Honey, I Wrecked the
Kids John Wiley & Sons
This thrilling bestseller
and National Book

Award Finalist is a
gritty, high-stakes
adventure of a teenage
boy faced with
conflicting loyalties, set
in a dark future
America devastated by
the forces of climate
change. In America's
flooded Gulf Coast

region, oil is scarce, but loyalty is scarcer. Grounded oil tankers are being broken down for parts by crews of young people. Nailer, a teenage boy, works the light crew, scavenging for copper wiring just to make quota--and hopefully live to see another day. But when, by luck or by chance, he discovers an exquisite clipper ship beached during a recent hurricane, Nailer faces the most important decision of his life: Strip the ship for all it's worth or rescue its lone survivor, a beautiful and wealthy girl who could lead him to a better life.... In this powerful novel, Hugo and Nebula Award winning author Paolo Bacigalupi delivers a fast-paced adventure set in the vivid and

raw, uncertain future of his companion novels *The Drowned Cities* and *Tool of War*. "Suzanne Collins may have put dystopian literature on the YA map with *The Hunger Games*...but Bacigalupi is one of the genre's masters, employing inventively terrifying details in equally imaginative story lines." --Los Angeles Times A New York Times Bestseller A Michael L. Printz Award Winner A National Book Award Finalist A VOYA 2010 Top Shelf Fiction for Middle School Readers Book A Rolling Stone 40 Best YA Novels Book *Knock Out, Power Play, and Take Down* Crossroad Classic Designed to help parents to take charge of their home, offers tips on how to

recognize six types of testing and manipulating behavior and how to constructively handle misbehavior at home and in public.

The Ballad of Jack and Rose Henry Holt and Company

As a psychotherapist, parent educator and parent coach, Alyson Schäfer has worked with a great many mothers who, in the quest to be a "good mother" have ended up on the door step of despair. Alyson is a forty-something, suburbanite, working-mother of two and can speak to these issues both personally and professionally. This book explains the psycho-social phenomena of how each person creates their own unique "good mother myth" and then

examines why these myths are not only faulty, but could in fact lead to poor parenting, marital disaster and individual crisis. Her years of educating parents around these concepts afford Alyson the skill to take complex ideas and explain them to a lay audience in a compelling and easy to understand way. Capitalizing on the need to present parents with information in an easy to digest format, the book is presented as a series of personal stories, each highlighting a common parenting myth. This format will appeal to tired parents who have little time and energy for "academia". Instead, readers learn by taking a voyeuristic peek into the private

family lives of the book's characters. Readers can identify with the fictitious parents and coaching clients in the stories and see first hand how the characters' life experiences shaped their unique "good mother myths" and how these myths create conflict in their lives. The author offers up ideas for how the character can reject her current thinking and adopt a more useful outlook to improve her situation. The story arc allows readers to identify and then project how their parenting may be unknowingly going off the rails. The goal of this book is to provide parents with some basic education and a means of self-discovery. Readers uncover their own good

mother myths and are given an eye-opening glimpse into potential issues to challenge their thinking. A great sense of empowerment is restored as mothers become better able to resist the pulls of their personal and cultural myths, and instead begin parenting with greater intention and in ways that are more suitable to proper child guidance.

Set Loving Limits and Build Strong Bonds with Your Child for Life

Farrar, Straus and Giroux

A must for parents who want to preserve the peace and also the joy of raising a child. Following her phenomenally successful, *Honey, I Wrecked the Kids*, parenting guru Alyson Schafer addresses every parent's secret

fear: their child is the one no parenting book can possibly help. In her newest book, she conquers, one by one, all those behavioural bugaboos that can make a child seem, at times, impossible-and a parent's life hell. With explicit, life-saving tips on the perfect thing to say or do when things get out of control, Ain't Misbehavin' offers parents a sensible, democratic solution to meeting even the toughest discipline challenges. While acknowledging the daily reality that parents face, Schafer's humour and experience make this book a must for parents who want to preserve the peace and also the joy of raising a child.
Ship Breaker GENERAL

PRESS

Soon after his mother's death, Matt takes a job at a funeral home in his tough Brooklyn neighborhood and, while attending and assisting with funerals, begins to accept her death and his responsibilities as a man.

