This is a really

important book in the history of American

art history, and one that can be read with

profit and relish by artists, art historians,

or people just like me art fans. Robert

Henri was a wonderful artist whose impact

on American art is most felt by the work of

his many illustrious students, including

Edward Hopper, George Bellows, Rockwell

Kent, Stuart Davis, as well as many female

students who should be better known but

faced discrimination in the early 1900s by

sexist art critics.
