The sermons of Charles Haddon Spurgeon were the pinnacle of preaching in mid-nineteenth-century England. They are still powerful and widely influential today. This five-volume set is a compilation of Spurgeon's best sermons, covering

topics from Israel in Egypt and confession of sin to justification by grace and Paul's first prayer. Originally published in ten volumes in 1883, it is now a five volume set with two volumes in each book. *Cries out of the depths, poems* Oxford University Press on Demand John McConnell Jr. was the famed founder and visionary of Earth Day. McConnell's vision was one of creating a

day of remembrance, solitude, and action to restore the broken human relationship to the land. Little acknowledged are McConnell's religious convictions or background. McConnell grew up in a Pentecostal home. In fact, McConnell's parents were both founding charter members of the Assemblies of God in 1914. His own grandfather had an even greater connection to the origins of

Pentecostalism by being a personal participant at the Azusa Street Revival in Los Angeles in 1906. Earth Day, thus, began with strong religious convictions. McConnell, seeing the ecological demise through his religious background, envisioned a day where Christians could "show the power of prayer, the validity of their charity, and their practical concern for Earth's life

and people."  
 In the spirit of  
 McConnell,  
 today's  
 Pentecostal  
 and  
 Charismatic  
 theology has  
 something to  
 say about the  
 earth. *Blood  
 Cries Out* is a  
 unique  
 contribution  
 by Pentecostal  
 and  
 Charismatic  
 theologians  
 and  
 practitioners  
 to the global  
 conversation  
 concerning  
 ecological  
 degradation,  
 climate  
 change, and  
 ecological  
 justice.  
*Their Blood  
 Cries Out*  
*(revised)*

Ignatius Press  
 First Enoch is  
 an ancient  
 Judean work  
 that  
 inaugurated  
 the genre of  
 apocalypse.  
 Chapters 1-36  
 tell the story  
 of the descent  
 of angels  
 called  
 "Watchers"  
 from heaven  
 to earth to  
 marry human  
 women before  
 the time of  
 the flood, the  
 chaos that  
 ensued, and  
 God's  
 response.  
 They also  
 relate the  
 journeying of  
 the righteous  
 scribe Enoch  
 through the  
 cosmos,  
 guided by

angels.  
 Heaven,  
 including the  
 place and  
 those who  
 dwell there  
 (God, the  
 angels, and  
 Enoch), plays  
 a central role  
 in the  
 narrative. But  
 how should  
 heaven be  
 understood?  
 Existing  
 scholarship,  
 which  
 presupposes  
 "Judaism" as  
 the  
 appropriate  
 framework,  
 views the  
 Enochic  
 heaven as  
 reflecting the  
 temple in  
 Jerusalem,  
 with God's  
 house  
 replicating its

architecture and the angels and Enoch functioning like priests. Yet recent research shows the Judeans constituted an ethnic group, and this view encourages a fresh examination of 1 Enoch 1-36. The actual model for heaven proves to be a king in his court surrounded by his courtiers. The major textual features are explicable in this perspective, whereas the

temple-and-priests model is unconvincing. The author was a member of a nontemple, scribal group in Judea that possessed distinctive astronomical knowledge, promoted Enoch as its exemplar, and was involved in the wider sociopolitical world of their time.

**The Seven Mountain Prophecy**

Cruciform Press Reaffirming the "greatness and inestimable value of

human life," Pope John Paul II discusses in this encyclical letter the present-day legal, ethical, and moral threats to life. In view of today's climate of practical materialism, he addresses, among other issues: abortion artificial reproduction techniques contraception death penalty euthanasia legitimate defense sterilization suicide The Holy Father encourages the faithful to promote and

develop the Christian message concerning life, based on the goodness and dignity of life and on the human responsibility to share in the fullness and truth of God's love. In order to build a new culture of human life through prayer and action, he welcomes evangelization efforts and stresses the role of the family in bringing this to fruition. Noting the unique role of women in promoting a

"new feminism" that overcomes discrimination, violence, and exploitation, the pope recognizes the witness of love through motherhood and also adds a special word to women who have had an abortion. The letter concludes by looking to Jesus, in order that all may contemplate the life that was made manifest, and to the example and solace of Mary, who is the mother of life.

