Do you want to earn the #1 Certification for Project Management globally? Are you in possession of numerous resources yet clueless on how you could organise yourself to be fully prepared to take on the PMP exam? Does the thought of attempting the PMP exam scare you? Roji Abraham, a successful project manager in a \$4 Billion firm, a certified PMP, and an MBA graduate from one of Europe's best business schools, writes in his unique style about his 30 day journey to PMP certification and gives step-by-step guidance on how you could effectively utilise your time while preparing for the exam. 'Be a PMP ace in 30 days' isn't a full-fledged guide with a truckload of information on each section but rather, a companion book, that shows you, how in 30 days, you could use your resources effectively, and be ready for the PMP exam and succeed. That too, without having to take even a day off from work! Here's what you get from this book that will

oversee your personal journey to PMP certification: 1. Guidance on the necessary tools and resources you need while preparing for the PMP exam and how to use them effectively. 2. Website links to a downloadable weekly calendar with suggested daily and hourly schedules for covering each topic and reviewing them effectively over 30 days 3. Website link to a print-friendly downloadable process chart 4. Key notes for each day that highlights the most important topics for that day. 5. Information on some great free/budget online resources 6. Useful tips for the exam day. 7. Five interviews with successful PMP candidates, from around the globe, with their suggestions on how to conquer the PMP exam.

Deliver "Exceptional Business Value" aligned to "Organizational Strategy" through structured program management and stand out from the crowd by attaining the elite PgMP credential Programs are vehicles for organizations to realize their strategic objectives and goals. As the industry shifts from just delivery of projects and programs to a more value-driven and benefits-oriented model, program management acts as a key piece in the puzzle that allows organizations to extract the most business value & benefits from a group of related initiatives that are managed as one program. The biggest reason why strategic programs fail is due to the strategy execution gap, where the people executing the strategy don't understand "Why" we are doing this or "Where" we are going with this. The Program Manager is a key role that bridges this strategy execution gap, who leads the program towards success by keeping the team focused on the end goals that are aligned to the organizational strategy and direction. This book will help you: • Understand the program management performance domains as per the Standard for Program Management by PMI • Overcome commonly faced challenges as a program manager, and successfully deliver benefits and business value • Support your organization's pursuit of strategic objectives and goals through effective program management • Understand the PgMP exam syllabus & contents easily, with pictures, charts, and examples to aid learning • Submit the PgMP Application as well as prepare for the PgMP exam • Learn Tips & Tricks that will help you take the PgMP exam with confidence The demand for competent program managers who can help organizations achieve their strategic objectives is growing, and holding the PMI-PgMP credential helps you demonstrate strong subject matter knowledge & expertise in this area and become an invaluable asset to any organization.
