A Memoir of 9/11 Fremantle Press
Albert Facey's story is the story of Australia. Born in 1894, and first sent to work at the age of eight, Facey lived the rough frontier life of a labourer and farmer and jackaroo, becoming lost and then rescued by Indigenous trackers, then gaining a hard-won literacy, surviving Gallipoli, raising a family through the Depression, losing a son in the Second World War, and meeting his beloved

Evelyn with whom he shared nearly sixty years of marriage. Despite enduring unimaginable hardships, Facey always saw his life as a fortunate one. A true classic of Australian literature, Facey's simply penned story offers a unique window onto the history of Australian life through the greater part of the twentieth century - the extraordinary journey of an ordinary man. [A Memoir](#) Encyclopedia of an Ordinary Life A Memoir

Praise for *Ordinary Life*: "It reads like a novel, but Kathy Conway's journal of three cancers is the smartest kind of self-help: it gives us permission to be wise or whiney,

strong or self-indulgent, whatever it takes to get through the dark nights of chemo and dread." —Robert Lipsyte, columnist, *New York Times* and *American Health* "Ordinary Life is a brave book . . . the kind of journey so many, many women are living through—with spirit, heart and courage—with vision and in community." —Blanche Wiesen Cook, author of *Eleanor Roosevelt* *Ordinary Life* is a frank portrait of one woman's experience of living through three cancers, from diagnosis through treatment and on to recovery. Unlike the usual self-help book that portrays illness as a transformative

experience in which the individual ultimately prevails physically, spiritually, and socially, Ordinary Life isn't afraid to inhabit and explore the nightmare world of human emotion evoked by life-threatening disease. Kathlyn Conway shows all sides of her reaction to a deadly illness. Often she is despairing, angry, lonely, terrified, and raging against her disease and its implications. Hers is a journey to the heart of darkness into which illness can take any individual. Yet Conway's very act of courage and honesty in exposing her fear reveals how normal such feelings are. Kathlyn Conway is a practicing psychotherapist who lives in New York City with her husband and two children. ORDINARY LIFE Sounds True NATIONAL BESTSELLER • "An extraordinary short story collection that deserves our closest attention."—Detroit Free Press "Elizabeth Berg's gift as a storyteller lies most powerfully in her ability to find the extraordinary in the ordinary, the remarkable in the everyday."—The Boston Globe In this superb collection of short stories, Elizabeth Berg takes us into pivotal moments in the lives of women, when memories and

events come together to create a sense of coherence, understanding, and change. In "Ordinary Life," Mavis McPherson locks herself in the bathroom for a week, shutting out her husband and the realities of their life together—and no, she isn't contemplating a divorce. She just needs some time to think, take stock of her life, and to arrive, finally, at a surprising conclusion. In "White Dwarf" and "Martin's Letter to Nan," the secrets of a marriage are revealed with sensitivity and "brilliant insights about the human condition" (Detroit Free Press) that have become trademark of Berg's writing. The Charlotte Observer has said, "Berg captures the way women think as well as any writer." Those qualities of wisdom and perception are everywhere present in Ordinary Life. *Portrait of an Indian Generation* Ballast Books When she was very young, Baby Halder was abandoned by her mother and left with a cruel, abusive father. She was married off at twelve to a man twice her age who beat her. At fourteen, she was a mother herself. Her early life was marked by overwhelming challenges and heartbreak until, exhausted and

desperate, she fled with her three children to Delhi, to work as a maid in some of the city's wealthiest homes. Expected to serve her employers' every demand, she faced a staggering workload that often left her no time to care for her own children. But she never complained, for such is the lot of the poor in modern-day India. Written without a trace of self-pity, *A Life Less Ordinary* is a shocking look deep inside a world of poverty and subjugation that few outsiders know about—and an inspiring true story of one remarkable woman's strength, courage, and determination to soar above her circumstances.

