Capture Me: The Complete Trilogy Mozaika LLC

A powerful young warrior must return to the perilous city she escaped years ago in the New York Times–bestselling author’s fantasy series debut. Seven years ago Kaylin fled the crime-riddled streets of Nightshade, knowing that something was after her. Children were being murdered—and every victim had the same odd markings that had mysteriously appeared on her own skin. . . . Since then, Kaylin has learned to read, she’s learned to fight, and she’s become one of the vaunted Hawks who patrol and police the City of Elantra. Alongside the winged Aerians and the immortal Barrani, she’s made a place for herself, far from the mean streets of her birth. But now children are dying once again. And a dark and familiar pattern is emerging. Kaylin is ordered back into Nightshade with a partner she knows she can’t trust, a dragon for a companion, and a device to contain her powers—powers that no other human has. Her task is simple—find the killer, stop the murders . . . and survive the attentions of those who claim to be her allies . . .

The Krinar's Bane Mozaika LLC

What happens in an alien sex club stays in an alien sex club, right? Well... not if you pen an exposé on the place. And certainly not if you omit the fact that the experiences in the article are your own. Or if the Krinar you've hooked up with is the club's owner, whose many kinks involve blackmail and mind games. For a young journalist out to prove herself, it's all about landing the next big story. Until it becomes all about landing in a possessive alien's penthouse bed. Note: This full-length novel combines two previously published works—*The X-Club*, a short story by Anna Zaires, and *Vair*, the sequel written by Hettie Ivers. It also contains an all-new, expanded ending and an epilogue featuring Mia & Korum.
