The Perfect Ceremonies of Craft Masonry and the Holy Royal Arch
Lewis Masonic Pub Limited

A compendium of Masonic performances to be used either in Lodge or at the festive board. Within this book you will find the famous 'Walking Charge of the Third Degree' which is an increasingly popular feature of presentations to those newly raised to the sublime degree of a Master Mason. There are also several historic charges from historic Freemasonry that were presented to the newly initiated Mason explaining, in a ritual presentation, the history of the Craft and the morality associated with the Masonic system. Lastly you will find in this useful and attractively presented volume variations of the Masonic toasts (not in common use but not entirely extinct) and poetry ideal for the festive board. This excellent and useful companion to Freemasonry is a must have for those wishing to expand their Masonic knowledge or add to their Masonic presentations and performances.'

Illustrations of Masonry Lewis Masonic Pub Limited

This pocket-sized book is aimed at lodge mentors and both new and established members. New members are full of questions about Freemasonry, and are sometimes afraid to ask established members, thus turning to the Internet to be confronted by an array of websites; some filled with misinformation. This book gives the opportunity to answer those questions, and would be perfect for mentors in lodges on both sides of the Atlantic. The pocket book includes an easy-to-understand guide to Freemasonry—an all-questions-answered approach, providing a brief history of Freemasonry, and a quick guide to Masonic ritual, all in a question-and-answers section with a full index, covering the roles of the officers, the festive board, toasting, and an examination of all the current English Masonic rituals: Emulation, Bottomley, Nigerian, the Bristol, York and Hull working. Effectively, the handbook is an easy-to-understand beginners guide—a why, how, and when of Craft Freemasonry.

A Quick Guide to Freemasonry Digireads.com

A must for every Mason, this volume is a guide for neophytes as well as a reference for the initiated. 100 illustrations accompany simple, accurate explanations of gestures, symbols, and terms.
Emulation Ritual Legare Street Press

The Brill Handbook of Freemasonry is a pioneering work that brings together, for the first time, leading scholars on Freemasonry—the largest, oldest, and most influential secret society in the world.

This text provides an authentic record of the Emulation Ritual. It is intended to be useful to officers learning the work.

Emulation Ritual First Degree Lewis Masonic Pub Limited
The Complete Royal Arch Ritual - updated to incorporate the necessary amendments and additions following the convocation of Supreme Grand Chapter on the 10th of November 2004. This volume includes both mandatory changes to the Address after Exaltation and The Historical Lecture plus the new "permissive alternative" versions of the Symbolical and Mystical Lectures alongside the traditional versions.

The Transformation of Freemasonry Lewis Masonic Pub Limited

Mystical architecture is the chief weapon in the Illuminati's armory for the seduction of humanity. Who is behind this Architectural Colossus and what strange force compels its visionary builders and architects to complete their Great Work? The Simple, Systematic and Successful Way to Master the Work
Lewis Masonic Pub Limited

Is there anything wrong with a Christian being a member of the Lodge? Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself? Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership? In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths. Masons are promised that nothing in Masonry's teachings will ever conflict with their own Christian belief. Has Masonry lied to or deceived Christians? In this book you will find answers to all these questions from the Masonic ritual and the Bible itself.

The Dark Rituals and Hidden Worship of the Masonic Lodge Lewis Masonic Pub Limited

This volume is not only an invaluable guide to the performance of craft ritual as taught by the Emulation Lodge of Improvement, but a guide to the learning and performance of Masonic Ritual as an art and a discipline. For this reason, it will be of great value to any Freemason, no matter what ritual his lodge uses. The book contains an in-depth and detailed guide to the procedures of Craft ritual as practiced by the Emulation Lodge of Improvement and the roles and work of each officer in the lodge. It also provides an exhaustive guide to the path through the offices including handy tips on problem areas in the ritual and how to correct common errors.

In Three Parts, with an Explanatory Introduction to the Science and a Free Translation of Some of the Sacred Scripture Names Lewis Masonic Pub Limited

This book contains the official ritual of the order of the knights of Malta Ritual.