Extraordinary, Ordinary People Hachette Books

The Gift of an Ordinary Day is an intimate memoir of a family in transition—boys becoming teenagers, careers ending and new ones opening up, an attempt to find a deeper sense of place, and a slower pace, in a small New England town. It is a story of mid-life longings and discoveries, of lessons learned in the search for home and a new sense of purpose, and the bittersweet intensity of life with teenagers—holding on, letting go. Poised on the threshold between family life as she's

always known it and her older son's departure for college, Kenison is surprised to find that the times she treasures most are the ordinary, unremarkable moments of everyday life, the very moments that she once took for granted, or rushed right through without noticing at all. The relationships, hopes, and dreams that Kenison illuminates will touch women's hearts, and her words will inspire mothers everywhere as they try to make peace with the inevitable changes in store. Sometimes hope is the most extraordinary gift of all. High-school radio host Jasmine Torres's life is full of family dysfunction, but if she can score the internship of her dreams with a New York City radio station, she knows she can turn things around. That is, until her brother Danny's latest seizure forces her to miss the interview, and she's back to the endless loop of missing school for his doctor appointments, picking up the pieces of her mother's booze-soaked life, and stressing about Danny's future. Then she meets Wes. He's the perfect combination of smart, cute, and funny. He also happens to have epilepsy like her brother. Wes is

living a normal life despite his medical issues, which gives Jasmine hope for Danny. But memories of her cheating ex-boyfriend keep Jasmine from going on a real date with Wes, no matter how many times he asks her. Jasmine can't control everything, not who wins the internship, not her mother's addiction, not her brother's health, not even where her heart will lead her. She wishes she could just have an ordinary life, but Jasmine may just discover that what she already has is pretty extraordinary after all.

Sibert Informational Honor Book A Boston Globe/Horn Book Nonfiction Honor Book Arnold Adoff Poetry Award for Teens Six Starred Reviews -- ★Booklist ★BCCB ★The Horn Book ★Publishers Weekly ★School Library Connection ★Shelf Awareness A Booklist Best Book for Youth * A BCCB Blue Ribbon * A Horn Book Fanfare Book * A Shelf Awareness Best Children's Book * Recommended on NPR's "Morning Edition" by Kwame Alexander "This powerful story, told with the music of poetry and the blade of truth, will help your heart grow."--

Laurie Halse Anderson, author of *Speak* and *Shout* "[A] testimony and a triumph."-- Jason Reynolds, author of *Long Way Down* In her own voice, acclaimed author and poet Nikki Grimes explores the truth of a harrowing childhood in a compelling and moving memoir in verse. Growing up with a mother suffering from paranoid schizophrenia and a mostly absent father, Nikki Grimes found herself terrorized by babysitters, shunted from foster family to foster family, and preyed upon by those she trusted. At the age of six, she poured her pain onto a piece of paper late one night - and discovered the magic and impact of writing. For many years, Nikki's notebooks were her most enduring companions. In this accessible and inspiring memoir that will resonate with young readers and adults alike, Nikki shows how the power of those words helped her conquer the hazards - ordinary and extraordinary - of her life. *Stories* Three Rivers Press (CA)

A memoir in bite-size chunks from the author of the viral Modern Love column "You May Want to Marry My Husband." "[Rosenthal] shines her generous light of humanity on the seemingly humdrum

moments of life and shows how delightfully precious they actually are.” —The Chicago Sun-Times How do you conjure a life? Give the truest account of what you saw, felt, learned, loved, strived for? For Amy Krouse Rosenthal, the surprising answer came in the form of an encyclopedia. In *Encyclopedia of an Ordinary Life* she has ingeniously adapted this centuries-old format for conveying knowledge into a poignant, wise, often funny, fully realized memoir. Using mostly short entries organized from A to Z, many of which are cross-referenced, Rosenthal captures in wonderful and episodic detail the moments, observations, and emotions that comprise a contemporary life. Start anywhere—preferably at the beginning—and see how one young woman’s alphabetized existence can open up and define the world in new and unexpected ways. An ordinary life, perhaps, but an extraordinary book.

