*The Warmth  
of Other Suns*  
Harper Collins  
"A new edition  
with a final  
chapter  
written forty  
years after the  
explosion."

*The Prequel to  
Warm Bodies*  
Simon and  
Schuster  
Soon to be a  
feature film  
starring Jordan  
Fisher! On the  
night before  
they leave for  
college, Clare  
and Aidan  
only have one  
thing left to

do: figure out  
whether they  
should stay  
together or  
break up.  
Over the  
course of  
twelve hours,  
they retrace  
the steps of  
their  
relationship,  
trying to find  
something in

their past that might help them decide what their future should be. The night leads them to family and friends, familiar landmarks and unexpected places, hard truths and surprising revelations. But as the clock winds down and morning approaches, so does their inevitable goodbye. The question is, will it be goodbye for now or goodbye forever? Charming,

bittersweet, and full of wisdom and heart, this irresistible novel from Jennifer E. Smith, author of *The Statistical Probability of Love at First Sight* and *Field Notes on Love*, explores the difficult choices that arise when life and love lead in different directions. *The Scum Villain's Self-Saving System: Ren Zha Fanpai Zijiu Xitong (Novel) Vol. 1* TokyoPop The Guardian called Warm Bodies 'the

zombie novel with a heart'; Audrey Niffenegger said 'Warm Bodies is an unexpected treat', and Stephenie Meyer eagerly looked forward to the next book. Here it is: the prequel to Warm Bodies, released to coincide with the major film adaptation from the producers of *Twilight*, starring Teresa Palmer and Nicholas Hoult. Julie Grigio drives with her parents through the crumbling

wastelands of America - a nightmarish family road trip in search of a new home. A few hundred miles away, Nora Greene finds herself the reluctant, terrified guardian of her younger brother when her parents abandon them in the not-quite-empty ruins of Seattle. In the darkness of a forest, a dead man in a red tie opens his eyes. With no memory of who or what he is, he must unravel the grim mystery

of his existence - right after he learns how to think, how to walk, and how to satisfy the monster howling in his belly... Two warped families and a lonely monster. Unknown to any of them, their paths are set to cross in a startling encounter that will change the course of their lives - or deaths - forever. om Simon and Schuster Choose Wisely! Once a literary bad boy, the only lines Professor Sebastian Swift does these days are Browning, Frost and Cummings. When a student he helped to disappear becomes a suspect in a murder, he races to find the boy and convince him to give himself up before his police chief lover figures out he's involved. Max likes being lied to even

less than he  
likes sonnets.  
Yet his  
instincts--and  
his heart--tell  
him his  
boyfriend is  
being played  
and a  
dangerous  
enemy may  
not stop until  
Swift is  
heading up his  
own dead  
poet's society.  
*Chemistry*  
Random  
House  
For fans of  
The Giver, a  
futuristic  
thriller with a  
diverse cast.  
In Thalia's  
world, there is  
no more food  
and no need  
for food, as  
everyone  
takes  
medication to

ward off  
hunger. Her  
parents both  
work for the  
company that  
developed the  
drugs society  
consumes to  
quell any food  
cravings, and  
they live a life  
of privilege as  
a result. When  
Thalia meets a  
boy who is  
part of an  
underground  
movement to  
bring food  
back, she  
realizes that  
there is an  
entire world  
outside her  
own. She also  
starts to feel  
hunger, and  
so does the  
boy. Are the  
meds no  
longer  
working?

Together, they  
set out to find  
the only thing  
that will quell  
their hunger:  
real food. It's  
a journey that  
will change  
everything  
Thalia thought  
she knew. But  
can a "privy"  
like her ever  
truly be part  
of a  
revolution?  
[A  
Neuroscientifi  
c View of the  
Zombie Brain](#)  
Melville House  
Even if you've  
never seen a  
zombie movie  
or television  
show, you  
could identify  
an undead  
ghoul if you  
saw one. With  
their endless  
wandering,

lumbering gait, insatiable hunger, antisocial behavior, and apparently memory-less existence, zombies are the walking nightmares of our deepest fears. What do these characteristic behaviors reveal about the inner workings of the zombie mind? Could we diagnose zombism as a neurological condition by studying their behavior? In *Do Zombies Dream of Undead Sheep?*, neuroscientist

s and zombie enthusiasts Timothy Verstynen and Bradley Voytek apply their neuro-know-how to dissect the puzzle of what has happened to the zombie brain to make the undead act differently than their human prey. Combining tongue-in-cheek analysis with modern neuroscientific principles, Verstynen and Voytek show how zombism can be understood in terms of current knowledge regarding how

the brain works. In each chapter, the authors draw on zombie popular culture and identify a characteristic zombie behavior that can be explained using neuroanatomy, neurophysiology, and brain-behavior relationships. Through this exploration they shed light on fundamental neuroscientific questions such as: How does the brain function during sleeping and

