Tides of War

University of Pittsburgh Pre Everyone knows the Tin Woodman as Dorothy's lovable sidekick, the tin man who longed for a real heart to beat inside his

tin chest. This digital original novella is the fourth installment in the prequel arc to the edgy and thrilling New York Times bestsellers Dorothy Must Die and The Wicked Will Rise, and tells what happened to the Tin

Woodman after he got his wish. In The Wonderful Wizard of Oz, the Wizard gave the Tin Woodman a heart, and all lived happily ever after—or so the story goes. But in Heart of Tin, the heart wants what the heart wants—and

the Tin Woodman's heart pines for Dorothy. The gift that the Wizard once bestowed on him turns twisted with longing. And when Dorothy returns to Oz with her own dark agenda, the Tin Woodman will do whatever it takes to help her rise to power—and to make her his. Heart of Tin by Danielle Paige is a dark and compelling reimagining of a beloved classic and is perfect for fans of Cinder by Marissa

Meyer, *Beastly* by Alex Flinn, and *Wicked* by Gregory Maguire. The King Must Die The King Must Die Today, foreigners travel to the Yucatan for ruins, temples, and pyramids, white sand beaches and clear blue water. One hundred years ago, they went for cheap labor, an abundance of land, and the opportunity to make a fortune exporting cattle, henequen

fiber, sugarcane, or rum. Sometimes they found death. In 1875 an American plantation manager named Robert Stephens and a number of his workers were murdered by a band of Maya rebels. To this day, no one knows why. Was it the result of feuding between aristocratic families for greater power and wealth? Was it the foreseeable consequence of years of oppression

and abuse of Maya plantation workers? Was a rebel leader seeking money and fame—or perhaps retribution for the loss of the woman he loved? For whites, the events that took place at Xuxub, Stephens’s plantation, are virtually unknown, even though they engendered a diplomatic and legal dispute that vexed Mexican-U.S. relations for over six decades. The construction

of "official" histories allowed the very name of Xuxub to die, much as the plantation itself was subsumed by the jungle. For the Maya, however, what happened at Xuxub is more than a story they pass down through generations—it is a defining moment in how they see themselves. Sullivan masterfully weaves the intricately tangled threads of this story into a fascinating account of human

accomplishments and failings, in which good and evil are never quite what they seem at first, and truth proves to be elusive. Xuxub Must Die seeks not only to fathom a mystery, but also to explore the nature of guilt, blame, and understanding.

Oedipus the King Open Road Media
Valentine Carter’s fierce debut gives voice to the mostly forgotten and maligned female

characters of Homer's epic The Odyssey. It is a celebratory ode to those who survive within and outside of gender norms. "Even through the darker themes of femicide and sexual violence, it never loses this waggish quality. This glittering wryness concentrates into a diamond-like grit when you consider the chilling prevalence of these same issues today." —Lucy Writers "A very

impressive debut novel in terms of the use of written word and the ease with which they make old stories fresh and new." —Utopia State of Mind Faithful Penelope waits for her husband's return as she weaves a shroud that foretells her doom, Scylla once a beautiful nymph turned monster prowls the seas hungry for flesh, while the witch Circe falls for a man who will leave her.

Weaving together their stories and poetic voices, this subtly moving and playful verse novel questions how do those without a voice find freedom within the world of men? The Man Who Would Be King Random House Told with P. D. James's trademark suspense, insightful characterizations, and riveting storytelling, The Children of Men is a story of a world with no

children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive

woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race. *The Fall of the House of Usher* Open Road Media This work has been selected by scholars as being culturally important and is part of the

The Three Questions National Academies Press
 When identical twins Elizabeth and Jessica begin baby-sitting for the Riccoli family, they figure that the kids' recurring nightmares are merely the product of an overheated imagination, until strange things begin happening in

the Riccoli house. Original. Le Morte D'Arthur Sweet Valley A New York Times–bestselling novel of the ancient king of Macedon and his lover by the author Hilary Mantel calls “a shining light.” The Persian Boy centers on the most tempestuous years of Alexander the Great’s life, as seen through the eyes of his lover and most faithful attendant, Bagoas. When Bagoas is very young, his

father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on the Macedon king’s life abound. The result is a riveting account of a great conqueror’s

years of triumph and, ultimately, heartbreak. The Persian Boy is the second volume of the Novels of Alexander the Great trilogy, which also includes *Fire from Heaven* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the

past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.”