A Memoir Independently Published
If anybody had told Prissy, a conservative Southern housewife, she would one day be driving around town with a stoned, drunk black man named Willie in her backseat while she begged--no, ordered--him into

her house for the night, she would have told them they were nuts. But it happened. An emotionally honest account, *Far Outside the Ordinary* chronicles the period in Prissy’s life when, during a routine physical, her fifty-year-old husband is given less than a year to live. Southern black caregivers move into her home and work around the clock to aid her family. Soon, Prissy finds herself a spectator in her own home, observing events far outside the boundaries of her once ordinary life. *Far Outside the Ordinary* is also a story of happily ever after, a romantic fairy tale. When her high school boyfriend reappears in her life, Prissy learns love has no expiration date. Sometimes a second chance at love can come disguised, and when least expected.

[A Memoir of Family](#) Lake Union Publishing
****NEW YORK TIMES BESTSELLER**** Her story. His story. The love story of Joey and Rory. By inviting so many into the final months of Joey’s life as she battled cancer, Joey and Rory Feek captured hearts around the world with how they handled the diagnosis; the inspiring, simple way they chose to live; and how they loved each other every step of the way. But

there is far more to the story. “My life is very ordinary,” says Rory. “On the surface, it is not very special. If you looked at it, day to day, it wouldn’t seem like much. But when you look at it in a bigger context—as part of a larger story—you start to see the magic that is on the pages of the book that is my life. And the more you look, the more you see. Or, at least, I do.” In this vulnerable book, he takes us for the first time into his own challenging life story and what it was like growing up in rural America with little money and even less family stability. This is the story of a man searching for meaning and security in a world that offered neither. And it’s the story of a man who finally gives it all to a power higher than himself and soon meets a young woman who will change his heart forever. In *This Life I Live*, Rory Feek helps us not only to connect more fully to his and Joey’s story but also to our own journeys. He shows what can happen when we are fully open in life’s key moments, whether when meeting our life companion or tackling an unexpected tragedy. He also gives never-before-revealed details on their life together and what he calls “the long

goodbye," the blessing of being able to know that life is going to end and taking advantage of it. Rory shows how we are all actually there already and how we can learn to live that way every day. A gifted man from nowhere and everywhere in search of something to believe in. A young woman from the Midwest with an angelic voice and deep roots that just needed a place to be planted. This is their story. Two hearts that found each other and touched millions of other hearts along the way. Condoleezza Rice: A Memoir of My Extraordinary, Ordinary Family and Me Algonquin Books

How can we bring an effortless yes to this moment? How do we stop running from "the mess of life"—our predicaments, our frustrations, even our search for liberation—and start flowing with all of it? In small venues throughout the UK and Europe, a young teacher named Jeff Foster is quietly awakening a new generation of spiritual inquirers to the experience of abiding presence and peace in our ever-shifting world. His informal gatherings, blogs, and kitchen-table video posts have created a rising tide of interest in his teachings. With *The Deepest Acceptance*,

Jeff Foster invites us to discover the ocean of who we are: an awareness that has already allowed every wave of emotion and experience to arrive. While Jeff delightfully admits the irony of writing a book to convey something that is beyond words to teach, here he confirms his ability to guide us in unexpected new ways to a space of absolute acceptance and joy, no matter what's happening in our lives. Candid, thoughtful, humorous—and deeply compassionate toward those searching for a way out of suffering—this refreshing new luminary inspires us to stop trying to "do" acceptance ... and start falling in love with "what has already been allowed." "Wise, spacious, and loving. Teachings that can free the heart." —Jack Kornfield, author of *A Lamp in the Darkness* and *A Path With Heart* "There is a transmission in this book: an alive, compassionate presence that invites awakening right here, this very moment, no matter what is going on in our lives." —Tara Brach, PhD, author of *Radical Acceptance* and *True Refuge* "A beautifully written guide to the fearlessness and simplicity of living fully immersed in each moment of our lives. *The Deepest*