<p>waking? What neural systems control movement? What is the nature of sensory perception? Walking an ingenious line between seriousness and satire, <i>Do Zombies Dream of Undead Sheep?</i> leverages the popularity of zombie culture in order to give readers a solid foundation in neuroscience. <i>The Transmission of Affect</i> Princeton University Press</p>	<p>*Named a Best Book of 2018 by the New York Times, Publishers Weekly, NPR, Broadly, BuzzFeed (Nonfiction), The Undefeated, Library Journal (Biography/Memoirs), The Washington Post (Nonfiction), Southern Living (Southern), Entertainment Weekly, and The New York Times Critics*. In this powerful, provocative, and universally lauded memoir—winn</p>	<p>er of the Andrew Carnegie Medal and finalist for the Kirkus Prize—genre-bending essayist and novelist Kiese Laymon “provocatively meditates on his trauma growing up as a black man, and in turn crafts an essential polemic against American moral rot” (Entertainment Weekly). In <i>Heavy</i>, Laymon writes eloquently and honestly about growing up a hard-headed black</p>
--	--	---

son to a complicated and brilliant black mother in Jackson, Mississippi. From his early experiences of sexual violence, to his suspension from college, to time in New York as a college professor, Laymon charts his complex relationship with his mother, grandmother, anorexia, obesity, sex, writing, and ultimately gambling. Heavy is a “gorgeous, gutting...gene rous” (The New York

Times) memoir that combines personal stories with piercing intellect to reflect both on the strife of American society and on Laymon’s experiences with abuse. By attempting to name secrets and lies he and his mother spent a lifetime avoiding, he asks us to confront the terrifying possibility that few in this nation actually know how to responsibly love, and even fewer want to live under the

weight of actually becoming free. “A book for people who appreciated Roxane Gay’s memoir *Hunger*” (Milwaukee Journal Sentinel), Heavy is defiant yet vulnerable, an insightful, often comical exploration of weight, identity, art, friendship, and family through years of haunting implosions and long reverberations . “You won’t be able to put [this memoir] down...It is

packed with reminders of how black dreams get skewed and deferred, yet are also pregnant with the possibility that a kind of redemption may lie in intimate grappling with black realities" (The Atlantic). *Growing Up Brooklyn* The New Hunger Warm Bodies Novella In Mary's world there are simple truths. The Sisterhood always knows best. The Guardians will protect and serve. The

Unconsecrated will never relent. And you must always mind the fence that surrounds the village; the fence that protects the village from the Forest of Hands and Teeth. But, slowly, Mary's truths are failing her. She's learning things she never wanted to know about the Sisterhood and its secrets, and the Guardians and their power. And, when the fence is breached and her world is thrown into

chaos, about the Unconsecrated and their relentlessness. Now, she must choose between her village and her future, between the one she loves and the one who loves her. And she must face the truth about the Forest of Hands and Teeth. Could there be life outside a world surrounded in so much death? [STAR] "A bleak but gripping story...Poignant and powerful." - Publishers

Weekly, Starred "A postapocalyptic romance of the first order, elegantly written from title to last line."-Scott Westerfeld, author of the Uglies series and Leviathan "Intelligent, dark, and bewitching, The Forest of Hands and Teeth transitions effortlessly between horror and beauty. Mary's world is one that readers will not soon forget."-Cassandra Clare, bestselling author of City

of Bones "Opening The Forest of Hands and Teeth is like cracking Pandora's box: a blur of darkness and a precious bit of hope pour out. This is a beautifully crafted, page-turning, powerful novel. I thoroughly enjoyed it."-Melissa Marr, bestselling author of Wicked Lovely and Ink Exchange "Dark and sexy and scary. Only one of the Unconsecrated could put this book

down."-Justine Larbalestier, author of How to Ditch Your Fairy Battle Royale Volume 1 Penguin UK Alienated from his fellow zombies because of his dislike of having to kill humans and his enjoyment of Sinatra music, "R" meets a living girl who sharply contrasts with his cold and dreary world and who he resolves to protect in spite of her delicious appearance. A first novel. Reprint.