The Billionaire's Club: New Orleans Boxed Set
Word Alive Press
More life-saving parenting advice from the bestselling author of Breaking the Good Mom Myth Bringing the same perceptive and actionable advice that made Breaking the Good Mom Myth an international bestseller, TV host and psychotherapist Alyson Schafer again comes to the rescue of desperate parents everywhere. For those who've tried just about

everything to discipline their kids, Honey, I Wrecked the Kids explains why children today really are resistant to traditional parenting methods and how only a new model for winning cooperation really works. Full of real-life examples, the book gives parents a deeper understanding of misbehavior and their role in it, shies away from traditional behavioral models of parenting, and offers humane, good-humored advice that will make parenting a manageable and, finally, rewarding task. Alyson Schafer (Toronto, ON) is the host of The Parenting Show and a media expert on parenting. She has appeared on The Montel Williams Show and been featured in

Cosmopolitan, Parenting, Reader's Digest, and more.
The Boy in the Black Suit Avery Publishing Group
 One morning Dad wakes up in such a bad mood that he turns into a bear, but his son spends the day with him just the same and by the time Mum gets home, everything is back to normal.
A Memoir HarperCollins
 It's cold outside and time for bugs to hunker down for the winter, but Ant isn't ready to withdraw or be all by herself for months on end without her best friend, Honey Bee, so she braves the cold for one last surprise visit before the snow flies.
Her Country Macmillan
 "Plenty of crowd-pleasing death and destruction...Schumacher wraps up her story

with a literal bang." -- Booklist Seven signs warned them. Now it's time for Carbon County to fight back. In *End Times*, Daphne lost herself in love with Owen, only to discover the dark secret that puts Carbon County at ground zero for the end of days. . . . All thirteen of the Children of Earth have arrived and taken root in town. Together at last, they can perform the series of rituals necessary to awaken their father, a wrathful entity known as the God of the Earth. Daphne protects their identities from Pastor Ted and the God-fearing locals out of love and allegiance to Owen. But when people start disappearing from town and Daphne begins receiving visions from God, her

allegiance—and even her love—is brought into question in this astonishing companion novel to *End Times*.

The Education of an Unlikely Activist

Random House USA Incorporated
First published in 1943,
The Little Prince by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of *Little Prince's* story. The

narrator's plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow's request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups' behavior, the little traveler becomes a total and eternal

symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren't. Children use their heart to feel what's really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: The Little Prince is a book for everyone; after all, all grown-ups were children once.

Tactics for Tantrums, Meltdowns, Bedtime Blues and Other Perfectly Normal Kid Behaviors St. Martin's Griffin

NATIONAL BESTSELLER

- A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only

by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, *To Paradise*, coming in January 2022.

Tactics For Tantrums Penguin

Imagine that there is a medication you could administer to your teens that would help regulate their moods, increase their sense of trust, and improve their overall brain function. Imagine, moreover, that it’s free, has no negative side effects, and helps to boost the immune system. And it’s available in an unlimited supply. It sounds too good to be true, but in *You’re Ruining My Life!* Jennifer Kolari shows how her unique approach to parenting can have all these effects and more. Kolari’s CALM technique is based on the therapeutic strategy of mirroring . Used regularly, it can strengthen the parent-child bond and build emotional

independence. Kolari provides information, advice, sample conversations, and anecdotal examples to show how parents can turn what they have learned into everyday practices that help them to reconnect with their teens so they can spend more time enjoying each other—and less time at war.

Siblings Without Rivalry: How to Help Your Children Live Together So You Can Live Too Ballantine Books

At a time when many boys are in crisis, a much-needed roadmap for helping boys grow into strong and compassionate men. Over the past two decades there has been an explosion of new studies that have expanded our

knowledge of how boys think and feel. In *How to Raise a Boy*, psychologist Michael Reichert draws on his decades of research to challenge age-old conventions about how boys become men. Reichert explains how the paradigms about boys needing to be stoic and "man like" can actually cause them to shut down, leading to anger, isolation, and disrespectful or even destructive behaviors. The key to changing the culture lies in how parents, educators, and mentors help boys develop socially and emotionally. Reichert offers readers step-by-step guidance in doing just this by:

- Listening and observing, without judgment, so that boys know they're being heard.
- Helping them

develop strong connections with teachers, coaches, and other role models • Encouraging them to talk about their feelings about the opposite sex and stressing the importance of respecting women • Letting them know that they don't have to "be a man" or "suck it up," when they are experiencing physical or emotional pain. Featuring the latest insights from psychology and neuroscience, *How to Raise a Boy* will help those who care for young boys and teenagers build a boyhood that will enable them to grow into confident, accomplished and kind men.