Acceptance rings with the power and authenticity of Jeff Foster's deeply felt, deeply lived wisdom. His affirmation of life and compassion for the full range of human experience is a much needed contribution." —Judith Blackstone, PhD, author of *Belonging Here* and *The Intimate Life* "Jeff Foster is an honest seeker who has unraveled the many trappings of seeking through his faithfulness to the humble ground of being here, now, and his book is a gentle and helpful companion on the journey." —Mark Nepo, author of *Staying Awake* and *Seven Thousand Ways to Listen* "The Deepest Acceptance is the story of a merciful awareness, which offers us the heart's inborn destination we were born to discover. Love is the highest form of acceptance. Judgment is the mechanics of non-acceptance." —Stephen Levine, author of *A Year to Live* "The Deepest Acceptance is a multi-faceted spiritual gem. Every page transparently illuminates our real nature as naturally accepting, centerless awareness. Jeff has performed a great service in revealing awareness as the already-present source for living our lives in the most loving and meaningful way possible. I am immensely grateful to

Jeff for bringing forth the essence of his teaching with such great power, love and sensitivity. A timeless classic through which numberless people will connect with the source of ultimate fulfillment." —Peter Fenner, PhD, author of *Radiant Mind* and *The Edge of Certainty* "Jeff has achieved something wonderful with this honest and insightful book - something that benefits all of us and sheds much-needed light on the mystery we call life." —Stephen Gawtry, Managing Editor, *Watkins Mind Body Spirit* magazine "Throughout *The Deepest Acceptance*, Jeff Foster offers sentence after sentence that penetrate the mind and heart in a fresh, thrilling, life-changing way." —Raphael Cushnir, author of *The One Thing Holding You Back* and *Surfing Your Inner Sea*

Reframing My Life in Purpose and Gratitude Random House

The bestselling author of *Encyclopedia of an Ordinary Life* returns with a literary experience that is unprecedented, unforgettable, and explosively human. Ten years after her beloved, groundbreaking *Encyclopedia of an Ordinary Life*, #1 New York Times bestselling author Amy Krouse Rosenthal delivers a book full of her

distinct blend of nonlinear narrative, wistful reflections, and insightful wit. It is a mighty, life-affirming work that sheds light on all the ordinary and extraordinary ways we are connected. Like she did with *Encyclopedia of an Ordinary Life*, Amy Krouse Rosenthal ingeniously adapts a standard format—a textbook, this time—to explore life's lessons and experiences into a funny, wise, and poignant work of art. Not exactly a memoir, not just a collection of observations, *Textbook* Amy Krouse Rosenthal is a beautiful exploration into the many ways we are connected on this planet and speaks to the awe, bewilderment, and poignancy of being alive. "...a groundbreaking new twist on the traditional literary experience... *Textbook* is a delightful collection of interesting scenarios that directly point to life lessons. Rosenthal manages to spotlight grand moments and everyday moments with equal curiosity, proving that it can be both a privilege — and petrifying — to peek into one's humanity."—Associated Press "Rosenthal is a marvel... a talented storyteller with an experimental flair for formatting... This engaging, playful, and clever glimpse into

one woman's life offers lots of photographs, graphic illustrations, and diagrams, resulting in a book that will make readers smile as their notions of story delivery expand." —Booklist *Ordinary Girls* University of Michigan Press From the acclaimed Emmanuel Carrère, an act of generous imagination that unflinchingly records devastating loss and, equally vividly, the wealth of human solace that follows in its wake In Sri Lanka, a tsunami sweeps a child out to sea, her grand-father helpless against the onrushing water. In France, a young woman succumbs to illness, leaving her husband and small children bereft. Present at both events, Emmanuel Carrère sets out to tell the story of two families—shattered and ultimately restored. What he accomplishes is nothing short of a literary miracle: a heartrending narrative of endless love, a meditation on courage and decency in the face of adversity, an intimate and reverent look at the extraordinary beauty and nobility of ordinary lives. Precise, sober, and suspenseful, as full of twists and turns as any novel, *Lives Other Than My Own* confronts terrifying catastrophes to

illuminate the astonishing richness of human connection: a grandfather who thought he had found paradise—too soon—and now devotes himself to helping his neighbors rebuild their village; a husband so in love with his ailing wife that he carries her in his arms like a knight does his princess; and finally, Carrère himself, longtime chronicler of the tormented self, who unexpectedly finds consolation and even joy as he immerses himself in the lives of others.

