Praise for You Gonna Finish That Dragon? "Parham is at the very top echelon of American humorists, equal to Dave Barry or David Sedaris on their best day." Linton Robinson (award-winning author of Bailin') In his seventh critically-acclaimed collection, humorist Barry Parham points his Pardon Me?-o-meter at American culture, science, men & women, ferret owners, and why Paul Revere was a lousy dentist.

You Gonna Finish That Dragon? Independently Published

Throughout the book, theoretical foundations necessary for understanding Electronic Commerce (EC) are presented, ranging from consumer behavior to the economic theory of competition. Furthermore, this book presents the most current topics relating

to EC as described by a diversified team of experts in a variety of fields, including a senior vice president of an e-commerce-related company. The authors provide website resources, numerous exercises, and extensive references to supplement the theoretical presentations. At the end of each chapter, a list of online resources with links to the websites is also provided. Additionally, extensive, vivid examples from large corporations, small businesses from different industries, and services, governments, and nonprofit agencies from all over the world make concepts come alive in Electronic Commerce. These examples, which were collected by both academicians and practitioners, show the reader the capabilities of EC, its cost and justification, and the innovative ways corporations are using EC in their operations. In this edition (previous editions published by Pearson/Prentice Hall), the authors bring forth the latest trends in e-commerce, including social businesses, social networking, social collaboration, innovations, and mobility.

****Winner of the 2002 Readers' Favorite Gold Medal for Magic & Wizardry!**** A city simmering with repressed urges... A fallen angel bent on chaos... And a conspiracy that could destroy them all. Can one woman harness her own psychic power to stop it? In a world with three layers of ever darker magic, few dare to wield the most dangerous. And those who try can fall prey to violent madness. The Church keeps a tight leash on its citizens. It tests every child for psychological deviancy. If you pass, you're given a

Mark. A tattoo that lets you use the ley power—and shields you from your most primal desires. For the lucky ones, the world is at their feet. The rest suffer a life of menial jobs and hopelessness. When tarot reader Kasia crosses paths with a young priest who hunts deviants, her own ugly secret is dragged into the light. Will they learn to trust each other in time to stop a greater evil from corrupting their world? You'll love the first book in this epic fantasy series because the lush weaving of intrigue, action and slow-burn romance will keep you on the edge of your seat. Get it now. Praise for *City of Storms* "Richly textured and fabulously conceived. Ross drapes a tense political thriller in a trench coat of dark fantasy. Readers should expect the unexpected." -Kirkus Reviews "I'm not prone to bouts of effusiveness but I couldn't gush enough about Kat Ross's books, I enjoy them so much. This one has a Slavic feel, which was really interesting to me, and I loved the rainy city of Novostopol (also the map illustration is gorgeous). Added to the unique setting and fantasy elements are Ross's usual mix of great characters, a twisty-turny plot, romance and a touch of humour. I already can't wait for Book 2!" -Evelyn, Goodreads "I loved the setting, which is technologically advanced yet progress is suppressed - it gave it a 1930's noir feel. I'd compare it favourably to the 'tsarpunk' of the Grishaverse. Relatable characters and fast-paced and well-thought-out action drive this story along and have me eagerly awaiting the sequel." -A. Adler, Goodreads "A masterpiece of magical fantasy which mixes its unique concepts into the darkest psychology of the human mind and its most base physical desires and emotions. Action, excitement, and darkness in all the right places. An unmissable and original read." -K.C. Finn for Readers Favorite, 5

Stars "A rousing adventure [and] skillful fusion of history, fantasy, and religion. It contains word paintings with arresting beauty and a three-dimensional character that is torn between duty and loyalty. I definitely recommend City of Storms for its unique twists, turns, and brilliant storyline." -Vincent Dublado for Readers Favorite, 5 Stars

Book 1 of The Survivalist Series If society collapsed, could you survive? When Morgan Carter's car breaks down 250 miles from his home, he figures his weekend plans are ruined. But things are about to get much, much worse: the country's power grid has collapsed. There is no electricity, no running water, no Internet, and no way to know when normalcy will be restored—if it ever will be. An avid survivalist, Morgan takes to the road with his prepper pack on his back. During the grueling trek from Tallahassee to his home in Lake County, chaos threatens his every step but Morgan is hell-bent on getting home to his wife and daughters—and he'll do whatever it takes to make that happen. Fans of James Wesley Rawles, William R. Forstchen's One Second After, and The End by G. Michael Hopf will revel in A. American's apocalyptic tale.

A thrilling novella in the Night Huntress series from USA Today bestselling author, Jeaniene Frost. Vampire Cat Crawfield Russell is looking forward to a little down time with her best friend,

Denise. But when witches crash the party, a fun getaway turns into a paranormal showdown. Vampire Cat Crawfield is experiencing a new role as a mother. Turns out, trying to manage a perfect domestic life for her daughter is more...challenging than Cat ever imagined. Since things have finally quieted down in the undead world, her husband, Bones, suggests that Cat recharge by spending a girls-only getaway with her best friend, Denise. Cat and Denise intend to spend the week doing nothing more than dancing, drinking, and sightseeing. Unfortunately, they stumble across a deadly summer solstice ritual performed by powerful witches who have no intention of letting their uninvited guests live to reveal what they saw. Will this girls-only getaway turn out to be the last vacation - ever! - for Cat and Denise? *Previously published in the Hex on the Beach anthology*

A Grave Girls' Getaway NYLA

A selkie's song can enchant a man and tame the sea . . . Naia's unusual love for human things led her to become the sole artisan in her clan. But when this passion leads to her abduction, she loses more than contact with the sea when her pelt is taken. Unable to shift forms or return to the sea without it, she knows she will die if she cannot recover the pelt soon. Cut off from her family, Naia must appease the human king while persuading his lovesick son to honor past arrangements. Malik has loved and lost before, an experience leading him to shy away from love. When Naia is stranded, however, he risks everything to find her. Together they uncover a plot that would sweep up humans and selkies alike in a war that would destroy the Five Kingdoms and possibly all of Sonera. When the enemy acts, can they save sea and land . . . and each other? A fantasy retelling of the classic

fairytale, The Little Mermaid Clean romance, adventure, and humor combine to bring classic fairytales and myths to new life in

Love's Enchanted Tales, a series of interconnected stand-alone stories. Each story can be read and enjoyed on its own. However, for greatest enjoyment they should be read in order.