 Prize Finalist:

A novel of ancient Greece by the author Hilary Mantel calls “a shining light.” Alexander the Great stands alone as a leader and strategist, and Fire from Heaven is Mary Renault’s unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son’s love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The

story tells of the conqueror’s two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone’s life at age twelve and who swiftly

eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. *Fire from Heaven* is the first volume of the *Novels of Alexander the Great* trilogy, which continues with *The Persian Boy* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both

historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel *Nineteen Eighty-Four* Open Road

An adaptation of the legend of Theseus who masters the art of bull leaping and slays the Minotaur in the process of fulfilling his destiny [*They Both Die at the End*](#) Methuen Drama
Golding’s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This

edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls

echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued. *The Nature of Alexander* Franklin Classics Trade Press 'Mary Renault is a shining light to both historical novelists and their readers. today seems more important than ever' Sam Jordison, Guardian *The King in Yellow* Hachette UK This brisk retelling of Le Morte D'Arthur highlights the narrative drive, humor, and poignancy of Sir Thomas Malory's original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an

adaptation that readers can enjoy as a fresh approach to Malory's sprawling masterpiece. The book's most famous episodes--the sword in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and

a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton's first printed edition of 1485.

Candide University of Chicago Press The Law, as quoted, lays down a fair conduct of life, and one not easy to follow. I have been fellow to a beggar again and again under circumstances which prevented either of us finding out whether the other was

worthy. I have still to be brother to a Prince, though once came near to kinship with what might have been a veritable King and was promised the reversion of a Kingdom - army, law-courts, revenue and policy all complete. But, today, I greatly fear that my King is dead, and if I want a crown I must go and hunt it for myself. The beginning of everything was in a railway train upon the road

to Mhow from Ajmir. There had been a deficit in the Budget, which necessitated travelling, not Second-class, which is only half as dear as First-class, but by Intermediate, which is very awful indeed. There are no cushions in the Intermediate class, and the population are either Intermediate, which is Eurasian, or native, which for a long night journey is nasty; or Loafer, which is amusing

though intoxicated. Intermediates do not patronize refreshment rooms. They carry their food in bundles and pots, and buy sweets from the natives sweetmeat-sellers, and drink the roadside water. That is why in the hot weather Intermediates are taken out of the carriages dead, and in all weathers are most properly looked down upon. My particular Intermediate happened to

be empty till I reached Nasirabad, when a hugegentleman in shirt-sleeves entered, and, following the custom of Intermediates, passed thetime of day. He was a wanderer and a vagabond like myself, but with an educated taste forwhiskey. He told tales of things he had seen and done, of out-of-the-way corners of theEmpire into which he had penetrated, and of adventures in

which he risked his life for a few days' food. "If India was filled with men like you and me, not knowing more than thecrows where they'd get their next day's rations, it isn't seventy millions of revenue the landwould be paying - it's seven hundred million," said he; and as I looked at his mouth andchin I was disposed to agree with him. We talked politics - the politics of Loafersdom thatsees things from

the underside where the lath and plaster is not smoothed off - and wetalked postal arrangements because my friend wanted to send a telegram back from thenext station to Ajmir, which is the turning-off place from the Bombay to the Mhow line asyou travel westward. My friend had no money beyond eight annas which he wanted for dinner, and I had no money at all, owing to the hitch in the Budget before

mentioned. Further, I was going into a wilderness where, though I should resume touch with the Treasury, there were no telegraph offices. I was, therefore, unable to help him in any way

The Song of Achilles

National Geographic Books
 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English

novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in

the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as

Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and

Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. The King Must Dance Naked Crossroad Publishing Company A king visits a hermit to gain answers to three important questions. *Tears of a Tiger* Hackett Publishing

Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles. Achilles, 'best of all the Greeks', is everything Patroclus is not - strong, beautiful, the child of a goddess - and by all rights their paths should never cross. Yet one day, Achilles takes the

shamed prince under his wing and soon their tentative companionship gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their bond blossoms into something far deeper - despite the displeasure of Achilles's mother Thetis, a cruel and deathly pale sea goddess with a hatred of mortals. Fate is never far from the heels of Achilles. When word comes that Helen of

Sparta has been kidnapped, the men of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause, Torn between love and fear for his friend, Patroclus follows Achilles into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before

he is ready, he will be forced to surrender his friend to the hands of Fate. Profoundly moving and breathtakingly	original, this rendering of the epic Trojan War is a dazzling feat of the imagination, a devastating love story, and an	almighty battle between gods and kings, peace and glory, immortal fame and the human heart.
