When the time has come, can you handle the 9th hour? Can you handle drinking from a bitter cup that carries a bitter taste, and comes with a bitter smell, better known to us as trials and tribulations? Can you face your cross at the ninth hour with the intensity of experiences that come with the degrees from feeling forsaken while hanging on the cross with open shame, losing your strength in order to save the lost as your body is shifting into unconsciousness as a result of exhaustion; When God says, For I am God, and I shall answer thee in the ninth hour; When God proves that He is God, and He shall answer thee in the ninth hour without the sun or the moon shining.

18-year-old Opal is a young Black woman working as a housekeeper in a small Southern town in the 1930s—and then the Klan descends. A moving story that confronts America's tragic past, *When Stars Rain Down* is both heartwarming and heart-wrenching. The summer of 1936 in Parsons, Georgia, is unseasonably hot, and Opal Pruitt senses a nameless storm brewing. She hopes this foreboding feeling won't overshadow her upcoming 18th birthday or the annual Founder's Day celebration in just a few weeks. She and her Grandma Birdie work as housekeepers for the white widow Miss Peggy, and Opal desperately wants some time to be young and carefree with her cousins and friends. But when the Ku Klux Klan descends on Opal's neighborhood, the tight-knit community is shaken in every way possible. Parsons's residents—both Black and white—are forced to acknowledge the unspoken codes of conduct in their post-Reconstruction era town. To complicate matters, Opal finds herself torn between two unexpected romantic interests—the son of her pastor, Cedric Perkins, and the white grandson of the woman she works for, Jimmy Earl Ketchums. Both young men awaken emotions Opal has never felt before. Faced with love, loss, and a harsh awakening to an ugly world, Opal holds tight to her family and faith—and the hope for change. 2021 Langum Prize in American Historical Fiction - Finalist Historical fiction set in the rural south Stand-alone

novel Book length: 101,000 words Includes discussion questions for book clubs “When Stars Rain Down is so powerful, timely, and compelling that sometimes I found myself holding my breath while reading it. Rarely have I been so attached to characters and felt so transported to a time and place. This is an important and beautifully written must-read of a novel. Opal is a character I will never forget.” —Silas House, author of Southernmost “Angela Jackson-Brown interrogates race, love and family with empathy and style, making her an author you will want to read again and again. This tale of America’s tragic past is both compelling and cinematic as the Pruitt and Ketchum families struggle in the mire of racism in the 1930s. It’s a moving novel that boldly illuminates the past but also speaks directly to today’s politics and the power of faith. You will fall in love with the book’s resilient protagonist Opal. I certainly did.” —Crystal Wilkinson, author of The Birds of Opulence “In this world there are writers and there are artists. Angela Jackson-Brown is both.” —Sean Dietrich (Sean of the South), author of Stars of Alabama

The Commentaries On Jeremiah, like those on The Minor Prophets, were delivered as Lectures In The Theological School At Geneva, taken down by some of the Pupils, and afterwards read to Calvin, and corrected. We find in them the production of the same vigorous and expansive mind: The Divine Oracles are faithfully explained, the meaning is clearly stated, and such brief deductions are made as the subjects legitimately warrant. Though the Lectures were extemporaneously delivered, there is yet so much order preserved, and such brevity, clearness, and suitableness of diction are found in them, that in these respects they nearly equal the most finished compositions of Calvin as proof that he possessed a mind of no common order. The Ministry Of Jeremiah extended over a large space of time from the thirteenth year of Josiah's reign till after the final overthrow of the nation; but for how long after that period, it is not known. Between the thirteenth year of Josiah and the destruction of the city and Temple, there were about forty years. This was a remarkable period, and Jeremiah nearly alone labored among the people. Their sins had been for the most part the same for a long time - for nearly two centuries, as it appears from the testimonies of his predecessors, Amos, Hosea, Isaiah, Joel, Micah, Nahum, and Zephaniah; for these seven had in this order preceded him. Zephaniah And Habakkuk were probably for a time his contemporaries, the first at the commencement, and the other near the end of his ministry.