The Berenstain Bears Pirate

Adventure Macmillan Brain Candy for expectant parents! Pregnancy is an adventure. Lots of books tell you the basics—"the baby is the size of [insert fruit here]." But pregnant science writer Jena Pincott began to wonder just how a baby might tinker with her body—and vice versa—and chased down answers to the questions she wouldn't ask her doctor, such as: • Does stress sharpen your baby's mind—or dull it? • Can you predict your baby's temperament? • Why are babies born in the darker months of the year more likely to grow up to be novelty-loving risk takers? • Are bossy, dominant women more likely to have boys? • How can the cells left behind by

your baby affect you years later? This is a different kind of pregnancy book—thoughtful, fun, and filled with information you won't find anywhere else. *The Surprising Science of Pregnancy* Penguin After more than two decades and over two thousand presentations, my interactions with parents reveal that although most want to learn and parent their best, they feel ill-equipped. Kids don't come with manuals. The goal of this book is to equip and empower you as a parent, grandparent, or youth leader to help kids navigate all aspects of life in the current culture. How do we sift through the unending philosophies on parenting and be

intentional in how we choose what's best for our family? The number of voices is overwhelming. This book distills the essential elements of parenting so you can apply them in your own home. It approaches parenting from a Christian perspective and is filled with practical advice that is applicable to everyone. As we explore the foundations of parenting, we will look at: Parenting. What are the stages of parenting? What is the current state of parenting? What is the purpose of parenting? Parenting styles. What are they and which ones should I be using? What might I need to alter about my current parenting style? Progression of parenting. What are

the skills our children need to learn? Time. What does quality time and being present with my kids look like? Communication. How can I gain better communication skills so that I can more effectively connect with my kids? Discipline. How do I effectively discipline my children? Family discipleship. Why is our worldview important, and how we can raise kids with a Christian worldview? Mental Health. How do we address issues like anxiety, panic attacks, and depression? Engaging the Culture. How do we empower our kids to engage the culture around us without compromising their faith? Media. How can we help our kids navigate technology? Sexuality. How do we

direct our kids towards healthy sexuality? Pornography. What is the prevalence of pornography and how do we address its impact on our kids? Dating. How do we best avoid pitfalls in dating? Finances and education. How can we help our children make sound financial and education choices? Drugs and alcohol. What tools are available to assist in drug-proofing our kids? Loneliness. How do we prevent disconnection in our kids and help them to create community?

Connected Parenting
Harper Collins
A legend of a Polynesian boy, who, called a coward for being afraid of the sea, sets out to overcome his fears
[You're Ruining My Life!](#)

Little, Brown Books for Young Readers
Drawing on what hard science says about the factors that breed happiness in childhood and beyond, here are 10 simple principles for fostering the skills and habits that will set the stage for optimism, emotional health, and confidence for kids.
Every Mom's Modern Guide to Getting Past Perfection, Regaining Sanity, and Raising Great Kids Harper Collins
Eleven-year-old Delphine has it together. Even though her mother, Cecile, abandoned her and her younger sisters, Vonetta and Fern, seven years ago. Even though her father and Big Ma will send them from Brooklyn to Oakland, California, to stay with Cecile for the

summer. And even though Delphine will have to take care of her sisters, as usual, and learn the truth about the missing pieces of the past. When the girls arrive in Oakland in the summer of 1968, Cecile wants nothing to do with them. She makes them eat Chinese takeout dinners, forbids them to enter her kitchen, and never explains the strange visitors with Afros and black berets who knock on her door. Rather than spend time with them, Cecile sends Delphine, Vonetta, and Fern to a summer camp sponsored by a revolutionary group, the Black Panthers, where the girls get a radical new education. Set during one of the most tumultuous years in recent American

history, one crazy
summer is the
heartbreaking, funny
tale of three girls in
search of the mother
who abandoned

them—an
unforgettable story
told by a distinguished
author of books for
children and teens,
Rita Williams-Garcia.
