Pearson Prentice Hall Literature is an engaging program that reaches all students through personalized instruction. Highly engaging visuals and contemporary lesson designs have been carefully crafted into the program to ensure students will be easily engaged and stay highly motivated as they experience outstanding literature, poetry, and contemporary media. Prentice Hall Literature includes explicit instruction of skills--reading, vocabulary, literary analysis, and writing conventions--all in the context of the literature students read. Prentice Hall Literature is organized around big and essential questions based on the Understanding by Design model by Grant Wiggins. Students frequently revisit these questions throughout lesson activities to deepen their understanding of universal themes. The Understanding by Design model helps you deliver focused instruction by teaching skills in context rather than in isolation. Prentice Hall Literature Student Edition includes Informational Texts, Comparing Literary Works, Writing Workshops, and end-of-unit activities. Every unit is hosted by an award-winning contemporary author, and the instruction targets specific reading strategies. The unit introduction includes introducing the Big Question and the unit genre and author. This "Big Question" section helps to to get you and your child thinking about important ideas to guide reading. The literature includes both classic and contemporary selections and the Informational Texts feature has students applying learned skills to real-life. Prentice Hall Literature - Reader's Notebook Scott Foresman

This anthology invites readers to experience the pleasures of reading by offering them a selection of readings that are accessible and diverse in style, voice, and content. Furthermore, the instructional apparatus that accompanies each reading helps readers develop vocabulary and critical reading skills. Thus readers are invited into the conversation about events, lives, and ideas that we call reading, and given the tools to help them do so in a manner that makes reading satisfying, rewarding, and essential. A multicultural collection of authors explore many facets of life through the written word. The readings are a sampling of contemporary literature from the late twentieth century as well as a few pieces written in earlier times. They are divided into seven chapters, each focusing on a different kind or purpose of reading. The majority of the readings are works of prose, but each chapter also includes a sampling of poetry. For those who are planning to begin or return to college; for GED preparation classes and workplace literacy programs; and for ESOL classes for students capable of reading and speaking basic English but in need of developing more sophisticated language skills, both spoken and written, as well as a deeper understanding of American history and culture.