### **Bible-RSV**

Thomas Nelson A leading biblical scholar offers a powerful reexamination of the Bible's origins and its connections to human suffering Human trauma gave birth to the Bible, suggests eminent religious scholar David Carr. The Bible's ability to speak to suffering is a major reason why the sacred texts of Judaism and Christianity have retained their

relevance for thousands of years. In his fascinating and provocative reinterpretation of the Bible's origins, the author tells the story of how the Jewish people and Christian community had to adapt to survive multiple catastrophes and how their holy scriptures both reflected and reinforced each religion's resilient nature. Carr's thought-provoking analysis demonstrates how many of the central

tenets of biblical religion, including monotheism and the idea of suffering as God's retribution, are factors that provided Judaism and Christianity with the strength and flexibility to endure in the face of disaster. In addition, the author explains how the Jewish Bible was deeply shaped by the Jewish exile in Babylon, an event that it rarely describes, and how the

Christian Bible was likewise shaped by the unspeakable shame of having a crucified savior. His Blood Cries Out Author House This ebook edition contains artwork adapted from the print edition to fit the digital format. "My hope is that this volume will help you to see the Savior more clearly, to understand his grace more deeply, to confess your struggle more

honestly, to worship him more fully, and to find in these meditations the motivation to continue to follow the Savior even when he's leading you into unexpected and hard places." —Paul David Tripp Best-selling author Paul David Tripp invites you into his personal reflections on his experience of God's ever-present grace through the ups and downs of his life. He shares his

celebrations, disappointments, cries for help, confessions, and confusions in the form of 120 meditations that were written over many years through various joys and struggles. Vulnerable yet pastoral and wise, these meditations in the form of verse showcase how God's amazing grace intersects with the mundane, unexpected, messy, and beautiful moments of everyday life.

God Encounters  
USCCB Publishing  
Why is cloning wrong? Does the Bible say a divorced person can remarry? Can angels sin? Is body piercing wrong? Can demons read our thoughts? Dr. Elmer Towns, author of over 80 books and Dean of Liberty University's School of Religion, answers these and many other questions you have wondered about. Written for the new

Christian too embarrassed to ask, and for the long-time Christian who still has unanswered questions, this one-volume, indexed resource provides the kind of responses your own pastor would give as you're shaking hands after the Sunday morning sermon-short, knowledgeable, and to the point. Topics covered include: Politics The Bible, The Holy Spirit, and Angels Creation

Demons and the Devil· God's Names Prayer, Salvation, and Sin If you have questions-and who doesn't- Bible Answers for Almost All Your Questions is an essential resource. *God the Son Incarnate* Reyma Publishing Their Blood Cries Out (revised) Blood That Cries Out From the Earth Oxford University Press on Demand **The Torn Veil** Multnomah The final book of the Bible,

Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. **Understanding Four Views on the Lord's Supper** Their Blood Cries Out (revised) Blood That Cries Out

From the Earth Today more than 200 million Christians around the world suffer imprisonment, abuse and even death because of their faith. Yet most Americans never hear their stories. In *Their Blood Cries Out*, Paul Marshall reveals the reality of this present-day persecution, revealing what we can do to help these brothers and sisters in Christ.

**Belgic Confession**

Hendrickson Publishers From her first breath of fresh air beyond the pit, it has never been enough for Beth Moore to be free. This best-selling author and Bible teacher who has opened the riches of Scripture to millions longs for you to be free as well—to know the Love and Presence that are better than life and the power of God’s Word that defies all darkness. Beth’s journey out of the pit has been

heart-rending. But from this and the poetic expressions of Psalm 40 has come the reward: a new song for her soul, given by her Saviour and offered to you in *Get Out of That Pit*—friend to friend. This is Beth’s most stirring message yet of the sheer hope, utter deliverance, and complete and glorious freedom of God: I waited patiently for the Lord He turned to me and heard my cry He lifted me out of the slimy pit He

set my feet on  
a rock He put  
a new song in  
my mouth It is  
a story, a  
song—a  
salvation—tha  
t you can  
know too.

Christian  
Heritage  
This book  
explores  
'innocent  
blood' and its  
traditions as  
keys to the  
death of Jesus  
in Matthew,  
against  
background of  
exile and  
return.

*Mothering the  
Fatherland*

Crossway  
More than  
forty years  
ago, Ollie  
Chandler was

only eighteen  
years old  
when he was  
executed on  
October 18,  
1963. In this  
memoir,  
Ollie's brother  
and author  
W.C. Chandler  
narrates  
Ollie's short  
life story that  
includes racial  
discrimination,  
a miscarriage  
of justice, and  
his untimely  
death. Ollie  
was one of the  
fourteen  
children of  
John and  
Leatha  
Chandler who  
lived in the  
rural  
community of  
Clyattville,  
Georgia. Life  
was not easy  
for a black

family living in  
the south. And  
for Ollie, life  
was even  
more difficult.  
Mentally  
challenged, he  
wasn't able to  
finish school.  
But at age  
seventeen,  
Ollie was  
arrested for a  
murder he  
said he didn't  
commit. His  
Blood Cries  
Out for Justice  
tells the rest  
of Ollie's story  
from his time  
in jail to his  
trial by an all-  
white jury and  
his  
subsequent  
death. A  
moving  
tribute, His  
Blood Cries  
Out for Justice  
pays homage

to this young life that was cut short. It reckons with history while also celebrating one family's deep love and that family's attempt to make sense of a tragedy.