A Novel

Scribner  
They met by chance, and fell in love. But is it meant to be forever? Callie and Justin are living their fairytale. They are so close to having the family they've always wanted when suddenly Callie finds herself fighting the insecurities that she's been feeling all of her life. This time, the results could be deadly. Can Justin help heal her pain or will the stress drive them apart?

Jay and Jane are trying to plan their future as they face the challenge of Tyler's fight for the child he's never known. Jolene becomes the pawn in a dangerous game until a tragic twist of fate forces Jane to finally confront the man she once loved. Their fates are set, their lives intertwined and their happiness in jeopardy. Can they all finally find their happily ever after?  
*Forever by Design* Feiwel

& Friends  
"The prequel to zombie love story WARM BODIES, THE NEW HUNGER depicts Julie and R's lives in post-apocalyptic America before they met"--  
**Netopia**  
Scholastic Inc.  
The New York Times bestselling Warm Bodies Series has captivated readers in twenty-five languages, inspiring a major film and transcending the zombie genre to become something "poetic" (

Library Journal ) "highly original" ( Seattle Times ) and "ultimately moving" ( Time Out London ). Now the story of a dead man's search for life reaches its conclusion on a scale both epic and intimate. Before he was a flesh-eating corpse, R was something worse. He remembers it all now, a life of greed and apathy more destructive than any virus, and he sees only one path to redemption:

he must fight the forces he helped create. But what can R, Julie, and their tiny gang of fugitives do against the creeping might of the Axiom Group, the bizarre undead corporation that's devouring what's left of America? It's time for a road trip. No more flyover country. This time they'll face the madness on the ground, racing their RV across the wastelands as tensions rise and bonds unravel—beca

use R isn't the only one hiding painful secrets. Everyone is on their own desperate search: for a kidnapped daughter, a suicidal mother, and an abused little boy with a gift that could save humanity... if humanity can convince him it's worth saving. All roads lead home, to a final confrontation with the plague and its shareholders. But this is a monster that guns can't kill. A battle only

one weapon  
can win... p.p1

bestselling  
author of *The  
Girl on the  
Train* Joe  
Goldberg is  
done with the  
cities. He's  
done with the  
muck and the  
posers, done  
with Love.  
Now he's  
saying hello to  
nature, to  
simple  
pleasures on a  
cozy island in

the Pacific  
Northwest. For  
the first time  
in a long time,  
he can just  
breathe. He  
gets a job at  
the local  
library—he  
does know a  
thing or two  
about  
books—and  
that's where  
he meets her:  
Mary Kay  
DiMarco.  
Librarian. Joe  
won't meddle,  
he will not  
obsess. He'll  
win her the  
old-fashioned  
way . . . by  
providing a  
shoulder to  
cry on, a  
helping hand.  
Over time,  
they'll both  
heal their  
wounds and

begin their happily ever after in this sleepy town. The trouble is . . . Mary Kay already has a life. She's a mother. She's a friend. She's . . . busy. True love can only triumph if both people are willing to make room for the real thing. Joe cleared his decks. He's ready. And hopefully, with his encouragement and undying support, Mary Kay will do the right thing and make room for him.

### **Welcome to the Universe**

Seven Seas  
The idea that one can soak up someone else's depression or anxiety or sense the tension in a room is familiar. Indeed, phrases that capture this notion abound in the popular vernacular: "negative energy," "dumping," "you could cut the tension with a knife." The Transmission of Affect deals with the belief that the emotions and energies of one person or group can be

absorbed by or can enter directly into another. The ability to borrow or share states of mind, once historically and culturally assumed, is now pathologized, as Teresa Brennan shows in relation to affective transfer in psychiatric clinics and the prevalence of psychogenic illness in contemporary life. To neglect the mechanism by which affect is transmitted, the author claims, has

serious consequences for science and medical research. Brennan's theory of affect is based on constant communication between individuals and their physical and social environments. Her important book details the relationships among affect, energy, and "new maladies of the soul," including attention deficit disorder, chronic fatigue syndrome, codependency