Fellow of the Craft - a Treatise on the Second Degree of Freemasonry ATRI Publishing

The perfect gift for the newly made Mason, providing him with an authoritative grounding in Masonic symbolism and practice and everything he needs for his next degree. This book contains - The complete ceremony of the Entered Apprentice Degree, The Official Emulation Lectures explaining the symbolism of the First Degree (some sections of which are as old as the ritual itself!), The questions to the candidate before the Second degree, Instructions on performing Masonic fire and The opening and closing odes.

The Complete Ritual of the Ancient and Accepted Scottish Rite Profusely Illustrated; 1 Greg Stewart

Learn the Ritual 'Secret Weapons'... In "Learning Masonic Ritual - The Simple, Systematic and Successful Way to Master the Work", author Rick Smith has combined the Secret Weapons of Great Ritualists into a structured process that anyone can follow. Whether you're new to Freemasonry and looking for a jump-start, or you've tried and failed to learn Ritual in the past, this Three-Stage System will show you how to succeed. Most people are capable of learning and performing Ritual, but many simply haven't found the best approach. This book lays out proven techniques and methods that you can integrate into your everyday life. Eliminate the Common Mistakes... The most common mistakes are explained and removed, you are taught

how to plan properly, and introduced to Tips and Tricks used by successful Ritualists to make it look easy. Learning Masonic Ritual equips you with a Complete Coaching System, emphasising Competence, Confidence and Sincerity, to achieve your goals in record time. You could spend years developing and learning these techniques by yourself, or you could master the Secret Weapons in a weekend and vastly enhance your enjoyment and understanding of Freemasonry by becoming an active participant in the Ritual of your Lodge. This version is based on English Craft Ritual; however the techniques and methods are equally valid for any Masonic Ritual system. Here are some of the Kindle Reviewers' comments; "Just finished reading this book and was enthralled by the explanation for time keeping and method of learning. I'm far from the best for remembering long passages so this will help and I will put it to the test. I've just passed to 2nd degree & will start on the 1st degree charge just so I know it. As you can imagine it's a fairly long piece and when you're standing there it's a bit daunting. Thank you for writing this and now I can use this method for future reference". - Mr G. 28 July 2013 "I wish this was available when I first joined the Craft! Essential guidance for both the new Freemason who is daunted by the work that may lie ahead, but also the seasoned ritualist whose advancing years have made it more difficult to recall and retain like he used to! Also a useful tool for Lodge Mentors to have in their armoury to encourage the less experienced mason to progress" - Jim Tull, 28th June 2013 "This book was written mostly for brothers working under the Grand Lodge of England, so the terms used for the various parts of the work, as well as some of the officers' titles can be confusing to those of us in the southern U.S., but Brother Smith still delivers a good lecture on both the joys and importance of the ritual, as well as an effective means to help learn and polish your parts. My mentor took me by a slightly different path, but I still recognized some of the things they made me do; this book offered more light on why to do it that way, and some options to improve the process. An excellent essay, and we'll worth the modest price. I'm sure these methods can be applied to all types of learning. Give it a try!" - Thomas E Ezell, July 2nd 2013 Click on Look Inside to read the first chapter FREE

Duncan's Ritual of Freemasonry Lewis Masonic Pub Limited

The perfect gift for the newly made Fellow Craft, providing him with an authoritative grounding in Masonic symbolism and practice and everything he needs for his next degree. This book contains - The complete ceremony of the Fellow Craft Degree, The Official Emulation Lectures explaining the symbolism of the Second Degree (some sections of which are as old as the ritual itself!), The questions to the candidate before the Third degree, Stability Ritual Createspace Independent Publishing Platform
English Freemasonry defines itself as a 'system of morality': but what does that phrase mean? This new study traces it back to the work of William Preston (1742-1818), who argued that Freemasonry teaches a philosophical approach to virtue. According to Preston, the rituals of Freemasonry are designed to lead the initiate through the ethical thought of Aristotle. His view proved popular, and was decisive in shaping the ritual approved for use by the United Grand Lodge of England shortly after its formation in 1813. Almost all English lodges, and many others throughout the world, still use a ritual derived from this one, and, perhaps without realising it, continue to pay silent testimony to Preston and to Aristotle in their work.

Voices from the Dead Emulation Ritual

This book contains the Official Emulation version of the Three Degrees of Craft Freemasonry and the installation ceremony with notes and guidelines on ritual procedure and practice. 12th edition 2007
