*Sathya Sai - The Eternal Companion (Volume 3, Issue 3, March 2024)* Lotus Press (WI)

He appears out of nowhere in a sleepy little neighbourhood in suburban Kerala. He calls himself Shunya, the

zero. Who is he? A lunatic? A dark magician? A fraud? Or an avadhuta, an enlightened soul? Saami-as they call him-settles into a small cottage in the backyard of the local toddy shop. Here he spins parables, blesses, curses, drinks endless glasses of black tea and lives in total freedom. On rare occasions, he plays soul-stirring melodies on his old, bamboo-reed flute. Then,

just as mysteriously as he arrived, Shunya vanishes, setting the path for a new avadhuta, a new era. This first novel by Sri M is a meditation on the void which collapses the wall between reality and make-believe, the limited and the infinite. With its spare storytelling and profound wisdom, it leads us into the realm of 'shunya', the nothingness of profound and lasting peace, the beginning and end of all

things.

Bhagawan says, "Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results..."

Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument." We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book. The Greatness of Saturn Sterling Publishers Pvt., Limited

Om Sri Sai Ram. With love, reverence, and gratitude, Sri Sathya Sai International Organization (SSSIO) offers the February 2024 issue of Sathya Sai - The Eternal Companion at the divine lotus feet of Bhagawan Sri Sathya Sai Baba. This issue features: A divine discourse given on July 28, 2007 at the World Youth Conference, in which Swami assures the ultimate experience of Self-

realization or liberation if one contemplates on God for eleven seconds with a steady mind. An inspiring letter written by Bhagawan in July 1965 on the importance of earnestness in sadhana and steady faith for spiritual aspirants. An editorial based on Adi Shankaracharya's Bhaja Govindam (Part 2) expounding that everything is Brahman. Two unique personal

experiences of devotees with one reminiscing the golden days during the 1974 Summer Course and the other recollecting Swami's golden touch during challenging times. An article about a unique program in Australia, 1 Million Steps To Swami, to help devotees remain connected with Swami in a practical way by constant remembrance of His name and form. The

publication also contains articles on service activities of the SSSIO in Australia, Hong Kong, Sri Lanka, and the USA, the glory of womanhood, ideal Sai Young Adults, and Sathya Sai Education. *Loving God* Hodder Faith This account relates some of the achievements of Satya Sai Baba. His followers believe him to be the reincarnation of Sai Baba of Shirdi who died in 1918. He appears to

have been born with phenomenal powers, which he used in childhood and has employed constantly and openly ever since. The author, a westener devoted to science and logic, spent many months with Satya Sai Baba to substantiate these miracles.

The traditional Indian method of learning Sanskrit is

through oral transmission, by first memorizing texts and then learning their meaning. The Western academic approach methodically teaches the alphabet, declensions, grammar, syntax, and vocabulary building. Zoë Slatoff-Ponté's Yogavataranam integrates the traditional and academic approaches for a full and practical experience of Sanskrit study. Yogavataranam approaches language

systematically and at the same time allows students to read important and relevant texts as soon as possible, while emphasizing proper pronunciation through its audio accompaniment. The first section teaches reading and basic grammar, the second covers more extensive grammar, and by the third, students can begin to read and understand even more

complex texts, such as the Upanisads. Yogavataranam includes: Step-by-step instructions on how to correctly write the alphabet Exercises throughout, along with review exercises for each chapter Sidebars on Indian philosophy, culture, etymology, and more Vocabulary building based on important texts An extensive glossary of terms Consideration of translation techniques

and challenges Original translations of passages from central texts, such as the Yogasutra, Bhagavadgita, Hathapradipika, and various Upanisads In addition, Web-based audio files accompany each chapter to teach proper pronunciation. Yogavataranam is appropriate for all levels of study, whether a student is brand-new to Sanskrit or already has experience in pronunciation,

reading devanagari script, interpreting meaning, or learning grammar-and whether the course is academic or based in yoga. This new approach joins theory and practice to invoke an active experience of the philosophy, the practice, and the culture that together inform the multiplicity of meanings contained within the single and powerful word "yoga."

 The groups of people from various walks of life who travelled with Mohanji to experience this enigma called Kailash. This is their story. This book could open up doors and windows and bring new light into the minds of spiritual seekers, curious thinkers, travellers to Kailash or even a casual reader. Mount

Kailash - the most powerful energy portal of earth. Kailash stands tall in the horizons of various religions and spiritual paths as an ultimate goal and destination for its seekers. It challenges man to test the death of his spiritual conviction. It literally moves mountains in endurance. Man versus Kailash could mean the ultimate realisation that every man is indeed Kailash - in depth and mystery. The

mystery and power of the yogi God, called Shiva overwhelms a man to take up this journey of a lifetime against all odds. This is a life changing expedition. This is the ultimate test of faith. This is the ultimate pilgrimage of man to his own eternal abode. 85 people travelled with Brahmarishi Mohanji in 2016 to Kailash, of which 18 pilgrims performed The Inner Kora. This is a

compilation of their death defying stories filled with amazing grace that enabled them to complete the journey and experience the ultimate joy of being in the lap of Shiva.

*Fragrance* Sri Sathya Sai Sadhana Trust, Publications Division Bhagawan has announced Himself as the Divine Teacher of Truth, Beauty, and Goodness. By precept and example, through His writings and discourses,

letters and conversations, He has been instilling the supreme wisdom and instructing all mankind to translate it into righteous living, inner peace, and universal love. When the Ramakatha Rasavahini, the uniquely authentic, nectarine stream of the Rama's story, was serialised in full in the Sanathana Sarathi, Bhagawan blessed readers with a new series, which He named Bharatiya

Paramartha Vahini (The Stream of Indian Spiritual Values). While these precious essays, on the basic truths that foster and feed Indian culture since ages before history began, were being published, Bhagawan decided to continue the flow of illumination and instruction under a more comprehensive and meaningful name, Sathya Sai Vahini - the Ganga from the Lotus

Feet of the Lord - "The Flow of Divine Sai Grace". This book, therefore, contains the two Vahinis that have merged in one master stream. Inaugurating these series, Bhagawan wrote for publication in the Sanathana Sarathi, "Moved by the urge to cool the heat of conflict and to quench the agonising thirst for 'knowledge about yourself' that you are afflicted with, see, here it

comes, the Sathya Sai Vahini, wave behind wave, with the Sanathana Sarathi as the medium between you and Me." With infinite compassion, this Sathya Sai incarnation of the Omniwill is giving millions of persons in all lands freedom from disease, distress, and despair, narcotics, narcissism, and nihilism. He is encouraging those, who suffer gloom through wilful blindness, to

light the Lamp of Love in order to see the world and the Lamp of Wisdom to see themselves. "This is a tantalising, true-false world. Its apparent diversity is an illusion. It is One, but is cognised by the maimed, multiple vision of humans as Many," says Bhagawan. This book is the twin Lamp He has devised for us. Kailash with Mohanji Sri Sathya Sai Media Centre This series of two books is designed for

the systematic learning of Devanagari, the alphabet script generally used for written Sanskrit. By completing the study of these two books, one may be able to read and write Sanskrit words and sentences adequately. This first book of the series covers all of the letters in the Sanskrit alphabet. Pronunciation, a guided handwriting practice area with the order of writing strokes, and word

examples are provided for each letter.  Bhagawan,  
 "Control the