, and fibromyalgia. Hello, Goodbye, and Everything in Between Random House BBC RADIO 4 BOOK OF THE WEEK and INSTANT NEW YORK TIMES BESTSELLER 'Hunger was a constant, reliable friend in Mei Guo. She came second only to loneliness.' In China she was the daughter of professors. In Brooklyn her family is 'illegal.' Qian is just seven when she moves to America, the 'Beautiful

Country', where she and her parents find that the roads of New York City are not paved with gold, but crushing fear and scarcity. Unable to speak English at first, Qian and her parents must work wherever they can to survive, all while she battles hunger and loneliness at school. Thus begins an extraordinary story that describes, in vivid colours, days labouring in sweatshops and sushi factories,

**The New Hunger (The Warm Bodies Series)**  
Vintage  
Discover the prequel to Isaac Marion's cult zombie romance Warm Bodies  
Julie Grigio drives with her parents through the crumbling wastelands of America - a nightmarish family road trip in search

of a new home. A few hundred miles away, Nora Greene finds herself the reluctant, terrified guardian of her younger brother when her parents abandon them in the not-quite-empty ruins of Seattle. In the darkness of a forest, a dead man in a red tie opens his eyes. With no memory of who or what he is, he must unravel the grim mystery of his existence - right after he learns how to think, how to

walk, and how to satisfy the monster howling in his belly... Two warped families and a lonely monster. Unknown to any of them, their paths are set to cross in a startling encounter that will change the course of their lives - or deaths - forever.

**It** Simon and Schuster  
Cameron Diaz shares her formula for becoming happier, healthier, and stronger in this positive, essential guide

grounded in science and inspired by personal experience, a #1 New York Times bestseller. Throughout her career, Cameron Diaz has been a role model for millions of women. By her own candid admission, though, this fit, glamorous, but down-to-earth star was not always health-conscious. Learning about the inseparable link between nutrition and the body was just one of the

life-changing lessons that has fed Cameron's hunger to educate herself about the best ways to feed, move, and care for her body. In *The Body Book*, she shares what she has learned and continues to discover about nutrition, exercise, and the mind/body connection. Grounded in science and informed by real life, *The Body Book* offers a comprehensive overview of the human body and

mind, from the cellular level up. From demystifying and debunking the hype around food groups to explaining the value of vitamins and minerals, readers will discover why it's so important to embrace the instinct of hunger and to satisfy it with whole, nutrient-dense foods. Cameron also explains the essential role of movement, the importance of muscle and bone strength and why we

need to sweat a little every day. The Body Book does not set goals to reach in seven days or thirty days or a year. It offers a holistic, long-term approach to making consistent choices and reaching the ultimate goal: a long, strong, happy, healthy life. Leonard and Hungry Paul Delacorte Press New Jersey teens Jake Stephenson and Amanda Blake are turning into zombies and, having

devoured half of their senior class, they are on the run, pursued by teen psychic Cass, a member of a government unit charged with killing zombies and keeping them. **The Epic Story of America's Great Migration** St. Martin's Press Abandon your treasured delusions and hit the road with one of the most important Zen masters of twentieth-century Japan. Eschewing the entrapments of vanity,

power, and money, "Homeless" Kodo Sawaki Roshi refused to accept a permanent position as a temple abbot, despite repeated offers. Instead, he lived a traveling, "homeless" life, going from temple to temple, student to student, teaching and instructing and never allowing himself to stray from his chosen path. He is responsible for making Soto Zen available

to the common people outside of monasteries. His teachings are short, sharp, and powerful. Always clear, often funny, and sometimes uncomfortably close to home, they jolt us into awakening. Koshō Uchiyama expands and explains his teacher's wisdom with his commentary.

Trained in Western philosophy, he draws parallels between Zen teachings and the Bible, Descartes, and Pascal. Shohaku Okumura has also added his own commentary, grounding his teachers' power and sagacity for the contemporary, Western practitioner. Experience the timeless,

practical wisdom of three generations of Zen masters. *A Novel* Vintage "In this sequel to WARM BODIES, the New York Times bestselling novel and hit movie, star-crossed lovers R and J must confront a world filled with the undead and the far more terrifying force that animates them"--
