Evolution of Business Travel: Adjusting your corporate ... The Evolution Of Business Strategy
 The evolution of business strategy over the past 50 years has been significantly influenced by two general approaches: Structure-Conduct-Performance and the Resource-Based approach. Both perspectives were developed from leading academic centers and have managed to stand the test of time, albeit with occasional cosmetic changes.
 The Evolution of Business Strategy
 Strategy needs to evolve. In truth, the cult worship of the visionary was never about strategy, but control and control has always been an illusion. We need to update strategy to a more Bayesian...
 The Evolution Of Strategy - Forbes
 Often, business strategies in the past have been based on rigid, structured models and approaches to strategic analysis and policy setting. Many corporate strategies and strategic budgets today are still set and executed through an approach that is essentially mechanical and uninspired. The past is extrapolated into the future, with little change ...