Zen Life and Practice HarperCollins

Defying Hitler was written in 1939 and focuses on the year 1933, when, as Hitler assumed power, its author was a 25-year-old German law student, in training to join the German courts as a junior administrator. His book tries to answer two questions people have been asking since the end of World War II: “How were the Nazis possible?” and “Why did no one stop them?” Sebastian Haffner’s vivid first-person account, written in real time and only much later discovered by his son, makes the rise of the Nazis psychologically comprehensible. “An astonishing memoir... [a] masterpiece.” — Gabriel Schoenfeld, *The New York Times Book*

Review “A short, stabbing, brilliant book... It is important, first, as evidence of what one intelligent German knew in the 1930s about the unspeakable nature of Nazism, at a time when the overwhelming majority of his countrymen claim to have known nothing at all. And, second, for its rare capacity to reawaken anger about those who made the Nazis possible.” — Max Hastings, *The Sunday Telegraph* “Defying Hitler communicates one of the most profound and absolute feelings of exile that any writer has gotten between covers.” — Charles Taylor, *Salon* “Sebastian Haffner was Germany’s political conscience, but it is only now that we can read how he experienced the Nazi terror himself — that is a memoir of frightening relevance today.” — Heinrich Jaenicke, *Stern* “The prophetic insights of a fairly young man... help us understand the plight, as Haffner refers to it, of the non-Nazi German.” — *The Denver Post* “Sebastian Haffner’s *Defying Hitler* is a most brilliant and imaginative book — one of the most important books we have ever published.” — Lord Weidenfeld

My Extraordinary Ordinary Life Knopf

The author recounts her struggle with

breast cancer and its overwhelming effects on every aspect of her life

Ordinary Wonder Beaufort Books

This Truth Never Fails is a playful yet well-grounded narrative of a year in the life of an unusual Zen master. Far from the silent and detached stereotype of Zen teachers, Rynick writes with disarming humor, offering both the struggles and the joys of ordinary life as opportunities for insight. Anyone looking for inspiration to bring a simple spiritual awareness into their daily lives, and also those interested in finding ways to more deeply integrate faith (in any tradition) with practice will find this book reassuring and encouraging. This book appeals to the broad “mindfulness” and “general spirituality” audiences that transcend any one formal tradition.

Leaning toward Anne Lamott’s humor, universal spirituality, and Mary Oliver’s love of the natural world, Rynick’s writing bypasses Zen theory and doctrine. Simple, clear prose illustrates, vividly, an insightful and tender appreciation of ordinary life as the Way itself. Includes a brief “study guide for further inquiry” offering opportunities for personal reflection and exploration on themes touched on in the

book.

Portrait of an Indian Generation Thomas Nelson

One of the Must-Read Books of 2019

According to O: The Oprah Magazine * Time * Bustle * Electric Literature *

Publishers Weekly * The Millions * The

Week * Good Housekeeping “There is

more life packed on each page of *Ordinary Girls* than some lives hold in a lifetime.”

—Julia Alvarez In this searing memoir, Jaquira Díaz writes fiercely and eloquently of her challenging girlhood and triumphant coming of age. While growing up in housing projects in Puerto Rico and Miami Beach, Díaz found herself caught between extremes. As her family split apart and her mother battled schizophrenia, she was supported by the love of her friends. As she longed for a family and home, her life was upended by violence. As she celebrated her Puerto Rican culture, she couldn't find support for her burgeoning sexual identity. From her own struggles with depression and sexual assault to Puerto Rico's history of colonialism, every page of *Ordinary Girls* vibrates with music and lyricism. Díaz writes with raw and refreshing honesty, triumphantly mapping

a way out of despair toward love and hope to become her version of the girl she always wanted to be. Reminiscent of Tara Westover's *Educated*, Kiese Laymon's *Heavy*, Mary Karr's *The Liars' Club*, and Terese Marie Mailhot's *Heart Berries*, Jaquira Díaz's memoir provides a vivid portrait of a life lived in (and beyond) the borders of Puerto Rico and its complicated history—and reads as electrically as a novel.