Seeking God is a journal of a pilgrimage to the Holy Land. It traces the highlights of the life of Jesus Christ from His birth in Bethlehem, His ministry in Galilee, and through to His Resurrection and Ascension in Jerusalem. It is also a book about the spiritual messages of Our Lord, set in the landscape in which He gave them, providing the reader with a deeper dimension to the Gospel stories, which come alive. It is also the history of the shrines and their link to the biblical, cultural, historical, and political aspects of the Holy Land from the time of Jesus to the Byzantines, and from the Crusades to our time. In the parable of the sower and the seeds, the seed that fell on rich soil grew a hundredfold. Has the seed of the Word of the Lord fallen on the rich soil of your soul? If so, then perhaps this book will spark a desire in your heart to visit the Holy Land, following in the footsteps of Our Lord.

All 46 of the original volumes are included in this one volume. There are two linked indexes in this volume, a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject. John Calvin is considered as the first truly great scholar of the Reformation. Indeed, he has even been seen by some to be one of history’s greatest Christian biblical scholars. He had an incredible command of the Bible, and his interpretations were not based on just one or two passages. He combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures. However, some of his views on the prophetic interpretation, such as in the book of Daniel, are controversial. He put forth a purist view and believed that the prophecies in the book of Daniel applied solely to the history between the time of the prophet Daniel (530 BC) and Jesus’ first coming (30 AD). Nevertheless, John Calvin was a force to be reckoned with, and is considered to have a unique insight which enabled him to find the true meaning of the Bible. Dutch theologian Jacobus Arminius, after whom the anti-Calvinistic movement Arminianism was named, states that, “Next to the study of the Scriptures which I earnestly inculcate, I exhort my pupils to peruse Calvin’s Commentaries, which I extol in loftier terms than Helmich himself (a Dutch divine, 1551–1608); for I affirm that he excels beyond comparison in the interpretation of Scripture, and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers; so that I acknowledge him to have possessed above most others, or rather above all other men, what may be called an eminent spirit of prophecy. His Institutes ought to be studied after the (Heidelberg) Catechism, as containing a fuller explanation, but with discrimination, like the writings of all men.” During his life, Calvin produced commentaries on 48 books of the Bible, a total of 45 published volumes. He intended to put out a complete commentary of the Bible, but his death prevented this. The books of Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings, 1 & 2 Chronicles, Ezra, Nehemiah, Esther, Job, Proverbs, Ecclesiastes, Song of Solomon, 2 & 3 John, and Revelation were unfortunately not completed. He did, however, write a two volume commentary of the Harmony of the Gospels (Matthew, Mark, and Luke) as well as a separate commentary for the gospel of John. Likewise, he also wrote a two volume series on the Harmony of the Law (Exodus, Leviticus, Numbers, and Deuteronomy). Calvin’s own exegesis of the original text allowed him to bring out a unique and pleasing interpretation. He begins each section of scripture with his own translation of the text and then further expounds upon it, point by point, making it an excellent resource for ministers and teachers alike. After more than 400 years, Calvin’s commentaries are still a relevant and essential tool for Christians.

