A Spirit-Filled Classic Xulon Press
 You are not limited to your own human abilities. This book will answer all of your questions about the anointing. It will prepare you to experience the precious touch of God on everything you do. How can some ministers whose personal and spiritual lives are dried up and in shambles still operate in the anointing and continue to minister with power? Pastor Benny Hinn asked this question during a season of personal trial, and his quest led him to an

in-depth understanding of the three "rivers," or types, of anointing in Scripture: 1 John 2:27 (the anointing within you); Acts 1:8 (the anointing upon you); and Isaiah 10 (a global anointing related to building up and destroying nations). In *Mysteries of the Anointing*, Hinn explores these three types of anointing, sharing personal stories of things he learned firsthand from Kathryn Kuhlman and Oral Roberts, as well as providing biblical and historical examples that illustrate his teachings. Readers will discover: How to detect if the anointing within you is weakening or gone The blessings--and dangers--that can happen when God begins to use you When you're most vulnerable to demonic attack and what to do about it What hinders the anointing in your life and ministry and what increases it The impact of the anointing around the world and how the church will experience it in greater measure

This remarkable book is more than the dramatic account of how a red-haired, freckle-faced girl from Concordia, Missouri, became "the most prominent woman evangelist who ever lived." It is also the story of how God used her life and teaching to influence Benny Hinn. By tracing her fifty extraordinary years of ministry, Benny Hinn offers revealing insights into the spiritual life of one of God's choice servants as she took the saving and healing message of Jesus Christ to her generation - often in the midst of personal struggles and disappointing heartbreaks.

Welcome, Holy Spirit Destiny Image Publishers

Nearly two decades ago Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure

teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission."

"Keep saying it—I have equality with God"—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." *Christianity in Crisis: 21st Century* exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."

FROM THE BEST-SELLING AUTHOR OF *GOD AND DONALD TRUMP* 64% of Americans believe cancel culture is a threat to their freedom. This book will help you realize the seriousness of the battle before us and illuminate the present circumstance for the purpose of doing good—to bring hope. It will document what is happening in our country, how believers can respond, and why we can look expectantly to the future. This is the time for neither religious fatalism nor political inaction. No matter how bad things get in the culture or in government, the Bible is true and God has plans and purposes we don't understand—and in the end we win. Things are chaotic in America. Liberal policies are advancing. A rash of executive orders appears to be moving the nation closer to socialism and a one-world government. And

conservatives, including many Christians, are being censored as never before. There's even a term-cancel culture-which 64 percent of Americans believe poses a threat to their freedom, according to a Harvard CAPS-Harris Poll. (Among Republicans, that figure is even higher at 80 percent.) The term applies to all conservatives who oppose the politically correct crowd, but it's part of a bigger effort to cancel Christianity and those who espouse biblical principles. It almost seems this is the beginning of the end and the Antichrist will appear at any time. You pick the cultural or political issue, and there likely is not even the semblance of widespread agreement. It seems that Christians are in an unprecedented season of fragmentation, potential division, and actual separation on many fronts. Instead of going forward, much of the church seems to be moving backward or standing still, waiting for what's next. The body of Christ is a big, diverse family, and we must choose to cheer one another on rather than get into circular firing squads. We are called to advance on every front. This book will assess and affirm the different approaches playing out. The body needs clarity and unity- and has little of both right now. Wounded armies want hope, focus, and encouragement. This book will not throw anyone overboard who is standing for the truth in some positive way. Rather, it will allow readers to look critically at the various approaches vying for our allegiance and attention here in the middle of 2021. In the course of this survey, we will find reason to affirm where people are fighting on the battlefield and validate the perspectives they bring. Featuring interviews with a cross section of leaders, this book will document what is happening in our country, how believers can respond, and why we can look to the future with hope. Even though things are bad, we must understand that conditions have been this bad or worse in the past and God always came through. He has plans and purposes we don't understand. Christians must not lose heart. We must stand strong and not be intimidated. We must pray, and we must believe God for a great awakening. No matter how bad things get in the culture or in government, the Bible is true and "all things work together for good to those who love God"

(Rom. 8:28, MEV). That's because we are called according to His purpose. A purpose never goes in reverse. This book will reveal what that looks like in its various forms in the day in which we live. It gives a great handle for promoting unity and appreciation of one another when that is breaking down so badly elsewhere. Indeed, maybe the love Jesus spoke about that makes us recognizable to the world will be seen as this book illuminates the supernatural unity among people of very diverse opinions and approaches while pointedly addressing these various hot-button areas.
