## EMERSON ANTON

**More Novel Scenes** Princeton University Press

The Autobiography of Malcolm X was intended to be a true autobiography, with the name of Alex Haley appearing not at all or as a ghost writer or as a mere contributor or assistant. However, with the assassination of Malcolm X having occurred in Harlem in New York City on February 21, 1965 just before this book could be published, it became necessary to reveal the important role of Alex Haley in creating this book.

**That's Life** Anchor

Filled with useful definitions, First Children's Dictionary is an ideal first reference ebook for children eager to expand their vocabulary. With over 3,000 entries of updated, curriculum-linked content, First Children's Dictionary is an ideal starting place for young children wanting to describe the world around them. Educators Publishing Service, Incorporated

A consistent best-seller, the wide-ranging and authoritative Dictionary of Sociology was first published in 1994 and contains more than 2,500 entries on the terminology, methods, concepts, and thinkers in the field, as well as from the related fields of psychology, economics, anthropology, philosophy, and political science. For this fourth edition, Professor John Scott has conducted a thorough review of all entries to ensure that they are concise, focused, and up to date. Revisions reflect current intellectual debates and social conditions, particularly in relation to global and multi-cultural issues. New entries cover relevant contemporary concepts, such as climate change, social media, terrorism, and intersectionality, as well as key living sociologists. This Dictionary is both an

invaluable introduction to sociology for beginners, and an essential source of reference for more advanced students and teachers.

*Webster's New Explorer Encyclopedic Dictionary* Simon & Schuster

*Oxford Reading Tree Dictionary* Cambridge University Press

Everyday processes like preparing meals, using the telephone and going to the bank are illustrated with drawings. Key vocabulary is presented for each activity. Suitable in a classroom setting or for self study.

*English for Everyday Activities* Penguin

NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • "Delightful . . . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded."—The New York Times Book Review "A marvelous fiction about the power of language to elevate or repress."—Geraldine Brooks, New York Times bestselling author of *People of the Book* Esme is born into a world of words. Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme's place is beneath the sorting table, unseen and unheard. One day a slip of paper containing the word *bondmaid* flutters beneath the table. She rescues the slip and, learning that the word means "slave girl," begins to collect other words that have been discarded or neglected by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women's and common folks' experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the Dictionary of Lost Words. To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages. Set during the height of the women's suffrage movement and with the Great War looming, The Dictionary of Lost Words reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. The Dictionary of Lost Words is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world. WINNER OF THE AUSTRALIAN BOOK INDUSTRY AWARD

**The English You Need for Business** OUP Oxford

Based on classic studies and the author's experience as a writing specialist, *A Spelling Dictionary for Beginning Writers* is an indispensable resource for the elementary classroom. This compact reference book contains approximately 1,500 high-frequency words that account for more than 90% of the words beginning writers use. A thematic word bank and a Mini-Thesaurus provide words by category and suggest alternatives for words students tend to overuse in their writing. This valuable tool helps children spell words correctly without depending exclusively on their teacher. Unlike most beginning dictionaries, which can contain up to 10,000 words and 500 pages, *Book 1* is designed to be useable and reliable, to build research and writing skills, and to promote independent learning. Grades 2-6."
