This handy resource allows the reader to quickly summarize or review all the pertinent details about any Old Testament book. More than a Bible handbook but less than a commentary, Nelson's New Illustrated Old Testament Survey provides a section by section breakdown of issues and topics dealt with in the Hebrew Scriptures. It includes: Complete but concise outlines of every Old Testament book A succinct introduction for each book Sections that identify each Bible author's theological emphasis Inserts that highlight real-life insights Arguments for the unity of the original manuscripts

 The Old Testament Prophetic Books: An Introduction is a valuable reference tool

designed for those students who want a comprehensive guide to the Old Testament prophetic books. The book serves primarily as an introduction, providing a thorough discussion of introductory matters such as authorship, date, historical background, purpose, structure, and outline. The book also functions as a sort of survey/handbook, providing a summary of the contents of each book accompanied by helpful background information such as the meaning of character's names and the dates of significant events. Finally, the book acts as a study guide, providing a series of study questions at the end of each chapter for review and discussion. Israel P. Loken is Chair and Professor of the Bible and Theology Departments at College of Biblical Studies. He is also

Adjunct Professor of Bible Exposition at Dallas Theological Seminary. He previously taught at Dallas Christian College. Dr. Loken has earned degrees from Lancaster Bible College (B.S.) and Dallas Theological Seminary (Th.M. and Ph.D.). He is a frequent speaker at churches, conferences, and schools. He is the author of the Loken Expository Commentary series. Dr. Loken and his wife Kimberley live in Houston, TX.

There is nothing traditional about the typical family of the twenty-first century, and so it follows that ministering to today's families presents an assortment of new challenges. Rainey believes that the resources needed by the church to confront and combat family problems do

exist, and *Ministering to Twenty-First Century Families* is a user-friendly guide to combating the destruction of the family unit. Offering practical solutions and encouraging action, Rainey calls for a "roll-up-your-sleeves" approach to healing weary families.

Before the Throne (An 8-Week Bible Study) Andrew J. Lamont-Turner

Anyone can make predictions about the future. The real question is, "What does God have to say about it?" The end times is one of those areas of theology where people have many wild opinions. Don't get caught up in all the internet speculations and doomsday prognostications. The real place to find out about the future is the Word of God. In *What Does the Bible Say About the Future?*, radio host and prophecy expert

Dr. Charlie Dyer offers you an insightful look at the end times that's grounded not in human fantasies but in the very revelation of God. The Bible actually does have a lot to say about the future. It's an important topic for you to study. So instead of taking your cues from the self-appointed prophets of today, let Dr. Dyer take you right back to Scripture. You'll get answers to questions like: Are we in the last days right now? Are pandemics like Covid-19 a fulfillment of Bible prophecy? What is the Battle of Armageddon? What is the next event on God's prophetic calendar? Where is the United States in Bible prophecy? And most importantly . . . If prophecy is true, what difference should it make in my life? God didn't give us Bible prophecy to tickle our imagination or satisfy our

intellectual curiosity. Rather, God wants us to know about the end times so we can be confident in His eternal purposes. With a biblical understanding of the future, you'll be powerfully equipped to live with faith and hope today!

A New York Times Bestseller! In *Finding Jesus in the Old Testament*, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty-nine Old Testament books. The key to the secrets of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus. With

that key, and with Limbaugh as a deft guide, readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival. Limbaugh takes readers on a revealing journey from Genesis through Malachi, demonstrating that a consistent message courses through every one of the Old Testament's thirty-nine books: the power, wonder, and everlasting love of Jesus Christ.

Previously published under the title The Emmaus Code.

What does the first book of the New Testament teach? As the first gospel, the book of Matthew is a bridge between the Old Testament and the New. It presents Jesus as the Messiah predicted in the Old

Testament, but also as the Savior whose death was necessary for the salvation of mankind. Yet Matthew also describes the future Kingdom of Jesus when He will reign on earth at His Second Coming. In this fourth volume of the renewed Walvoord Commentary Series, renowned biblical scholar and prophecy expert John Walvoord, along with Dr. Charles Dyer, walks readers through the gospel of Matthew chapter by chapter and unfolds his message of Jesus' Messianic identity, teachings, miracles, and future return as victorious King. Revised and updated throughout and based on the text of the English Standard Version (ESV), this new edition of Walvoord's commentary will serve a whole new generation of pastors, leaders, and laypeople.

