They say I'm the Dragon Fae. They say I'm the savior of our people. I know they're wrong. My entire life I've been an assassin, but after a botched job, I'm the most wanted sorceress in the world. I lie low, taking whatever jobs I'm given. When I'm assigned a new partner, a dragon shifter named Deacon, he strides into my life like he belongs, whether I want him or not. My heart's been burned before, so despite his sexy charm--or maybe because of it--I definitely don't want him. When the fae court declares I've fulfilled an ancient prophecy, they anoint me the Dragon Fae, the mythical savior of our people. That explains Deacon's presence. He's the Dragon Fae's fated mate. Problem is, the fae court is manipulating this sacred legend. Lies may be my trade, but I can't stand for this deception. So I cut a deal. If Deacon and I can stop a terrorist plot, I can go back to lying low. If we fail, they'll make me the Dragon Fae. I was raised on this myth, and the most memorable part? The Dragon Fae dies young and alone--and the fae court has shown they'll do whatever it takes to make the prophecy come true. If I don't take fate into my own hands, the fae court will do it for me. *Dragon Fae Prophecy* is the first book in a fae urban fantasy series with a slow-burn romance.

My power could unite the summer fae... or tear them utterly apart. The truth is out. The whole Seelie realm now knows that the cure for their full moon curse lies in my blood. Claiming me is just one piece in a play for control over all Seelie kind. How can honorable men like my new lovers fight back when our enemies are willing to stoop so low? To save me and his pack, the lord who rescued me may have to turn into the thing he hates most. With awful secrets unearthed and betrayals among our own, can I find a way to be my lovers' strength in this storm--or will I become their fatal weakness? **Kings of Moonlight* is the third book in a new paranormal romance saga featuring possessive wolf shifters, fraught fae politics, and a wounded heroine coming into her own.

The Breaking Series Juliana Haygert

So apparently my mom was a witch. And not just a witch, but a witch who turned bad. My poor, sweet, normal dad wanted me to have a good college experience. Instead I get a magical offer I literally can't refuse, from the world's most elite school for warlocks. WARLOCKS. As in GUY WITCHES. Even though I definitely have lady parts, somehow I ended up at a warlock school to learn the gentlemanly arts (which are a lot more badass than, ahem, lady magic). Did I mention the witch world is stuck in the 19th century? Unmarried witches and warlocks barely see each other outside of society balls, which are still a thing. No one knows how I ended up here. I'm thrown into a whole new world where I am outcast and friendless, except for: —Firian, the enigmatic fox shifter who has been watching over me since I was born. —Alec, my new roommate, a sexy-as-sin incubus enchanted not to lay a hand on me. For safety. Or cruel and unusual punishment. —Montague, the black sheep of the school since he got turned into a vampire on spring break. —Harris, an arrogant ass from the most elite of all magical families. Okay, he's not my friend but he's Montague's. I'll work on him. My existence here breaks all the rules. Am I here for the right reasons? Or am I the pawn meant to destroy the very world I'm starting to love? When my magic proves stronger than anyone expects, and the school is attacked by a demon, I'll need help from the four gorgeous magical men who are willing to break a few rules with me. They're each forbidden to me in their own way, and the greatest danger of all might not be demons, but falling for them. All of them. This is the first book in *A Witch Among Warlocks*, a medium burn reverse harem paranormal magic academy university series.

Aiden Elam has always been different from the other kids he knows. The adults say he has autism, but Aiden isn't so sure. He can understand everyone just fine, he just can't get the words out to tell them. Now, if he could only get past the strange feeling that keeps him trapped inside his own mind, then maybe he could tell his parents about the weird things he sees. Or perhaps he could even tell his sister, Meggy, for he knows she can hear and see the strange things, too.

Love bound us together... but fate has other plans. Just when a

happily ever after with my Seelie men was within reach, the Heart of the Mists tied me to one of the foreboding winter arch-lords. I can't escape the connection between us. The enemy can speak from right within my soul. I'm not willing to give up on my happiness that easily, but I can't let the realms descend into all-out war. I'll brave the uncertainties of the winter lands if that's what it takes to protect the men I love. My chilly Unseelie arch-lord isn't quite what I expected, though. As the lines between ally and enemy start to blur, can I stop the clash of winter and summer before even more blood is shed? **Royal Mate* is the fourth in *Bound to the Fae*, a new paranormal romance series featuring possessive wolf shifters, dangerous fae politics, and a wounded heroine finding her strength. Black Sun Rising Juliana Haygert

"Do you trust me Meghan?" His voice was soft, almost pleading. I swallowed and tried hard to discern his expression in the dark. The paltry amount of light reaching this far into the small cavern glinted off his eyes, giving him the appearance of a demon trying to tempt me into doing something evil. "Yes," I answered, my own voice a mere whisper, "I trust you." "Good." He gave my hand a quick squeeze, and then I was pulled forward into the icy abyss that loomed before us. . . . A year ago, Meghan Elam learned that she was Faelorehn, a being of the Otherworld. Immortal. Now she must juggle her life in the mortal world with the one she has started to build in the Otherworld. However, keeping her identity secret from her friends and family while trying to avoid a wrathful Celtic goddess is no easy task. With the help of the intriguing Cade MacRoich, Meghan will learn that not only does she come from a place full of magic and wonder but that she, too, is far more powerful than she ever thought possible.

Soul Oath Juliana Haygert

A dark fae king, three deadly trials, and a forbidden passion that could destroy everything . . . Fae exist only in stories told to children, or so I thought. That was before I woke up with a seven-pointed star branded into the flesh of my inner wrist. You see, everything changed when a nightmarish creature of the Fae Realm dropped into my life like a bad ex-boyfriend. He claimed the mark on my skin signified my magical lineage, the bit of DNA my mother passed down and never thought to mention before disappearing a decade ago. Now, he was here to collect her descendant—and the options were me-or my baby sister. There was no way in hell I would let Ava get wrapped in something like this, so I step up. Days after I arrive in the Fae Realm, I'm thrown into a series of trials titled 'The Devotion'. An extremely elevated, and beyond twisted dating game of sorts, the Fae use to wed off their royalty. I'm not interested in being anyone's forced-bride, so I'll do what I can to bide my time until I can haul ass out of here. Now, no-magic-me, is supposed to compete with demons, vampires, elves, and more, who want to claim their place at the future king's side. I have no interest in this guy, but it doesn't help that the king-to-be is a gorgeous, brooding fae, named Rowan Blaive. He's dominant, commanding, and everything I shouldn't want. But the longer I'm here, the more I'm questioning everything—including my own heart. A sexy new fantasy series perfect for fans of: Sarah J Maas, Holly Black, Jennifer L. Armentrout, Elise Kova and Amelia Hutchins!
