Beginners . Digital Photography Tips and
Tutorials for Beginners Digital photography
for beginners can be confusing. Exposure
isn't as simple as learning about aperture,
shutter speed, and ISO. You also have to
learn about how your camera looks at
light. Metering modes are there to tell
your camera how you want it to look at a
scene. The picture below was taken on
spot metering mode. If you were to take
the same photo using the evaluative
mode, you would end up with a completely
different exposure. Photography for
