HIGGINS LAYLAH

Glencoe Science Texas Science Grade 8 Interactive Teacher's Edition 2002

Glencoe/McGraw-Hill School Publishing Company
 Glencoe Physical Science provides students with accurate and comprehensive content coverage of the three fundamental science disciplines. The concepts covered are explained in a clear, concise manner that can be easily understood by students. This strong content coverage is integrated with a wide range of hands-on experiences, critical-thinking opportunities, real-world applications, and connections to other sciences and non-science areas of the curriculum.
