[First French Reader](#) Oxford University Press, USA

This anthology introduces 50 legendary writers — Voltaire, Balzac, Baudelaire, Proust, more — through passages from *The Red and the Black*, *Les Misérables*, *Madame Bovary*, and other classics. Original French text plus English translation on facing pages.

[Candide: A Dual-Language Book \(English - French\)](#) Courier Corporation

This collection features 12 stories by Franz Kafka, whose fiction is synonymous with the anguish of modern life, and the poet Rainer Maria Rilke, whose stories unfold in the same transcendent lyricism as his verse. Twelve of Kafka's tales from the compilation *Ein Landarzt* (*A Country Doctor*), appear here, along with two tales from *Ein Hungerkünstler* (*A Hunger Artist*). Rilke's stories include "Die Weise von Liebe und Tod des Cornets Christoph Rilke" (*The Ballad of Love and Death of Cornet Christoph Rilke*); "Die Turnstunde" (*The Gym Class*); and *Geschichten vom lieben Gott*

(*Stories About the Good Lord*).

Candide Peter Lang

Candide is the picaresque tale of the titular character's fantastical journey from an insular, idealized life in a picturesque castle through the difficulties and evils of the real world. Satirical, comical, witty, and cutting, Candide was widely banned in its day for containing blasphemous and seditious concepts. Despite that, it survived controversy to become an important book in the Western literary heritage. Today Candide remains a breezy and darkly funny read. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

This work is a guide to the reading of Dante's great poem, intended for the use of students and laymen, particularly those who are approaching the Inferno for the first time. While carefully pointing out the uniqueness, tone, and color of each of Dante's thirty-four cantos, Fowlie never loses sight of the continuity of the poet's discourse. Each canto is related thematically to others, and the rich web of symbols is displayed and disentangled as the poem's unity, patterns, and structures are revealed. What particularly distinguishes Wallace Fowlie's reading of the Inferno is his emphasis on both the timelessness and the timeliness of Dante's masterpiece. By underlining the archetypal elements in the poem and drawing parallels to contemporary literature, Fowlie has brought Dante and his characters much closer to modern readers.

A majority of the chapters in this book were originally presented as papers at a conference held at Queen's University Belfast in September 2006. The volume explores the oral-written dynamic in the conte français/francophone, focusing on key aspects of the relationship between oral and written forms of the conte. The chapters fall into four broad thematic areas (the oral-written dynamic in early modern France; literary appropriations and transformations; postcolonial contexts; storytelling in contemporary France: linguistic strategies). Within these broad areas, some chapters deal with sources and influences (such as that of written on oral and vice versa), others with the nature of the discourse resulting from an oral-written dynamic (discourse structure, linguistic features etc.), some with the oral-written interface as it affects the definition of genre, others with the role of the 'oral' within the literary or written text (use of storytelling scenarios, the problematics inherent in transcribing/adapting the spoken word etc.). This chronological and methodological range allows us to situate the emergence of the form in socio-cultural and historical terms, and to open up debate around the role of the conte in particular geographical and political contexts: regional, national, European and postcolonial. This book contains contributions in both English and French.
