The fourth volume of “one of the most
remarkable diaries in the history of
letters” (Los Angeles Times). The
renowned diarist continues her record of

her personal, professional, and artistic life,
recounting her experiences in Greenwich
Village for several years in the late 1940s,
where she defends young writers against
the Establishment—and her trip across the
country in an old Ford to California and
Mexico. “[Nin is] one of the most
extraordinary and unconventional writers
of [the twentieth] century.” —The New
York Times Book Review Edited and with a
preface by Gunther Stuhlmann

"Mysterious, glamorous, intellectual . . .

with vivid language and lush scenes, this memoir makes for an exciting read." —Bust Magazine. Named a "Best Summer Read" by Elle Magazine! A Revealing Look at the Mentorship—and Manipulation—of Anais Nin In 1962, eighteen-year-old Tristine Rainer was sent on an errand to Anais Nin's West Village apartment. The chance meeting would change the course of her life and begin her years as Anais's accomplice, keeping her mentor's confidences—including that of her bigamy—even after Anais Nin's death and the passing of her husbands, until now. Set in the underground literary worlds of Manhattan and Los Angeles during the sixties and seventies, Tristine charts her coming of age under the guidance of the infamous Anais Nin: author of the erotic bestseller *Delta of Venus*, lover to Henry Miller, Parisian diarist, and feminist icon of the sexual revolution. As an inexperienced college-bound girl from the San Fernando Valley, Tristine was dazzled by the sophisticated bohemian author and sought her instruction in becoming a woman. Tristine became a fixture of Anais's inner circle, implicated in the mysterious author's daring intrigues—while

simultaneously finding her own path through love, lust, and loss. From personal memories to dramatized scenarios based on Anais's revelations to the author, *Apprenticed to Venus* blurs the lines between novel and memoir to bring to life a seductive and entertaining character—the pioneer whose mantra was, "A woman has as much right to pleasure as a man!" *Darling Girl* Univ. Press of Mississippi *Seduction of the Minotaur* is an example of Anais Nin's most mature and cohesive fiction. The central character, Lillian, arrives in exotically primitive Mexico from New York, in part to forget her crumbling marriage and to find flow in her life after years of stasis. She befriends Dr. Hernandez, who, like Lillian, is also trying to forget, to escape, which he does with violence, shocking Lillian into facing her inner demon, the "Minotaur." Critic Oliver Evans says of *Seduction of the Minotaur*: "Its symbolism is the most complicated of any of Miss Nin's longer works...and at the same time it makes more concessions...to the tradition of the realistic novel: the result is a work of unusual richness." Consider this passage: "It was

the time of the year when everyone's attention was focused on the moon. 'The first terrestrial body to be explored will undoubtedly be the moon.' Yet how little we know about human beings, thought Lillian. All the telescopes are focused on the distant. No one is willing to turn his vision inward... Such obsession with reaching the moon, because they have failed to reach each other, each a solitary planet!" *Seduction of the Minotaur* reveals Nin's struggle for self-awareness through her character Lillian. In a setting that is sumptuously described, with fully developed characters, the plot involves the dichotomy between civilization and the primitive, the dark and bright sides of human nature, with a conclusion that is classic Nin: enlightenment.

Challenging convention with the SF nonconformist Roger Zelazny combined poetic prose with fearless literary ambition to become one of the most influential science fiction writers of the 1960s. Yet many critics found his later novels underachieving and his turn to fantasy a disappointment. F. Brett Cox surveys the

landscape of Zelazny's creative life and contradictions. Launched by the classic 1963 short story "A Rose for Ecclesiastes," Zelazny soon won the Hugo Award for Best Novel with ...And Call Me Conrad and two years later won again for Lord of Light. Cox looks at the author's overnight success and follows Zelazny into a period of continued formal experimentation, the commercial triumph of the Amber sword and sorcery novels, and renewed acclaim for Hugo-winning novellas such as "Home Is the Hangman" and "24 Views of Mt. Fuji, by Hokusai." Throughout, Cox analyzes aspects of Zelazny's art, from his preference for poetically alienated protagonists to the ways his plots reflected his determined individualism. Clear-eyed and detailed, Roger Zelazny provides an up-to-date reconsideration of an often-misunderstood SF maverick.