**Blood That Cries Out From the Earth** Plain

Truth Ministries Nothing is more important than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God,

Scripture, and the gospel. To get to the core of this belief, this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical, biblical, and historical perspectives—concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. Readers will learn to better know, love, trust, and obey Christ—unash

amed to proclaim him as the only Lord and Savior. Part of the Foundations of Evangelical Theology series.

*The Death of Jesus in Matthew*

Crossway During the Allied bombing of Darmstadt in 1944, some Lutheran young women saw their city's destruction as an expression of God's wrath. In 1947, a small number formed the Ecumenical (now

'Evangelical')  
Sisterhood of  
Mary, one of  
the first post-  
war Protestant  
religious  
orders. They  
sensed God's  
call on them  
to embrace  
lives of radical  
repentance for  
the sins of the  
German  
people against  
God and  
against the  
Jews. Under  
Mother  
Basilea, born  
Klara Schlink,  
the sisters  
embraced an  
ideology of  
collective  
national guilt  
for the  
Holocaust.  
**My Heart  
Cries Out**  
Courier  
Corporation

This new  
edition of John  
Horgan's  
critically  
acclaimed  
book is fully  
revised and  
expanded.  
The book  
presents a  
critical  
analysis of our  
existing  
knowledge  
and  
understanding  
of terrorist  
psychology.  
Despite the  
on-going  
search for a  
terrorist  
pathology, the  
most  
insightful and  
evidence-  
based  
research to  
date not only  
illustrates the  
lack of any  
identifiable

psychopathology in  
terrorists, but  
demonstrates  
how  
frighteningly  
'normal' and  
unremarkable  
in  
psychological  
terms are  
those who  
engage in  
terrorist  
activity. By  
producing a  
clearer map of  
the processes  
that impinge  
upon the  
individual  
terrorist, a  
different type  
of terrorist  
psychology  
emerges, one  
which has  
clearer  
implications  
for efforts at  
countering  
and disrupting

violent extremism in today's world. In this 2nd edition, Horgan further develops his approach to the arc of terrorism by delving deeper into his IED model of Involvement, Engagement and Disengagement – the three phases of terrorism experienced by every single terrorist. Drawing on new and exciting research from the past decade, with new details

from interviews with terrorists ranging from al-Qaeda to left-wing revolutionaries, biographies and autobiographies of former terrorists, and insights from historic and contemporary terrorist attacks since 2005, Horgan presents a fully revised and expanded edition of his signature text. This new edition of *The Psychology of Terrorism* will be essential reading for students of terrorism and political

violence, and counterterrorism studies, and recommended for forensic psychology, criminology, international security and IR in general. [Bible Answers for Almost All Your Questions](#) Thomas Nelson  
A Taste of Grace is an easy-to-read page-turning exploration of God's amazing grace, demonstrated and illustrated by the teachings of Jesus. A Taste of Grace proclaims God's grace as

irreconcilably opposed to the core values and beliefs of institutionalized religion and reveals God's grace to be an absurd and foolish sentiment that doesn't add up to the human mind. His Blood Cries Out for Justice Zondervan The beloved and timeless King James Version is made available in an edition priced right for Sunday schools, Bible clubs, church presentations, and giveaways. Offering affordable quality, these handsome award Bibles will withstand heavy use thanks to better quality paper and supple but sturdy cover material. A great way to honor special achievements-at a budget-conscious price A spectrum of attractive colors-black, burgundy, blue, royal purple, dark green, and white-suit any occasion Imitation leather, 640 pages, 5 8 inches Clear 7-point type Color maps and presentation page The words of Christ in red 32 pages of study helps Sewn binding Shipped with an attractive four-color half-wrap and shrink-wrap. *God's Court and Courtiers in the Book of the Watchers* Oxford University Press, USA In His Blood Cries Out, Charles shares the Powerful Message of what the blood of Jesus does for those who believe in

Him. The book is divided into two parts. Part one takes a natural look at blood to underscore the importance of blood, and part two examines what the shed blood of Jesus does for those who believe in Him. The Bible reveals to us that blood can speak. According to Charles, Jesus' blood does not only speak but cries out that the price for salvation is paid in full; it is finished! His blood

declares, among other things, that believers in Him are Forgiven, made fit for heaven, have direct access into the amazing grace and glorious presence of God, and share in all the wealth of His Kingdom. Charles also encourages his readers to give heed to the voice of Jesus' blood crying out... This will make them victorious over the enemy of their souls and will empower

them to reign with Christ in their lives. Believing the message of His blood is both liberating and spiritual empowering. **Revelation** Vintage Jefferson regarded Jesus as a moral guide rather than a divinity. In his unique interpretation of the Bible, he highlights Christ's ethical teachings, discarding the scriptures' supernatural elements, to reflect the deist view of religion.