Knowing the Land helps us understand the Book in new and vivid ways. Charles Dyer, a Bible scholar and licensed tour guide for Israel, and Greg Hatteberg, graduate of the Institute of Holy Land Studies in Jerusalem, created this reference guide for pilgrims who want to deepen the spiritual impact of their trip to Israel, as well as other travelers who just want to know more: Where did Jesus walk? Where is King David buried? Where is Mt. Sinai? You'll find detailed information about five key Bible lands:

Israel, Egypt, Greece, Jordan, and Turkey. This guide includes a full color 32-page photo insert, practical tips for travelers, a 4-week prayer guide for preparing for your trip, and detailed maps and an outline of Bible history. With *The New Christian Traveler's Guide to the Holy Land*, you'll see the Bible through a new set of geographical lenses.

'The Bible is not a sterile Book immaculately conceived in some sort of mystical, holy vacuum. Though God is the ultimate Author, He used human writers as His instruments. And to interpret properly His Word we must enter their world. The bleating of sheep

on barren hills, the mournful wail of a ram's horn trumpet on the temple steps, the harsh clang of sword hitting sword in epic battle hang like tapestries in the background of every page.' - Excerpt from *A Voice in the Wilderness*. Life's struggles can make us feel as if we're wandering in the desert, thirsty for hope and healing. Using Isaiah 40 as a backdrop, best-selling author Charles Dyer takes us on a journey through ancient Judea for a vivid reminder that others before us have known suffering - and, just as God was present for them in their pain, He will walk with us through our wilderness.

A cell phone awakens a young mother in a Palestinian refugee camp. The simple message, "It is time," jolts her awake.

Dressing in clothes that once belonged to her dead husband, she asks her mother to watch her young son. Upon arriving at the mosque she meets the man who had called. He takes her to two other men who will transport her, and the bomb she will wear, to the proper destination—the West Bank city of Ariel. A story of international terrorism and intrigue unfolds across the globe. Special agents and covert operatives track clues to pinpoint the probability of an attack that will dwarf previous attempts to strike where it hurts the most.

Where do you go when life overwhelms you? Before the Throne. God's people know they can turn to Him when times

get tough. Instead of trying to fix things on our own, we can enter God's throne room in prayer. The access granted to us by Jesus our High Priest is our comfort when the world is turned upside down. In *Before the Throne*, Crickett Keeth, author of *On Bended Knee*, offers a follow-up study of eight prayer warriors from Scripture who turned to God when times became difficult. You'll learn to pray with: Moses in times of disappointment The Psalmists in times of need Jonah in times of disobedience Hezekiah in times of battle Habakkuk in times of questioning Jesus in a time of intercession Paul in times of hardship Revelation saints in times of worship Crickett's studies are known for taking you deep—then even deeper!—into God's Word. As you study these prayers,

you'll be strengthened as you see how these godly Bible characters poured out their hearts to God and how He responded to them. You'll learn how to pray with the same power when you feel weak, helpless, stressed, or afraid. As you turn your focus toward God's character through prayer, He will supply the strength you need to face whatever is before you. Because that's the privilege you have when you come Before the Throne. "Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need." Hebrews 4:16

 From the bestselling authors of *The Rise
 of Babylon* and *The ISIS Crisis*, the
 essential guide for Christians about what

Bible prophecy foretells concerning
 current events in the Middle
 East—especially the rise of ISIS and the
 resurgence of Russia—while providing a
 way to find peace and hope in the face
 of end times concerns. ISIS, Russia, and
 Iran are daily atop headlines and are
 among chief sources of intensifying
 unease among Americans about how
 current world conflicts will unfold. Using
 the Old Testament texts of prophets
 Ezekiel and Daniel as foundational
 passages, Bible experts Charles Dyer
 and Mark Tobey explain the connection
 between Bible prophecy and real-time
 events such as the growing alliance
 between Russia and Iran; the unsettling
 of the region as ISIS ravages countries
 and redraws boundaries; and the pull of
 Turkey and Saudi Arabia into the fray by

Russian encroachment, Iranian meddling, and the United States' inability to create and lead a coalition. Simultaneously, Dyer and Tobey provide practical encouragement and spiritual

principles for finding comfort, strength, and perspective in an unsettling time while laying out a strategy for responding out of faith rather than fear in the face of end times concerns.
