A Palm Sunday/Easter Story for All Ages The uniqueness of this book is that the Lord, through a message given to a church on a Palm Sunday, inspired it. The message is for all ages, but especially for the young. It is meant to provide a sense of being special to the Lord no matter the child's age or situation. It brings the child and parent into a bond, while telling the story of a Saviour who loves both of them. It helps take away the fear of death with the knowledge that Jesus has provided a Heaven. It shows that Jesus rewards us no matter how small the task may seem and that He never forgets to reward. The story is biblically correct in that Jesus rode a donkey into Jerusalem on that day. If we are to lift up any animal on Palm Sunday it should be not a rabbit but a donkey, which is a sign of meekness and peace. Born in a small community in southern Ohio, George William Ryan graduated with a degree in chemistry and biology. He worked in the plastics field for such companies as B.F. Goodrich Co., Chrysler Corporation and Occidental Petroleum before starting a consulting business in 1974. He is presently the owner of the Ryan Development Corporation, serves on several boards and is listed as an expert executive by the International Executive Service Core as well as in the Who's Who Registry of the Society of Plastics Engineers. His most important work is as a servant of God and the current president of the Missionary

March 2017 Day 2DODGE THE PROCESS! MISS THE PRODUCT!BASIC SCRIPTURE:HABAKKUK 2: 1-4Patience is profitable. It's a lost virtue in our culture today. There is so much craze for wealth because people are no more patient. Armed robbery, prostitution or corruption, etc, for example, are the consequences of impatience. The year 2017 is still young! Prayers are being prayed. Planning is going on. There is excitement in the spirit world because the word "EVIDENCE" is being announced worldwide over divine megaphones. But you must realize that there is always a time lag between the day you plant pineapple or apple seed and when you actually harvest the fruit from the full-grown tree. Every divine purpose delivers in stages and there is a time for every purpose on this earth including your own. Don't cage or hinder your destiny by seeking for

shortcuts. If you dodge the process - patience, you will miss the product. Habakkuk 2:3 declares: "for the vision is yet for an appointed time; but at the end, it shall speak and not lie. Though it tarry (as the year progresses), wait for it; because it will surely come, it will not tarry." God is bigger than our biggest plans. He is working on your behalf. You need patience to obtain this year. Don't compare yourself with others or look around negatively. God's calendar for you is not the same with your next-door neighbour. Patience mixed with praise and worship will shield you from avoidable mistakes. Meditate also, on Micah 7:7! Your year will end in peace and glory and there shall be EVIDENCE that you serve a living God. The fullness of any vision speaks only at the end. Wait! You will never end up in shame! Amen! PRAYER POINTS: Take Song 2: Standing on the ...1. In your own words, pray about today's word as led.2. Make a commitment on your knees that you will not panic or hurry or dwell in self - comparison with others.3. Use the Gems For Success page before bedtime today

Andrew Wommack uncovers the traditions and misconceptions in prayer that often bring more suffering than good! In finding out how Jesus taught us to pray, we can bring joy back into our relationship with God. Many people, who truly love God with all of their heart, find it difficult to pray as they have been taught. And their once-vibrant relationship with the Lord had become stifled, mechanical, and lifeless. What they don't understand is that prayer is an opportunity to have communion with God-fellowship with the Father. Of course it includes requests because we need help from our Father every day, but it also includes a connection and friendship with God. Readers may find it amazing that God would talk with them just as a friend, but His greatest desire is for His children to know Him in much the same, intimate way as He knows them. After 30 years of ministry, Andrew Wommack has discovered some important things about prayer including what prayer is and what it is not. Readers will uncover the traditions and misconceptions in prayer and discover true and meaningful communion with God through Jesus' example of prayer. More importantly, they'll come to know a new, profound joy and fulfillment in their relationship with God, receiving the answers they need. The subject of prayer has been touched on many times through classic and current authors, but Andrew Wommack brings a fresh approach to prayer by defuncting the common traditions that make prayer laborious and lifeless. In much the same style as Tommy Tenny's *The God Chasers* and Jim Cymbala's *Fresh Wind, Fresh Fire*, readers will be thrilled to find a God who desires to talk with them anytime, whenever they are open and willing. Readers will learn to develop vibrant, open communication with the Father all throughout their day.

Virtual and Augmented Reality have existed for a long time but were stuck to the research world or to some large manufacturing companies. With the appearance of low-cost devices, it is expected a number of new applications, including for the general audience. This book aims at making a statement about those novelties as well as distinguishing them from the complex challenges they raise by proposing real use cases, replacing those recent evolutions through the VR/AR dynamic and by providing some perspective for the years to come.

Essence of Prayer Anchor Books

Across Africa, Christianity is thriving in all shapes and sizes. But one particular strain of Christianity prospers more than most -- Pentecostalism. Pentecostals believe that everyone can personally receive the gifts of the Holy Spirit such as prophecy or the ability to speak in tongues. In Africa, this kind of faith, in which the supernatural is a daily presence, is sweeping the continent. Today, about 107 million Africans are Pentecostals -- and the numbers continue to rise. In this book, Ogbu Kalu provides the first ever overview of Pentecostalism in Africa. He shows the amazing diversity of the faith, which flourishes in many different forms in diverse local contexts. While most people believe that Pentecostalism was brought to Africa and imposed on its people by missionaries, Kalu argues emphatically that this is not the case. Throughout the book, he demonstrates that African Pentecostalism is distinctly African in character, not imported from the West. With an even-handed approach, Kalu presents the religion's many functions in African life. Rather than shying away from controversial issues like the role of money and prosperity in the movement, Kalu describes malpractice when he sees it. The only book to offer a comprehensive look at African Pentecostalism, this study touches upon the movement's identity, the role of missionaries, media and popular culture, women, ethics, Islam, and immigration. The resulting work will prove invaluable to anyone interested in Christianity outside the West.