An Ordinary Life Penguin

From Condoleezza Rice, former secretary of state and New York Times bestselling author of *Democracy: Stories from the Long Road to Freedom*, comes a captivating memoir of her remarkable childhood. Condoleezza Rice's life began in Birmingham, Alabama in the 1950s, a place and time where black people lived in a segregated parallel universe away from their white neighbors. She grew up during the violent and shocking 1960s, when bloodshed became a part of daily life in the South. Rice's portrait of her parents, John and Angelena, highlights their ambitions and frustrations and shows how much they sacrificed to give their beloved only child the best chance for success.

Rice also discusses the challenges of being a precocious child who was passionate about music, ice skating, history, and current affairs. Her memoir reveals with vivid clarity how her early experiences sowed the seeds of her political beliefs and helped her become a vibrant, successful woman. *Condoleezza Rice: A Memoir of My Extraordinary, Ordinary Parents and Me* is a fascinating and inspirational story for young people, adapted from Condoleezza Rice's adult sensation *Extraordinary, Ordinary People: A Memoir of Family*. Includes a 16-page photo insert. Praise for *Extraordinary, Ordinary People: A Memoir of Family*: “An origins story . . . memoir is teeming with fascinating detail.” —The New York Times “A thrilling, inspiring life of achievement.” —Publishers Weekly “Surprisingly engrossing . . .” —Daily Beast “Vivid and heartfelt writing . . . Highly recommended.” —Library Journal *Far Outside the Ordinary* Macmillan An overwhelmed new mom discovers unexpected parallels between life in twenty-first-century America and her grandmother's account of their family's escape from the Nazis in this sharp,

heartfelt novel. “A fresh perspective—one that’s both haunting and hilarious—on dual-timeline war stories, a feat that only a writer of Kuznetsova’s caliber could pull off.”—Fiona Davis, *New York Times* bestselling author of *The Lions of Fifth Avenue* Larissa is a stubborn, brutally honest woman in her eighties, tired of her home in Kiev, Ukraine—tired of everything really, except for her beloved granddaughter, Natasha. Natasha is tired as well, but that’s because she just had a baby, and she’s struggling to balance her roles as a new mother, a wife, a struggling actress, and a host to her husband’s slacker best friend, Stas, who has been staying with them in their cramped one-bedroom apartment in upper Manhattan. When Natasha asks Larissa to tell the story of her family’s Soviet wartime escape from the Nazis in Kiev, she reluctantly agrees. Maybe Natasha is just

looking for distraction from her own life, but Larissa is desperate to make her happy, even though telling the story makes her heart ache. Larissa recounts the nearly three-year period when she fled with her self-absorbed sister, parents, and grandmother to a factory town in the Ural Mountains where they faced starvation, a cholera outbreak, a tragic suicide, and where she was torn in her affections for two brothers from a wealthy family. But neither Larissa nor Natasha can anticipate how loudly these lessons of the past will echo in their present moments. *Something Unbelievable* explores with piercing wit and tender feeling just how much our circumstances shape our lives and what we pass on to the younger generations, willingly or not.

A Mother's Memoir Metropolitan Books
From the bestselling author of *The Girl in the Corner* comes a tale of love, loss--and

one last extraordinary dance. Christmas Eve, 2019. Ninety-four-year-old Molly lies in her hospital bed. A stroke and a fall may have broken her body--but her mind is alive with memories. London, 1940s. Molly is a bright young woman, determined to help the war effort and keep her head up despite it all. Life becomes brighter when she meets and falls in love with a man who makes her forget everything with one dance. But then war forces her to make an unforgettable sacrifice, and when she's brought to her knees by a daring undercover mission with the French Resistance, only her sister knows the secret weighing heavily on Molly's heart. Now, lying in her hospital bed, Molly can't escape the memories of what she lost all those years ago. But she is not as alone as she thinks. Will she be able to find peace--and finally understand that what seemed to be an ordinary life was anything but?
