The Top Idea in Your Mind
The Idea In You HowThe
main idea, sometimes
referred to as the central
idea, is the most
important thought of a
text. From elementary
school on up, we're
taught to discuss and

analyze pieces of writing
in terms of the main
idea. Knowing how to
identify the main idea in a
piece can help us become
better readers—and
writers. How To Find The
"Main Idea" Of A Text |
Dictionary.com The tricky
part is, you can only
control it indirectly. I think
most people have one top
idea in their mind at any
given time. That's the
idea their thoughts will

drift toward when they're
allowed to drift freely. And
this idea will thus tend to
get all the benefit of that
type of thinking, while
others are starved of
it. The Top Idea in Your
Mind idea: 1. A thought or
collection of thoughts that
generate in the mind. An
idea is usually generated
with intent, but can also
be created
unintentionally. Ideas
often form during

brainstorming sessions or through discussions. What is an idea? definition and meaning ... Before you panic and start flipping through your idea books again, closely consider whether you can make this idea work. After all, there was a reason you thought of that idea in the first place.
