful full-color pages, it provides mothers with an interactive space to record their experiences, family history, spiritual journey, memories, traditions and dreams. A journal, record album and family keepsake all at once, My Mother Told Me is a loving gift for and from mothers of all ages. **This Is a Blank, Lined Journal That Makes a Perfect Mother's Day Gift for Women. It's 6x9 with 120 Pages, a Convenient Size to Write Things In.** Algonquin Books New York Times Bestseller: "A winning collection" of essays by daughters including Elinor Lipman, Margo Jefferson, Jean Hanff Korelitz, Lisa See, and more (Kirkus Reviews). Each of these thirty-one "beautifully crafted" essays (Publishers Weekly) is a story about a mother's gift to a daughter—one that touched her, taught her something, or symbolized a unique bond. Whether a gift was meant to keep a daughter warm, instruct her in the

ways of womanhood, encourage her talents, or just remind her of a mother's love, each story gets to the heart of a relationship. Rita Dove recalls the box of polish that inspired her to paint her nails in the stripes and polka dots she wears to this day. Lisa See writes about the gift of writing from her mother, Carolyn See. Cecilia Muñoz remembers the wok her mother gave her and a lifetime of family meals. Judith Hillman Paterson revisits the year of sobriety her mother bequeathed to her when Paterson was nine, the year before her mother died of alcoholism. Abigail Pogrebin describes her middle-aged bat mitzvah, for which her mother provided flowers after a lifetime of guilt for skipping her daughter's religious education. Margo Jefferson writes about her mother's gold dress from the posh department store where they could finally shop as black women. Collectively, the pieces have a force that feels as elemental as the tides: outpourings of lightness and darkness; love and rage; joy and grief. From literary prize winners, bestselling authors, and other celebrated women, they

are "as varied and unexpected and eloquent and moving as mother love itself" (Cathleen Schine, New York Times bestselling author of *The Grammarians*).

If Evolution Really Works, How Come Mothers Only Have Two Hands -Milton Berle Mira

In his study of negative existence and how it affects James Joyce's

principal characters, Gian Balsamo joins the ongoing debate about the Irish writer's relationship to Dante and considers the centrality of messianism to that relationship.

Finding in Dante a negative poetics that becomes a model for Joyce, Balsamo suggests that the inception and cessation of life - two occurrences that conventionally are deemed impossible to experience personally and directly - typically frame the existential experiences of Joyce's main characters. Balsamo perceives Stephen, Leopold, and Shem as messianic figures because they rebel against this convention, clustering their lives around the very events of inception and burial. Balsamo traces the engagement of each of the three characters in a negative existence immune from the rules and limitations of ordinary experience. Each struggles to express rather than exorcise the fecundity of his own mortality; each reinvents his biography as involving the pivotal transaction of one death - be it a mother's, a son's, or even that of his own body - in return for catharsis. Durkheim, and Noam

Chomsky, Balsamo challenges the current debate by identifying the messianic thread that ties together the biographies of Joyce's three characters. Faced with the fissure between history and poetic vocation, Stephen embraces the sacrificial poetry of silence. Faced with the

domestic squalor provoked by the loss of his son, Leopold renews at every meal the cathartic exchange of food and semen. Faced with a destiny of death and decomposition, Shem reenacts the tradition of the medieval cycle drama, stretching his own body like a parchment on a

cross and then rubricating it like a sacred manuscript.