The Convent School BoD – Books on Demand

It begins when mountain matriarch Granny Mustard decides she wants to live forever, but then is killed. Her slow-witted but equally hardheaded granddaughter Jenkie decides to pick up the ball and run with it, taking Granny's unperfected immortality moonshine recipe, a socially-inept friend named Bink, and dreams of fame and fortune to an abandoned trailer up in Desper Hollow. But slow-witted can't stand against the terrible power Granny initiated. Jenkie's experiments only worsen the troubles with Granny's original recipe, bringing dead critters and a few stray folks back to a state of hungry, vicious, mindless animation. Now a stash of the living dead is locked up in the back of the trailer, a howling herd that has Jenkie terrified. And Armistead, one of the red-

eyed living dead, seems way too alert for comfort. Mountain resident Kathy Shaw and Hollywood pitchman Jack Carroll, who is looking for the next hit reality show, find themselves caught up in the growing horror surrounding Desper Hollow. They can't avoid it and must face it head on. So must Armistead, who fights the fog of his ghastly condition to discover the truth of who he really is.

From the New York Times bestselling author of Sepulchre and Labyrinth-a compelling story of love, ghosts and remembrance. World War I robbed England and France of an entire generation of friends, lovers and futures. In Freddie Watson's case, the battlefields took his beloved brother and, at times, his peace of mind. In the winter of 1928, still seeking some kind of resolution, Freddie is travelling through the beautiful but forbidding French Pyrenees. During a snowstorm, his car spins off the mountain road. Freezing and dazed, he stumbles through the woods, emerging in a tiny village, where he finds an inn to wait out the blizzard. There he meets Fabrissa, a lovely young woman also mourning a lost

generation. Over the course of one night, Fabrissa and Freddie share their stories. By the time dawn breaks, Freddie will have unearthed a tragic mystery that goes back through the centuries, and discovered his own role in the life of this old remote town. By turns thrilling, poignant, and haunting, this is a story of two lives touched by war and transformed by courage.

"On January 14, 1977...at 11:55 p.m. Anais made the transvoyage into her 'World of Music.' Her passover was a blessing, relieving her of over two years of constant pain and misery. She wished her ashes to be scattered from an airplane into the Pacific Ocean where they will be carried to

all parts of the world. She wishes you to celebrate her by reading." When she died, the willow tree outside her window died with her. A few weeks later Rupert cut it down and dug up the stump. He never replaced the willow that had wept over the dark green pool, shedding its fragile leaves into the emerald water, while Anais lay dying.

The award-winning, New York Times bestselling literary masterpiece of Shirley Hazzard—the story of two beautiful orphan sisters whose fates are as moving and wonderful, and yet as predestined, as the transits of the planets themselves A Penguin Classic Considered "one of the great English-language novels of the twentieth century" (The Paris Review), *The Transit of Venus* follows Caroline and Grace Bell as they leave Australia to begin a new life in post-war England. From Sydney to London, New York, and Stockholm, and from the 1950s to the 1980s, the two sisters experience seduction and abandonment, marriage and widowhood, love and betrayal. With exquisite, breathtaking prose, Australian novelist Shirley Hazzard tells the story of

the displacements and absurdities of modern life. The result is at once an intricately plotted Greek tragedy, a sweeping family saga, and a desperate love story.

A Book of The Month Club pick In this beautiful dive into the world of J. M. Barrie's classic, one woman must take on the infamous Peter Pan—who is not the innocent adventurer the fairy tales make him out to be—to save her daughter's life. . . . Life is looking up for Holly Darling, granddaughter of Wendy—yes, that Wendy. That is, until she gets a call that her daughter, Eden, who has been in a coma for nearly a decade, has gone missing from the estate where she's been

long tucked away. And, worst of all, Holly knows who must be responsible: Peter Pan, who is not only very real, but very dangerous. Holly is desperate to find Eden and protect her son, Jack, from a terrible web of family secrets before she loses both her children. And yet she has no one to turn to—her mother, Jane, is the only other person in the world who knows that Peter is more than a story, but she refuses to accept that he is not the hero she's always imagined. Darling Girl brings all the magic of the classic Peter Pan story to the present, while also exploring the dark underpinnings of fairy tales, grief, aging, sacrifice, motherhood, and just how far we will go to protect those we love.

These stories precede all of Nin's published work to date. In them are many sources of the more mature work that collectors and growing writers can appreciate. Written when Anaïs Nin was in her twenties and living in Louveciennes, France, these stories contain many elements that will delight her readers: details remembered from childhood, of life in Paris, the cafés, theatres; characters including dancers, artists, writers, women

who devote themselves to their work and visions as well as romance, strangers met in the night; themes such as the scruples of lovers, the search for brilliant, imaginative living; the writer's experimentation with exotic words like "sybaritic" and "violaceous". In the craft of these stories readers are treated to a deft sense of humor, ironic wit, much conversation as well as ecstatic prose, and surprise endings. Throughout all, the Nin personality shines, a wonderful mixture of feeling and rationality, of vulnerability and strength.