The prophet Jeremiah is a supreme example of how believers can live well in a society that has turned against God. While the book of Jeremiah chronicles the last, desperate days of Jerusalem before it is conquered by an invading army, Lamentations expresses the cries of Jeremiah’s heart for the fallen city. Together, the two books reflect on the meaning of human suffering and illustrate the eternal principle that a man will reap what he sows. In this commentary, Philip Graham Ryken helps pastors, church leaders, and Bible teachers understand and teach these spiritually relevant books, inspiring readers to respond to God’s personal call to live for him in these troubled times. The Book of Mormon testifies of Jesus Christ and teaches us how to become His disciples. The Prophet Joseph Smith (1805–44) affirmed that “a man would get nearer to God by abiding by its precepts, than by any other book” (History of the Church, 4:461; Book of Mormon introduction). As you study the Book of Mormon and are prayerful, the Holy Ghost continually bears witness to your heart and mind of the Savior’s divine role as the Redeemer of mankind. The Book of Mormon exerts a powerful influence on the hearts of those who receive it and ponder its message. Elder Parley P. Pratt (1807–57), an early convert of the Restoration and an eventual member of the Quorum of the Twelve Apostles, related the following regarding the first time heread the Book of Mormon: “I opened it with eagerness, and read its title page. I then read the testimony of several witnesses in relation to the manner of its being found and translated. After this I commenced its contents by course. I read all day; eating was a burden, I had no desire for food; sleep was a burden when the night came, for I preferred reading to sleep. “As I read, the spirit of the Lord was upon me, and I knew and comprehended that the book was true” (Autobiography of Parley P. Pratt, ed. Parley P. Pratt Jr. [1938], 37). Modern prophets have continually emphasized the need for every Latter-day Saint to read and reread the Book of Mormon. President Gordon B. Hinckley (1910–2008) declared, “I promise you that if each of you will [read the Book of Mormon], regardless of how many times you previously may have read the Book of Mormon, there will come into your lives and into your homes an added measure of the Spirit of the Lord, a strengthened resolution to walk in obedience to His commandments, and a stronger testimony of the living reality of the Son of God” (“A Testimony Vibrant and True,” Ensign, Aug. 2005, 6). President Boyd K. Packer, President of the Quorum of the Twelve Apostles, shared how he learned that studying the Book of Mormon leads to personal revelation: “I found [the Book of Mormon] to be plain and precious. ... “I learned that anyone, anywhere, could read in the Book of Mormon and receive inspiration. “Some insights came after reading a second, even a third time and seemed to be ‘likened’ to what I faced in everyday life” (in Conference Report, Apr. 2005, 6; or Ensign, May 2005, 7). Inspiration, as President Packer testified, will come as you consistently read from the Book of Mormon.

Written with the profound insight and clarity characteristic of his numerous best-selling books, Nouwen’s deeply perceptive exploration of Jesus’ challenging question has the power to pierce your heart, expand your spiritual horizons, and radically change your life.

This book explores the complexity of preaching as a phenomenon in the medieval Jewish-Christian encounter. This was not only an "encounter" as physical meeting or confrontation (such as the forced attendance of Jews at Christian sermons that took place across Europe), but also an "imaginary" or theological encounter in which Jews remained a figure from a distant constructed time and place who served only to underline and verify Christian teachings. Contributors also explore the Jewish response to Christian anti-Jewish preaching in their own preaching and religious instruction.

Andrew Rand of Wyland, Ohio, is a freshman Democratic representative at the start of the Obama administration. Deep in the corridors of political power, he will find a broken system: a liberal party in power and out of control, passing legislation that its constituents neither desire nor need, with its members under constant political and personal pressure to "fundamentally transform the nation." Soon, Andrew will struggle with the question of what he's willing to sacrifice in order to win reelection. Meanwhile, his wife, Carolyn-a brilliant, apolitical woman from a family of radical academics-will struggle not only with the emotional fallout of her husband's choices, but with her own awakening conservative conscience as well. Weaving contemporary political satire with an emotionally devastating plot, novelist Tim McDaniel imagines the rise of the conservative Tea Party to national prominence, a rise seen through the eyes of characters from all walks of American life: a housewife who decides to challenge the powers that be in her home district, a Texan radio host with a gift for caustic political insight, a campaign manager concealing a secret romantic ambition, student

radicals, disenchanting factory workers, and more. A Bitter Cup of Tea serves up a bitterly funny vision of contemporary America: a land whose leaders have betrayed its people, and whose people are beginning to fight back.
