Story of

For more than one hundred years, people have been captivated by the disastrous sinking of the Titanic that claimed over 1,500 lives. Now young readers can find out why the great ship went down and how it was discovered seventy-five years later. At 2:20 a.m. on April 15, 1912, the Royal Mail Steamer Titanic, the largest passenger steamship of this time, met its catastrophic end after crashing into an iceberg. Of the 2,240 passengers and crew onboard, only 705 survived. More than one hundred years later, today's readers will be intrigued by the mystery that surrounds this ship that was originally labeled "unsinkable." The bedtime rituals of little diggers and dump trucks at a construction site should be quite familiar to kids saying goodnight. Young readers will identify with fire engines, tractors and monster trucks as the vehicles ask for one more story while their mommy trucks tuck them in, and their daddy trucks sing a goodnight song. Children who can't get enough of trucks will love Brianna Caplan Sayres things-that-go bedtime story.

*Hello, World! Cars and Trucks* Penguin

Let this alphabet colouring book entertain your child for hours with its distinctively British vehicles to colour. A unique, fun and high-quality colouring book for children ages 2 to 5, bursting with images of

different British transport and other things that go, this book will bring a smile to any boy or girl's face and keep them busy for hours. Perfect for any child who loves anything that moves, whether on the road, in the air or on water, from classic London buses and narrow boats to the more unusual such as zeppelins, this book has everything from A-Z. Simple and relevant backgrounds are also included to give each vehicle context and to set the scene. Each image is ideal for a 2 to 5-year-old to enjoy filling with colour, using their imagination and creativity while learning the written alphabet and the names of a wonderful variety of vehicles. The imaginative designs support early childhood development by helping children build connections between words, pictures and colours and enhancing their recognition as they practise important fine motor skills and pen control. 26 pages of simple and easy-to-colour images of things that go with age-appropriate detail for a 2 to 5-year-old. Large appealing designs to colour in landscape, making it easy for toddlers, pre-schoolers and young children to

colour and for their favourite works of art to be cut out and displayed on the fridge. Single-sided paper so that bleed-through is kept to a minimum. Premium paper, perfect for colouring with everything from felt tip pens to pencils, crayons or even paints. A brilliant variety of images to colour depicting things that go, from the everyday favourites to the more extraordinary, from a police car to an ice breaker. A special and ideal gift for your son, daughter, grandson, granddaughter, nephew or niece. If you are looking for a fun, educational colouring book with large, engaging pictures to colour and a British twist for a transport-loving child, this colouring book ticks every box!

From the illustrator of the #1 smash hit *The Day The Crayons Quit* comes a humorously warm tale of friendship. Now also an animated TV special! What is a boy to do when a lost penguin shows up at his door? Find out

where it comes from, of course, and return it. But the journey to the South Pole is long and difficult in the boy's rowboat. There are storms to brave and deep, dark nights. To pass the time, the boy tells the penguin stories. Finally, they arrive. Yet instead of being happy, both are sad. That's when the boy realizes: The penguin hadn't been lost, it had

merely been lonely. A poignant, funny, and child-friendly story about friendship lost . . . and then found again.

A proposed railway on the 5th European Railway Corridor (Venice-Kiev) between the northern Adriatic ports of Koper (Slovenia) and Trieste

(Italy) and the interior of Slovenia required extensive karstological studies and planning. This book contains the knowledge gained from these studies as well as further information on the regional karst surface and underground, the karst hydrogeology and the specific caves of the Beka-Ocizla cave system. *Lost and Found*
